¹Funding is added due to a calculation error in the executive compensation package.

²This amendment adjusts the state employee compensation and benefits package as follows:

- Reduces the performance component from 3 to 5 percent per year to 2 to 4 percent year.
- Reduces the market component from 2 to 4 percent per year for employees below the midpoint of their salary range to up to 2 percent for employees in the first quartile of their salary range for the first year of the biennium only.
- Removes funding for additional retirement contribution increases.

³A portion of salaries and wages funding from the general fund (\$185,972) and from other funds (\$25,360) for permanent employees compensation and benefits is reallocated to an accrued leave payments line item for paying annual leave and sick leave for eligible employees.

⁴Funding is added to the cultural heritage grants line to provide a total of \$654,500. The executive budget recommendation included \$504,500 for cultural heritage grants.

⁵Funding included in the executive budget for compensation or housing allowances for employees in oil-impacted areas is removed.

⁶Funding included in the executive budget for traveling exhibits is removed.

⁷This amendment reduces funding included in the executive budget for historic site exhibits from \$65,000 to \$50,000.

⁸This amendment removes the technology coordinator position included in the executive budget.

⁹This amendment reduces funding included in the executive budget for the state's 125th celebration from \$150,000 to \$100,000.

This amendment removes Section 5 of the bill which provides for deposit in the department's revolving fund any unspent funds provided for traveling exhibits to be used in the 2015-17 biennium.

¹ Funding is added due to a calculation error in the executive compensation package.

² This amendment adjusts the state employee compensation and benefits package as follows:

- Reduces the performance component from 3 to 5 percent per year to 2 to 4 percent per year.
- Reduces the market component from 2 to 4 percent per year for employees below the midpoint of their salary range to up to 2 percent for employees in the first quartile of their salary range for the first year of the biennium only.
- Removes funding for additional retirement contribution increases.

³ A portion of salaries and wages funding from the general fund (\$835,225) and from other funds (\$222,022) for permanent employees' compensation and benefits is reallocated to an accrued leave payments line item for paying annual leave and sick leave for eligible employees.

⁴ This amendment removes a .5 FTE position for processing concealed weapons permits. The executive budget recommendation added 2 FTE positions for this purpose, of which 1.5 were previously paid for with federal funds related to the National Instant Check system (NICS).

⁵ This amendment removes 2 FTE criminal investigator and 1 FTE administrative assistant positions and related operating and motor vehicle expenses added in the executive budget recommendation for law enforcement activities in western North Dakota.

⁶ This amendment removes 1 FTE administrative assistant position and related operating expenses for the Uniform Crime Reporting system added in the executive budget.

⁷ This amendment removes 1 FTE attorney position and related operating expenses added in the executive budget to review mineral leases and other legal information relating to the Department of Trust Lands.

⁸ This amendment removes 1 FTE organized crime investigator position and related operating and motor vehicle expenses added in the executive budget.

⁹ Funding included in the executive budget recommendation for salary add-ons and housing assistance for employees in oil-impacted areas is removed.

This amendment also:

- Amends Section 54-59-22 to remove the exemption for the Attorney General, the Public Employees Retirement System, and the Retirement and Investment Office from the use of information technology services of the Information Technology Department.
- Changes Section 4 of the bill to reflect the Attorney General salary increases at 3 percent for each year of the biennium rather than 4 percent each year as included in the executive budget.

"SECTION 8.

Review and limitation.

Intermediate care facility providers shall submit all facility construction or remodeling proposals to the department of human services prior to enactment of a contract for the completion of the project. The department of human services shall review all intermediate care facility construction or remodeling proposals and may limit allowable construction and remodeling costs to ensure the costs are reasonable and appropriate.

SECTION 9.

Personal needs allowance adjustments.

As of June thirtieth at the end of each biennium, the department of human services shall determine an adjustment for each category of personal needs allowance based on the consumer price index for urban consumers for the previous twelve months. The department of human services shall adjust the personal needs allowance, rounded to the nearest whole dollar, based on its determination on January first of the following year. If the consumer price index is a negative factor, the personal needs allowance may not be changed.

SECTION 10. GRANT TO ASSISTED LIVING CENTER - LIMITATION. The sum of \$425,000, or so much of the sum as may be necessary, included in the grants - medical assistance line item in subdivision 2 of section 1 of this Act, is to provide a grant to an assisted living center that accepts low-income tenants for an expansion project. This funding may not be spent for any other purpose if the expansion project has not begun by July 1, 2015.

SECTION 11. GRANTS. The grants line item in subdivision 2 of section 1 of this Act includes \$150,000, or so much of the sum as may be necessary, from the general fund for grants to a jurisdiction that is adjacent to an Indian reservation but does not receive reimbursement payments under section 50-01.2-03.2 and is determined by the department of human services to be the most significantly impacted based on calendar year 2011 data considering the provisions of subsection 2 of section 50-01.2-03.2, for the biennium beginning July 1, 2013, and ending June 30, 2015.

