FINAL BILL STATUS REPORT

SIXTY-SECOND LEGISLATIVE ASSEMBLY

TUESDAY, JANUARY 4, 2011
THROUGH
THURSDAY, APRIL 28, 2011

LEGISLATIVE COUNCIL
STATE CAPITOL
BISMARCK, NORTH DAKOTA 58505

PREFACE

This is the final version of the computerized Bill Status and Subject Index used during the 2011 legislative session.

The 62nd Legislative Assembly met in regular session from Tuesday, January 4, 2011, through Thursday, April 28, 2011.

This book is not a substitute for the House and Senate journals and should not be considered a legal or official source for legislative action. It is simply an aid in discovering legislative action on bills and resolutions. The information in this report describes measures at various stages of the legislative process. The titles of bills in the Action Report are of measures as voted on in the house of origin. The Century Code Sections Affected Report identifies sections as introduced. The Subject Index entries refer to the measures as introduced.

There were 920 bills and resolutions introduced during the 2011 legislative session and 574 passed. Out of the total 920 bills and resolutions, there were 841 bills, 77 concurrent resolutions, and 2 memorial resolutions.

Of the 841 bills introduced, there were 472 introduced in the House and 369 introduced in the Senate. Of these, 514 bills passed: 272 House bills and 242 Senate bills. Thirty-six of the House concurrent resolutions and 22 of the Senate concurrent resolutions passed both houses. Both memorial resolutions (one House and one Senate) passed.

Of the 514 bills presented for his consideration, the Governor signed 514 bills into law. He vetoed two bills. The vetoes were line item vetoes that did not affect the entire bill. Thus, 514 bills will, or have, become law.

The "HJ" and "SJ" references in this report are to the pages in the House and Senate journals where a particular action can be found.
