7 The governing board of any occupational or professional board shall provide for an audit

16 the state auditor. The report must contain the information required by the state auditor. The  
17 state auditor also may make any additional examination or audit determined necessary in  
18 addition to the annual report. When a report is not filed, the state auditor may charge the  
19 occupational or professional board an amount equal to the fair value of the additional  
20 examination or audit and any other services rendered. The state auditor may charge an  
21 occupational or professional board a fee not to exceed fifty dollars an hour for the costs of
