23        It is unlawful for any person to act as a debt-settlement provider except as authorized by  
24        this chapter and without first having obtained a license under this chapter. A person that  
25        engages in debt settlement is deemed to engage in debt settlement in this state if the debtor  
26        resides in this state.

27        **13-11-03. Application for license.**

28        Every application for a debt-settlement provider license, or for a renewal thereof, must be  
29        made upon forms designed and furnished by the commissioner and must contain any  
30        information which the commissioner determines necessary and proper. The commissioner may

1 require any application to provide additional information that is not requested on the application  
2 form. The applicant must register with the secretary of state if so required.

3 **13-11-04. Fee and bond to accompany application for debt-settlement license.**

4 The application for license must be in writing, under oath, and in the form prescribed by the  
5 commissioner. The application must give the location where the business is to be conducted  
6 and must contain any further information the commissioner requires, including the names and  
7 addresses of the partners, officers, directors, trustees, and the principal owners or members, as  
8 will provide the basis for the investigation and findings contemplated by section 13-11-03. At the  
9 time of making the application, the applicant shall include payment in the sum of four hundred  
10 dollars, which is not subject to refund, as a fee for investigating the application; the sum of four  
11 hundred dollars for the annual license fee; and provide a surety bond in the sum of fifty  
12 thousand dollars or an additional amount as required by the commissioner by rule. In addition,  
13 the applicant shall pay a fifty dollar annual fee for each branch location. Fees must be deposited  
14 in the financial institutions regulatory fund as provided under section 6-01-01.1.

15 **13-11-05. Qualifications for license.**

16 1. Upon the filing of the application, the approval of the bond, and the payment of the  
17 specified fees, the commissioner may issue a license if the commissioner finds all of  
18 the following:

19 a. The financial responsibility, experience, character, and general fitness of the  
20 applicant, managers, partners, officers, and directors are such as to command  
21 the confidence of the community and to warrant belief that the business will be  
22 operated fairly, honestly, and efficiently within the purposes of this chapter.

23 b. The applicant, managers, partners, officers, and directors ~~have not been~~  
24 ~~convicted of a felony or a misdemeanor or are not currently the subject of a~~  
25 ~~license disciplinary proceeding concerning allegations involving dishonesty or~~  
26 ~~untrustworthiness.:~~

27 (1) Have not been convicted of a felony;

28 (2) Have not been convicted of a misdemeanor involving dishonesty or  
29 untrustworthiness; or

1 (3) Have not been the subject of an adverse finding or adjudication in a license  
2 disciplinary or other administrative proceeding concerning allegations  
3 involving dishonesty or untrustworthiness.

4 c. The applicant, managers, partners, officers, and directors have not had a record  
5 of having defaulted in the payment of money collected for others, including the  
6 discharge of those debts through bankruptcy proceedings.

7 d. The applicant or any managers, partners, officers, and directors previously have  
8 not violated any provision of this chapter or any rule adopted by the  
9 commissioner unless the commissioner determines the violation is not material.

10 e. The applicant has not made any false statement or representation to the  
11 commissioner in applying for a license under this chapter.

12 2. The commissioner shall deliver a license to the applicant to operate as a  
13 debt-settlement provider in accordance with this chapter at the location specified in the  
14 application. The license remains in full force and effect until it is surrendered by the  
15 debt-settlement provider or revoked by the commissioner as provided in this chapter;  
16 provided, however, that each license expires by its terms on December thirty-first next  
17 following its issuance unless renewed as provided in this chapter. A license may not be  
18 surrendered without the approval of the commissioner.

19 **13-11-06. Expiration and renewal of license.**

20 All licenses required under this chapter expire on December thirty-first of each year and  
21 may be renewed. Renewals are effective the succeeding January first. Applications for renewal  
22 must be submitted at least thirty days before the expiration of the license and must be  
23 accompanied by the required annual fees, which are not subject to refund. The form and  
24 content of renewal applications must be determined by the commissioner, and a renewal  
25 application may be denied upon the same grounds as would justify denial of an initial  
26 application. If a licensee has been delinquent in renewing the licensee's license, the  
27 commissioner may charge an additional fee of fifty dollars for the renewal of the license. A  
28 debt-settlement provider license is not transferable. If the commissioner determines that an  
29 ownership change has occurred in a sole proprietorship, partnership, limited liability partnership,  
30 corporation, or limited liability corporation that was previously granted a debt-settlement  
31 provider license, the commissioner may require a new application from the purchaser. The

1 application must be filed at least thirty days before the date on which the change of ownership  
2 is consummated.

