2		into or live in temporary work camp housing unless the housing has a current limited		
3		certificate of inspection or has been found to meet all applicable codes and		
4		requirements by any code enforcement agency having jurisdiction.		
5	<u>2.</u>	The applicable codes, including the State Building Code, the State Electrical Code,		
6		and the State Plumbing Code, are applicable as a standard for liability in legal actions		
7		against owners or operators of temporary work camp housing if exemptions are		
8		granted. State and local government code enforcement agencies are not liable in		
9		damages in a civil action for injury, death, or loss to person or property allegedly		
10		caused by any act or omission of the code enforcement agency in connection with		
11		inspecting temporary work camp housing, pursuant to section 32-12.1-03 or		
12		<u>32-12.2-02.</u>		
13	<u>3.</u>	An owner of temporary work camp housing has the duty to remove that housing and		
14		all related above-grade and below-grade infrastructure within one hundred twenty		
15		days after the temporary work camp housing is vacated. Any city or county may abate		
16		any public nuisance caused by vacated temporary work camp housing within its		
17		jurisdiction. An owner of temporary work camp housing shall provide the city or county		
18		where the temporary work camp housing is installed with a surety bond, letter of credit,		
19		or other security instrument in the form and in an amount specified by the city or		
20		county. These funds must be used to cover actual expenses that may be incurred by		
21		the city or county in removal of the temporary work camp housing, including any		
22		above-grade or below-grade infrastructure. The owner is liable for any expenses that		
23		are reasonably incurred by the city or county which exceed the amount of the security.
