- **SECTION 5. LEGISLATIVE MANAGEMENT STUDY.** During the 2011-12 interim, the legislative management shall consider studying primacy in the administration of federal environmental protection agency regulations.
- **SECTION 6. APPROPRIATION.** In addition to the amount appropriated to the housing finance agency in subdivision 5 of section 1 of this Act, there is appropriated any additional income or unanticipated income from federal or other funds which may become available to the agency for the biennium beginning July 1, 2011, and ending June 30, 2013.
- **SECTION 7. APPROPRIATION EMERGENCY COMMISSION APPROVAL.** In addition to the amount appropriated to the state industrial commission in subdivision 1 of section 1 of this Act, there is appropriated, with the approval of the emergency commission, funds that may become available to the commission from bonds authorized by law to be issued by the state industrial commission for the biennium beginning July 1, 2011, and ending June 30, 2013.
- SECTION 8. CONTINGENT DEPARTMENT OF MINERAL RESOURCES FUNDING PERMANENT OIL TAX TRUST FUND EMERGENCY COMMISSION APPROVAL. Of the funds appropriated in the mineral resources contingency line item in subdivision 1 of section 1 of this Act, \$743,972 is from the permanent oil tax trust fund. If funds are required due to the drilling rig count exceeding one hundred eighty for at least thirty consecutive days, the oil and gas division may spend up to \$192,393 of these funds and hire one full-time equivalent position, upon emergency commission approval, and further if funds are required due to the drilling rig count exceeding one hundred ninety for at least thirty consecutive days, the oil and gas division may spend up to an additional \$192,393 of

these funds and hire one full-time equivalent position, upon emergency commission approval. If funds are required due to the total number of oil wells in the state exceeding nine thousand three hundred, the oil and gas division may spend up to \$359,186 and hire two full-time equivalent positions, upon emergency commission approval.

SECTION 9. TRANSFER. The sum of \$488,211, or so much of the sum as may be necessary, included in the special funds appropriation line item in subdivision 1 of section 1 of this Act, may be transferred from the entities within the control of the state industrial commission to the industrial commission fund for administrative services rendered by the commission. Transfers shall be made during the biennium beginning July 1, 2011, and ending June 30, 2013, upon order of the commission. Transfers from the student loan trust must be made to the extent permitted by sections 54-17-24 and 54-17-25.

SECTION 10. APPROPRIATION - TRANSFER. The funds appropriated in subdivision 3 of section 1 of this Act must be transferred by the Bank of North Dakota to the partnership in assisting community expansion fund; the agriculture partnership in assisting community expansion fund; the beginning farmer revolving loan fund; and the biofuels partnership in assisting community expansion fund. The Bank of North Dakota may not be construed to be a general fund agency because of the appropriation made by subsection 3 of section 1 of this Act.

SECTION 11. LIGNITE RESEARCH, DEVELOPMENT, AND MARKETING PROGRAM -APPROPRIATION - LIGNITE MARKETING FEASIBILITY STUDY. The amount of \$1,500,000, or so much of the amount as may be necessary, included in the grants and special funds appropriation line item in subdivision 1 of section 1 of this Act, is appropriated from the lignite research fund for the purpose of contracting for an independent, nonmatching lignite marketing feasibility study or studies that determine those focused priority areas where near-term, market-driven projects, activities, or processes will generate matching private industry investment and have the most potential of preserving existing lignite production and industry jobs or that will lead to increased development of lignite and its products and create new lignite industry jobs and economic growth for the general welfare of this state. Moneys appropriated pursuant to this section may also be used for the purpose of contracting for nonmatching studies and activities in support of the lignite vision 21 program; for litigation that may be necessary to protect and promote the continued development of lignite resources; for nonmatching externality studies and activities in externality proceedings; or other marketing, environmental, or transmission activities that assist with marketing of lignite-based electricity and lignite-based byproducts. Moneys not needed for the purposes stated in this section are available to the commission for funding projects, processes, or activities under the lignite research, development, and marketing program.

SECTION 12. LEGISLATIVE INTENT - CORE LIBRARY HOUSING. It is the intent of the sixty-second legislative assembly that the industrial commission not construct a new building for the expansion for the core library. If the existing location of the core library does not have sufficient space, the industrial commission may relocate parts or all of the library to an existing state-owned facility.
