Honorable Representative Jeff Delzer
Chairman
Interim Government Services Committee
c/o Brady A. Larson
ND Legislative Council
600 East Boulevard Avenue
Bismarck, ND 58505-0360

Dear Representative Delzer and members of the Government Services Committee:

During the last meeting of your committee I advised you that the city of Bismarck was willing to donate the necessary land for a relocation of the ND Highway Patrol Law Enforcement Training Academy. You asked whether or not the city would include a reversionary interest in the land in its grant.

At this time the City Commission has not reached this determination. The Commission has resolved to provide the land free of charge if the training academy were to be relocated. The city is willing to discuss the specific terms of a land donation when a definitive proposal for the training center is available for discussion.

I look forward to further discussion with you on this topic at your option.

Sincerely,
