8 1. "Agricultural property" means platted or unplatted lands used for raising agricultural
9 crops or grazing farm animals, except lands platted and assessed as agricultural
10 property prior to March 30, 1981, shall continue to be assessed as agricultural
11 property until put to a use other than raising agricultural crops or grazing farm animals.
12 Agricultural property includes land on which a greenhouse or other building is located
13 if the land is used for a nursery or other purpose associated with the operation of the

16 assessed as agricultural property if the property otherwise qualifies under this
17 subsection.

18 a. Property platted on or after March 30, 1981, is not agricultural property when any
19 four of the following conditions exist:

21 ~~b.~~(2) Public improvements, including sewer, water, or streets, are in place.

22 ~~c.~~(3) Topsoil is removed or topography is disturbed to the extent that the property
23 cannot be used to raise crops or graze farm animals.

f.~~(6)~~ The parcel is less than ten acres [4.05 hectares] and not contiguous to agricultural property.

g.~~(7)~~ The property sells for more than four times the county average true and full agricultural value.

b. Lands assessed as agricultural property until put to use for extraction of oil, natural gas, potash, or uranium must continue to be assessed as agricultural property if:

(1) The surface owner does not own any of the mineral rights underlying the property for oil, natural gas, potash, or uranium; and

(2) The remainder of the surface owner's parcel of property on which the subsurface mineral activity is occurring continues to qualify for assessment as agricultural property under this subsection.

SECTION 2. EFFECTIVE DATE. This Act is effective for taxable years beginning after December 31, 2010.
