Page 1, line 3, after "plans" insert "; and to repeal section 54-59-02.1 of the North Dakota Century Code"

Page 5, line 27, insert:

**"SECTION 4. REPEAL.** Section 54-59-02.1 of the North Dakota Century Code is repealed"

Page 5, line 28, insert:

**SECTION 5. AMENDMENT.** Section 54-59-23 of the North Dakota Century code is amended and reenacted as follows:

**54-59-23.01 Prioritization of proposed major information technology**

**projects.** The department shall submit information regarding proposed major information technology projects for executive branch state agencies, departments, and institutions, excluding institutions under control of the state board of higher education and agencies of the judicial and legislative branches to the state information technology advisory committee. The committee shall review the projects and rank those projects that receive the committee's affirmative recommendation. The chief information officer shall submit recommendations of the committee regarding the prioritization of major information technology projects to the information technology committee, the office of management and budget, and the appropriations committees of the legislative assembly. The judicial and legislative branches shall notify biennially the committee on their major information technology projects and priorities.

**54-59-23.02. Information technology projects-Reports.**

1. An executive, legislative, or judicial branch agency, except for institutions under the control of the state board of higher education, shall report to the state information technology advisory committee regarding the plan for and status of any information technology project that is estimated to cost more than two hundred fifty thousand dollars.
2. During the life of the project, the agency shall notify the state information technology advisory committee if:
  - a. At a project milestone, the amount expended on project costs exceeds the planned budget for the milestone by twenty percent or more; or
  - b. At a project milestone, the project schedule extends beyond the planned schedule to attain that milestone by twenty percent or more.

3. A report under subsection 2 must specify corrective measures being undertaken to address any cost or time of completion issue. If the agency has not taken adequate corrective measures within ninety days after the report, the agency shall submit a report to the legislative council's information technology committee regarding the project.
4. Upon completion of the project, the agency shall notify the state information technology advisory committee if:
  - a. The budget for the project exceeded the original budget by twenty percent or more; or
  - b. The final project completion date extended beyond the original project scheduled completion date by twenty percent or more."

Renumber accordingly