SECTION 12. AUTHORIZATION - GRANTS FOR ADAPTIVE SKIING. The grants - medical assistance line item in subdivision 2 of section 1 of this Act includes \$200,000 from the general fund for grants for an adaptive skiing program, for the biennium beginning July 1, 2013, and ending June 30, 2015. Of the funding provided, \$120,000 of the amount may be used for a project coordinator and the remaining amount may be used for any equipment necessary for the adaptive skiing program.

SECTION 13. LEGISLATIVE MANAGEMENT STUDY - DEVELOPMENTAL CENTER. The legislative management shall consider studying, during the 2013-14 interim, the developmental center in Grafton. If conducted, the study must determine future use, reduction in size, and any change of scope for the developmental center. The study must consider information from local community groups that have concerns or ideas for the future use of the developmental center. The legislative management shall report its findings and recommendations, along with any legislation required to implement the recommendations, to the sixty-fourth legislative assembly.

SECTION 14. LEGISLATIVE INTENT - DEMOLITION OF DEVELOPMENTAL CENTER BUILDINGS. It is the intent of the sixty-third legislative assembly that the department of human services demolish the refectory and pleasant view buildings at the developmental center at westwood park, Grafton. If the amount of \$220,000

included in the developmental center line item in subdivision 3 of section 1 of this Act is insufficient to provide for the demolition of both buildings, the department of human services may request emergency commission approval for additional funding from the state contingencies appropriation."

¹ Funding is added due to a calculation error in the executive compensation package.

² This amendment adjusts the state employee compensation and benefits package as follows:

- Reduces the performance component from 3 to 5 percent per year to 2 to 4 percent per year.
- Reduces the market component from 2 to 4 percent per year for employees below the midpoint of their salary range to up to 2 percent for employees in the first quartile of their salary range for the first year of the biennium only.
- Removes funding for additional retirement contribution increases.

³ A portion of salaries and wages funding from the general fund (\$232,991) and from other funds (\$579,107) for permanent employees' compensation and benefits is reallocated to an accrued leave payments line item for paying annual leave and sick leave for eligible employees.

This amendment also:

- Adds a section to allow the Adjutant General to transfer funds between subdivisions in Section 1 of the bill as it relates to the state employee compensation package.
- Removes Section 9 of the bill which provides statutory changes to the uses of the state disaster relief fund.

The city of Fargo, Cass County, and the Cass County joint water resource district must approve any expenditures made under this section. ~~Costs incurred by nonstate entities for dwellings or other real property that are not paid by state funds are eligible for application by the nonstate entity for cost sharing with the state.~~

SECTION 8. FARGO FLOOD CONTROL PROJECT FUNDING - EXEMPTION. Of the funds appropriated in the water and atmospheric resources line item in section 1 of this Act, \$100,000,000 is for Fargo flood control projects, for the biennium beginning July 1, 2013, and ending June 30, 2015. Any funds not spent by June 30, 2015, are not subject to section 54-44.1-11 and must be continued into the next or subsequent bienniums and may be expended only for Fargo flood control projects. Except as otherwise provided, these funds may be used only for land purchases and construction, including right-of-way acquisition costs and may not be used for the purchase of dwellings or for a river diversion project. Notwithstanding any other provision of law, including a political subdivision home rule charter, no public funds may be used for the construction of ring dikes or water retention structures associated with the Fargo flood control project. No more than ten percent of these funds may be used for engineering, legal, planning, or other similar

purposes. The city of Fargo, Cass County, and the Cass County joint water resource district must approve any expenditures made under this section.

SECTION 9. LEGISLATIVE INTENT - FARGO FLOOD CONTROL

PROJECT FUNDING. It is the intent of the sixty-third legislative assembly that total Fargo flood control project funding to be provided by the state not exceed \$325,000,000 to provide flood protection for the city of Fargo to the forty-two and one-half foot level, and to provide, to the extent possible, flood protection for areas along the Red River north and south of Fargo. It is further the intent of the legislative assembly that funds appropriated by the legislative assembly for Fargo flood control not be used for a river diversion flood control project.

SECTION 10. LEGISLATIVE INTENT - RED RIVER VALLEY WATER

SUPPLY. Of the funds appropriated in the water and atmospheric resources line item in section 1 of this Act, \$11,000,000 is for the Red River valley water supply project, for the biennium beginning July 1, 2013, and ending June 30, 2015."

Page 3, after line 6, insert:

"SECTION 12. STATE WATER COMMISSION STUDY - FARGO FLOOD

CONTROL. During the 2013-14 interim, the state water commission shall study the use of ring dikes as part of a flood protection plan for the city of Fargo. The study must include the effects of ring dikes in the Fargo area on flood protection for areas north and south of Fargo. The state water commission shall provide periodic reports to the legislative management on the findings resulting from the study.