3 **13-11-07. Applicant's obligation to update information.**

4 An applicant or licensed provider shall notify the commissioner within ten days after a  
5 change in the information provided within the application.

6 **13-11-08. Records - Annual reports.**

- 7 1. Every licensee shall maintain records in conformity with generally accepted accounting  
8 principles and practices in a manner that will enable the commissioner to determine  
9 whether the licensee is complying with this chapter. The records of a licensee may be  
10 maintained electronically provided all records can be reproduced upon request of the  
11 commissioner and within the required statutory timeframe outlined in this section.  
12 2. Before August first of each year, the parent company of each licensee shall file with  
13 the commissioner a composite annual report in the form prescribed by the  
14 commissioner relating to services provided by licensees.

15 **13-11-09. Approval or denial of a license.**

16 Any complete application for a license must be approved or denied within sixty days after  
17 the filing of the complete application with the commissioner.

18 **13-11-10. Revocation of license - Suspension of license - Surrender of license.**

- 19 1. If the commissioner has reason to believe that grounds for revocation of a license  
20 exist, the commissioner may send by certified mail to the licensee a notice of hearing  
21 stating the contemplated action and in general the grounds thereof and setting the  
22 time and place for a hearing thereon. Grounds for revocation of a license include:  
23 a. Any debt-settlement provider has failed to pay the annual license fee or to  
24 maintain in effect the bond required under this chapter;  
25 b. The debt-settlement provider has violated this chapter or any rule lawfully made  
26 by the commissioner implementing this chapter;  
27 c. Any fact or condition exists that, if it had existed at the time of the original  
28 application for a license, would have warranted the commissioner in refusing its  
29 issuance; or  
30 d. Any applicant has made any false statement or representation to the  
31 commissioner in applying for a license under this chapter.

- 1       2. If the commissioner finds that probable cause for revocation of any license exists and  
2       that enforcement of the chapter requires immediate suspension of that license pending  
3       investigation, the commissioner, upon written notice, may enter an order suspending  
4       that license for a period not exceeding thirty days, pending the holding of a hearing as  
5       prescribed in this chapter.
- 6       3. Any licensee may surrender the licensee's license by delivering the license to the  
7       commissioner with written notice of its surrender; however, surrender of the license  
8       does not affect the licensee's civil or criminal liability for acts committed before the  
9       surrender of the license.

10       **13-11-11. Suspension and removal of debt-settlement provider officers and**  
11 **employees.**

- 12       1. The commissioner may issue and serve upon a debt-settlement provider officer or  
13       employee, and upon the licensee involved, a complaint stating the basis for the  
14       commissioner's belief that the officer or employee is willfully engaging or has willfully  
15       engaged in any of the following conduct:
- 16       a. Violating a law, rule, order, or written agreement with the commissioner;  
17       b. Engaging in harassment or abuse, the making of false or misleading  
18       representations, engaging in unfair practices involving debt settlement, or  
19       engaging in prohibited acts and practices under section 13-11-23; or  
20       c. Performing an act of commission or omission or practice that is a breach of trust  
21       or a breach of fiduciary duty.
- 22       2. The complaint must contain a notice of opportunity for hearing.
- 23       3. If a hearing is not requested within twenty days of the date the complaint is served  
24       upon the officer or employee, or if a hearing is held and the commissioner finds that  
25       the record so warrants, the commissioner may enter an order suspending or  
26       temporarily removing the employee or officer from office for a period not exceeding  
27       three years from the effective date of the suspension or temporary removal.
- 28       4. A contested or default suspension or temporary removal order is effective immediately  
29       upon service of the order on the officer or employee and upon the licensee. A consent  
30       order is effective as agreed. An officer or employee suspended or temporarily removed

1 from office pursuant to this section is not eligible, while under suspension, for  
2 reinstatement to a position with a debt-settlement provider.

3 5. When an officer or employee, or other person participating in the conduct of the affairs  
4 of a licensee, is charged with a felony in state or federal court which involves  
5 dishonesty or breach of trust, the commissioner immediately may suspend the person  
6 from office or prohibit the person from further participation in the affairs of the  
7 debt-settlement provider, or both. The order is effective immediately upon service of  
8 the order on the licensee and the person charged and remains in effect until the  
9 criminal charge is finally disposed of or until modified by the commissioner. If a  
10 judgment of conviction, federal pretrial diversion, or similar state order or judgment is  
11 entered, the commissioner may order that the suspension or prohibition be made  
12 permanent. A finding of not guilty or other disposition of the charge does not preclude  
13 the commissioner from pursuing administrative or civil remedies.

