1 A BILL for an Act to create and enact a new section to chapter 15-10 of the North Dakota
2 Century Code, relating to the use of state dollars to support nonresident students.

3 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

4 **SECTION 1.** A new section to chapter 15-10 of the North Dakota Century Code is created
5 and enacted as follows:

6 **Nonresident students - Return of state dollars to general fund.**

- 7 1. For each institution under its control, the state board of higher education shall
8 determine the amount of state funding per student by dividing the number of full-time
9 equivalent students enrolled at the institution into the total amount of state
10 appropriations received by the institution.
- 11 2. The state board of higher education shall multiply the amount of state funding per
12 student at each institution, as determined under subsection 1, by the number of
13 full-time equivalent nonresident students enrolled at the institution. For purposes of
14 this subsection, a nonresident student does not include a student whose residency is
15 in a state that has entered a tuition reciprocity agreement with this state, provided the
16 student's residence is in a municipality that borders this state, as defined by the state
17 board of higher education.
- 18 3. Effective with the start of the 2011-12 school year, and each school year thereafter,
19 each institution shall pay back fifty percent of the amount determined under
20 subsection 2 to the state general fund for any newly enrolled nonresident students.