SECTION 13. STATE WATER COMMISSION STUDY - RED RIVER

VALLEY WATER SUPPLY. During the 2013-14 interim, the state water commission shall study water supply needs in the Red River valley, including projected costs of projects to meet water supply needs and the potential state commitment to supply water to the Red River valley. The state water commission shall provide periodic reports to the legislative management on the findings resulting from the study.

SECTION 14. INFORMATION TECHNOLOGY HARDWARE - TRANSFER

TO SECURE DATA CENTER. The state water commission shall transfer all appropriate information technology hardware to the information technology department secure data center during the biennium beginning July 1, 2013, and ending June 30, 2015.

SECTION 15. STATE WATER COMMISSION PRIORITY PROJECTS LIST - REPORTS TO THE BUDGET SECTION. The state water commission shall report to the budget section any changes made to the state water commission priority projects list presented to the sixty-third legislative assembly within ninety days of the state water commission approving the change for the biennium beginning July 1, 2013, and ending June 30, 2015."

"SECTION 17. AMENDMENT. Section 54-35-02.7 of the North Dakota Century Code is amended and reenacted as follows:

54-35-02.7. (Effective through November 30, 2013~~2014~~) Water-related topics overview committee - Duties.

The legislative management, during each interim, shall appoint a water-related topics overview committee in the same manner as the legislative management appoints other interim committees. The committee must meet quarterly and is responsible for legislative overview of water-related topics and related matters and for any necessary discussions with adjacent states on water-related topics. ~~During the 2011-12 interim, the~~ The committee shall review the state's irrigation laws and rules and evaluate the process of the prioritization of water projects and prepare a schedule of priorities with respect to water projects. The state water commission and state engineer shall assist the committee in developing the schedule of priorities. The committee consists of ~~thirteen~~seventeen members and the legislative management shall designate the chairman of the committee. The committee shall

operate according to the statutes and procedure governing the operation of other legislative management interim committees and include the schedule of priorities with its final report to the legislative management.

(Effective after November 30, 20132014) Garrison diversion overview.

The legislative management is responsible for legislative overview of the Garrison diversion project and related matters and for any necessary discussions with adjacent states on water-related topics.

SECTION 18. A new section to chapter 61-02 of the North Dakota Century Code is created and enacted as follows:

State water commission - Project development and financing.

The state water commission shall adopt policies regarding the development and financing of projects as follows:

1. Municipal project funding and financing, including water treatment plants. The state water commission shall develop and adopt policies relating to the circumstances under which a project qualifies for a grant and when the project qualifies for a loan.
2. Pipelines. The state water commission shall develop and adopt policies relating to:
 - a. Pipeline expansion;
 - b. Public and industrial use of water;
 - c. Cost analyses of future project development; and
 - d. Ongoing maintenance cost of current and future projects.
3. Technology. The state water commission shall develop and adopt policies relating to the use of technology, including the use of technology for permitting and electronic metering."

¹Funding is added due to a calculation error in the executive compensation package.

²This amendment adjusts the state employee compensation and benefits package as follows:

- Reduces the performance component from 3 to 5 percent per year to 2 to 4 percent per year.
- Reduces the market component from 2 to 4 percent per year for employees below the midpoint of their salary range to up to 2 percent for employees in the first quartile of their salary range for the first year of the biennium only.
- Removes funding for additional retirement contribution increases.

³A portion of administrative and support services line funding from the general fund (\$49,192) and a portion of the water and atmospheric resources line from the general fund (\$225,468) and from other funds (\$51,114) for permanent employees' compensation and benefits is reallocated to an accrued leave payments line item for paying annual leave and sick leave for eligible employees.

⁴This amendment removes funding from the general fund and provides funding for the operations of the State Water Commission from the resources trust fund.

In addition, this amendment:

- Adds sections to the bill to amend 2011 Session Laws and 2009 Session Laws, previously amended in 2011, related to Fargo flood control funding. The amendments change legislative guidelines for Fargo flood control project expenditures.
- Adds sections to the bill to provide that of the funds appropriated to the State Water Commission for grants and projects for the 2013-15 biennium, \$11 million is for the Red River Valley Water Supply Project and \$100 million is for Fargo flood control projects and that total Fargo flood control project funding to be provided by the state not exceed \$325 million.
- Adds sections to the bill directing the State Water Commission to study the use of ring dikes as part of a flood protection plan for the city of Fargo and water supply needs in the Red River Valley.
- Requires the State Water Commission to adopt policies regarding project development and financing.
- Increases the membership of the Water-Related Topics Overview Committee and directs the committee to prepare a water project priority schedule to be included in the committee's final report to the Legislative Management.

- Requires the State Water Commission to move information technology hardware to the Information Technology Department secure data center.
- Requires the State Water Commission to report to the Budget Section within 90 days of any changes made to the water project priority list presented to the 2013 Legislative Assembly.
- Requires Budget Section approval prior to spending any additional funds that may become available in the resources trust fund or water development trust fund during the 2013-15 biennium.