14 **13-11-12. Advertising and marketing practices.**

- 15 1. A debt-settlement provider may not represent, expressly or by implication, any results  
16 or outcomes of its debt-settlement services in any advertising, marketing, or other  
17 communication to consumers unless the debt-settlement provider possesses  
18 substantiation for the representation at the time the representation is made.
- 19 2. A debt-settlement provider may not make, expressly or by implication, any unfair or  
20 deceptive representations, or any omissions of material facts, in any of its advertising  
21 or marketing communications concerning debt-settlement services.
- 22 3. All advertising and marketing communications concerning debt-settlement services  
23 must disclose the following material information clearly and conspicuously:  
24 Debt-settlement services are not appropriate for everyone. Failure to pay your monthly  
25 bills in a timely manner will result in increased balances and will harm your credit  
26 rating. Not all creditors may agree to reduce principal balance, and they may pursue  
27 collection, including lawsuits.

28 **13-11-13. Contracts, books, and records.**

- 29 1. Upon request, each debt-settlement provider shall furnish to the commissioner a copy  
30 of the contract entered between the debt-settlement provider and the debtor. The  
31 debt-settlement provider shall furnish the debtor with a copy of the written contract at

1           the time of execution which sets forth the charges, if any, agreed upon for the services  
2           of the debt-settlement provider.

3           2. Each debt-settlement provider shall maintain records and accounts that will enable  
4           any debtor contracting with the debt-settlement provider, at any reasonable time, to  
5           ascertain the status of all the debtor's accounts with the debt-settlement service  
6           provider, including the amount of any fees paid by the debtor, amount held in trust, if  
7           applicable, settlement offers made and received on each of the debtor's accounts, and  
8           legally enforceable settlements reached with the debtor's creditors. Within seven days  
9           after a request for that information by the debtor, the debt-settlement provider shall  
10           furnish a statement showing the total amount received and the total disbursements to  
11           each creditor to any individual. Each debt-settlement provider shall issue a receipt for  
12           each payment made by the debtor at a debt-settlement provider office. Each  
13           debt-settlement provider shall prepare and retain in the file of each debtor a written  
14           analysis of the debtor's income and expenses to substantiate that the plan of payment  
15           is feasible and practical.

16           **13-11-14. Trust funds - Requirements and restrictions.**

17           1. All funds received by a debt-settlement provider or the provider's agent from and for  
18           the purpose of paying bills, invoices, or accounts of a debtor constitute trust funds  
19           owned by and belonging to the debtor from whom the funds were received. All such  
20           funds received by the debt-settlement provider must be separated from the funds of  
21           the debt-settlement provider not later than the end of the business day following  
22           receipt by the debt-settlement provider. All such funds must be kept separate and  
23           apart at all times from funds belonging to the debt-settlement provider or any of its  
24           officers, employees, or agents and may be used for no purpose other than paying bills,  
25           invoices, or accounts of the debtor. On or before the close of the business day  
26           following receipt, all such trust funds received at the main or branch offices of a  
27           debt-settlement provider must be deposited in a bank in an account in the name of the  
28           debt-settlement provider-designated trust account, or by some other appropriate name  
29           indicating that the funds are not the funds of the debt-settlement provider or its

26          debt, the debt-settlement provider is not entitled to any settlement fee.

27          4. A debt-settlement provider may not collect any settlement fee from a consumer until a  
28          creditor enters into a legally enforceable agreement to accept funds in a specific dollar  
29          amount as full and complete satisfaction of the creditor's claim with regard to that debt

27           customer, unless neither the provider nor the person making the referral  
28           communicates to the prospective customer the identity of the source of the

30           h. Receive a bonus, commission, or other benefit for referring an individual to a  
31           person;

4           amount of the debt;
- 5           j. Compensate the provider's employees on the basis of a formula that incorporates  
6           the number of individuals the employee induces to enter contracts;
- 7           k. Settle a debt or lead an individual to believe that a payment to a creditor is in  
8           settlement of a debt to the creditor unless, at the time of settlement, the individual  
9           receives a certification by the creditor that the payment is in full settlement of the  
10          debt or is part of a payment plan, the terms of which are included in the  
11          certification, that upon completion, will lead to full settlement of the debt;
- 12          l. Make a representation that:
- 13           (1) The provider will furnish money to pay bills or prevent attachments;
- 14           (2) Payment of a certain amount will permit satisfaction of a certain amount or

17           attachment, repossession, foreclosure, eviction, or loss of employment;
- 18          m. Misrepresent that the provider is authorized or competent to furnish legal advice  
19          or perform legal services;
- 20          n. Represent that it is a not-for-profit entity unless the provider is organized and  
21          properly operating as a not-for-profit under the law of the state in which it was  
22          formed or that it is a tax-exempt entity unless the provider has received  
23          certification of tax-exempt status from the internal revenue service;
- 24          o. Take a confession of judgment or power of attorney to confess judgment against  
25          an individual; or
- 26          p. Employ an unfair, unconscionable, or deceptive act or practice, including the  
27          knowing omission of any material information.

