

PROPOSED AMENDMENTS TO ENGROSSED HOUSE BILL NO. 1020

Page 2, after line 5, insert:

"SECTION 4. RED RIVER VALLEY WATER SUPPLY PROJECT FUNDING.

Of the funds appropriated in the water and atmospheric resources line item in section 1 of this Act, \$30,000,000 is for the Red River water supply project, for the biennium beginning July 1, 2009, and ending June 30, 2011. The state water commission may not spend these funds until the federal and local share of funding for the project is available."

Renumber accordingly

STATEMENT OF PURPOSE OF AMENDMENT:

This amendment adds a section providing that the State Water Commission may not spend the \$30 million for the Red River Water Supply Project until the federal and local share of funding is available for the project.
