

ADMINISTRATIVE RULEMAKING STATISTICS 2009-10

The committee reviewed 1,451 rules sections and 2,011 pages of rules that were changed from January 2009 to October 2010. The number of sections affected and the number of pages of rules were substantially more than the comparable amount from the previous biennial period. The Department of Human Services, usually one of the most active rulemaking agencies, amended or created 359 rules sections in this biennial period compared to 40 rules sections in the preceding biennial period. [Table A](#) (attached) shows the number of rules amended, created, superseded, repealed, reserved, or redesignated for each administrative agency that appeared before the committee.

Although rules differ in length and complexity, comparison of the number of administrative rules sections affected during biennial periods is one method of comparing the volume of administrative rules reviewed by the committee. The following table shows the number of North Dakota Administrative Code sections amended, repealed, created, superseded, reserved, or redesignated during designated time periods:

Time Period	Number of Sections
November 1986-October 1988	2,681
November 1988-October 1990	2,325
November 1990-October 1992	3,079
November 1992-October 1994	3,235
November 1994-October 1996	2,762
November 1996-October 1998	2,789
November 1998-November 2000	2,074
December 2000-November 2002	1,417
December 2002-November 2004	2,306
December 2004-October 2006	1,353
January 2007-October 2008	1,194
January 2009-October 2010	1,451

For committee review of rules at each meeting, the Legislative Council staff prepares an administrative rules supplement containing all rules changes submitted for publication since the previous committee meeting. The supplement is prepared in a style similar to bill drafts, with changes indicated by overstrike and underscore. Comparison of the number of pages of rules amended, created, or repealed is another method of comparing the volume of administrative rules reviewed by the committee. The following table shows the number of pages in administrative rules supplements during designated time periods:

Time Period	Supplement Pages
November 1992-October 1994	3,809
November 1994-October 1996	3,140
November 1996-October 1998	4,123
November 1998-November 2000	1,947
December 2000-November 2002	2,016
December 2002-November 2004	4,085
December 2004-October 2006	1,920
January 2007-October 2008	1,663
January 2009-October 2010	2,011