7                 the services provided to the individual;

12                 cooperation of the creditor in a plan; or
- 13           (3) The extent necessary to administer the plan;
- 14           f. Except as otherwise provided in section 13-11-21, provide the individual less than  
15                 the full benefit of a compromise of a debt arranged by the provider;
- 16           g. Charge the individual for or provide credit or other insurance, coupons for goods  
17                 or services, membership in a club, access to computers or the internet, or any  
18                 other matter not directly related to debt-management services or educational  
19                 services concerning personal finance; or
- 20           h. Furnish legal advice or perform legal services, unless the person furnishing that  
21                 advice to or performing those services for the individual is licensed to practice  
22                 law in this state.
- 23           3. This chapter does not authorize any person to engage in the practice of law.
- 24           4. A provider may not receive a gift or bonus, premium, reward, or other compensation,  
25                 directly or indirectly, for advising, arranging, or assisting an individual in connection  
26                 with obtaining an extension of credit or other service from a lender or service provider,  
27                 except for educational or counseling services required in connection with a  
28                 government-sponsored program.
- 29           5. Unless a person supplies goods, services, or facilities generally and supplies them to  
30                 the provider at a cost no greater than the cost the person generally charges to others,  
31                 a provider may not purchase goods, services, or facilities from the person if an

1           employee or a person that the provider should reasonably know is an affiliate of the  
2           provider:

- 3           a.   Owns more than ten percent of the person; or  
4           b.   Is an employee or affiliate of the person.

5           **13-11-24. Notice of litigation.**

6           Within thirty days after a provider has been served with notice of a civil action for violation of  
7           this chapter by or on behalf of an individual who resides in this state at either the time of a  
8           contract or the time the notice is served, the provider shall notify the commissioner in a record  
9           that it has been sued.

10          **13-11-25. Liability for the conduct of other persons.**

11          If a provider delegates any of its duties or obligations under a contract or this chapter to  
12          another person, including an independent contractor, the provider is liable for conduct of the  
13          person which, if done by the provider, would violate the contract or this chapter.

14          **13-11-26. Powers of the commissioner.**

15          Insofar as consistent with other provisions of law, the commissioner may:

- 16          1.   Determine the qualifications of all applicants based on financial responsibility, financial  
17          condition, business experience, character, and general fitness which must reasonably  
18          warrant the belief that the applicant's business will be conducted lawfully and fairly. In  
19          determining whether this qualification is met, and for the purpose of investigating  
20          compliance with this chapter, the commissioner may review and consider the relevant  
21          business records and capital adequacy of the applicant and the competence,  
22          experience, integrity, and financial ability of a person who is a member, partner,  
23          director, officer, or twenty-five percent or more shareholder of the applicant.  
24          2.   Conduct investigations and make an examination of any person, whether licensed or  
25          not, who is engaged in the debt-settlement services business, including all records of  
26          such business, and to subpoena witnesses anytime the commissioner has reason to  
27          believe such is necessary. The licensee shall pay an examination or visitation fee and  
28          must be charged by the commissioner at an hourly rate to be set by the commissioner,  
29          sufficient to cover all reasonable expenses of the department associated with the  
30          examination or visitation provided for by this section. Fees must be deposited in the  
31          financial institutions regulatory fund.

- 1       3. Issue and serve upon any person or licensed debt-settlement provider an order to  
2       cease and desist to take corrective action when the commissioner has reason to  
3       believe the person or agency is violating, has violated, or is about to violate the  
4       provisions of this chapter. An interested party may appeal issuance of a cease and  
5       desist order under chapter 28-32 by filing written notice of appeal within twenty days  
6       after service of the order.
- 7       4. Deny, suspend, revoke, condition, or decline to renew a license for a violation of this  
8       chapter, rules or regulations issued under this chapter, or an order or directive entered  
9       under this chapter.
- 10      5. Deny, suspend, revoke, condition, or decline to renew a license if an applicant or
