¹ This amendment removes funding added by the Senate for a state facility lignite feasibility demonstration project.

² This amendment provides funding from the permanent oil tax trust fund for a grant to the Lignite Research Council for a lignite feasibility demonstration project.

³ This amendment authorizes the Industrial Commission to borrow up to \$500,000 from the Bank of North Dakota to provide matching funds, on a \$1-to-\$2 basis, for lignite feasibility demonstration projects approved by the Lignite Research Council.

This amendment changes Section 12 of the bill to provide an appropriation from the permanent oil tax trust fund to the Industrial Commission for a grant for a lignite feasibility demonstration project, provides borrowing authority to the Industrial Commission for matching funds, and provides an expiration date for the project.
