¹ The grants line item is reduced from the general fund for the medical loan repayment program, the same as the House version.

² This amendment removes 1 FTE auditor II position in fraud risk assessment contract compliance, including \$25,000 of operating expenses, the same as the House version.

³ This amendment removes funding added in the executive budget for state employee salary equity adjustments, the same as the House version.

⁴ Operating expenses are reduced by \$100,000, the same as the House version.

⁵ This amendment removes the increase in funding from the general fund provided in the executive recommendation for the Women's Way program, the same as the House version.

⁶ This amendment increases funding for operating expenses for the Women's Way program to provide a total of \$404,332, of which \$100,000 is from the general fund and \$304,332 is from the community health trust fund, the same as the House version.

⁷ This amendment decreases funding and removes 1 FTE position added by the Senate for suicide prevention to provide \$250,000 for grants, the same as the House version.

⁸ This amendment removes funding for operating expenses included in the executive recommendation for poison prevention and control, the same as the House version.

⁹ Funding in the grants line item for Russell-Silver Syndrome grants is reduced to provide a total of \$50,000 from the general fund, the same as the House version.

¹⁰ The grants line item is reduced by \$50,000 from the general fund for the specialty care diagnostic and treatment program resulting from the rebasing of Medicaid to provide a total of \$38,000, the same as the House version.

¹¹ The operating expenses line item is increased by \$50,000 from the general fund to provide newborn hearing screening results to a licensed medical professional, the same as the House version.

¹² Grants funding from the community health trust fund is increased to continue the current program and to provide a colorectal cancer screening pilot initiative for low-income underinsured and uninsured men and women aged 50 to 64 living in counties with a population exceeding 15,000, including \$34,225 for the department to contract for program management, data management, and outreach oversight, the same as the House version.

¹³ This amendment removes funding in the operating expenses line item for a budgeting error in the Community Health Division of the budget, the same as the House version.

¹⁴ The grants line item is increased by \$100,000 from the general fund for grants to local public health units, the same as the House version.

¹⁵ This amendment provides funding from the community health trust fund for a stroke registry and stroke prevention, the same as the House version.

¹⁶ This amendment decreases funding from the general fund and increases funding from the community health trust fund for the veterinarian loan repayment program (\$350,000), the medical loan repayment program (\$132,500), and the dental loan repayment program (\$195,000) to provide total funding of \$350,000 from the community health trust fund for the veterinarian loan repayment program, \$483,448 from the community health trust fund for the dental loan repayment program, and \$347,500 for the medical loan repayment program, of which \$75,000 is from the general fund and \$272,500 is from the community health trust fund. These funding changes were also part of the House version.

¹⁷ A section is added, as an emergency measure, the same as the House version, appropriating federal fiscal stimulus funds made available to the state under the federal American Recovery and Reinvestment Act of 2009, as follows:

Water quality grants	\$194,300
Superfund arsenic trioxide project grants	7,000,000
Clean diesel grants (provided to the Department of Public Instruction)	1,730,000
Clean water state revolving loan fund administration	769,564
Drinking water state revolving loan fund administration	780,000
Women, infants, and children	61,800
	<hr/>
Total federal funds	\$10,535,664

The conference committee amendments do not appropriate an additional \$121,727 from the community health trust fund for community health tobacco programs.

This amendment, the same as the House version:

- Adds a section to identify funding for emergency medical services grants from the insurance tax distribution fund and provides for a report to the Legislative Council.
- Provides unexpended funds appropriated for colorectal screening grants during the 2007-09 biennium may be continued in the 2009-11 biennium.
- Provides for a Legislative Council study of the state immunization program.

The conference committee included amendments to sections relating to tobacco prevention and control and the tobacco settlement trust fund and repeals sections relating to the community health grant program.
