3 credit equal to a portion of a taxpayer's federal earned income credit; and to provide an effective  
4 date.

5 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

6 **SECTION 1.** A new section to chapter 57-38 of the North Dakota Century Code is created  
7 and enacted as follows:

8 **Earned income credit.**

9 1. A resident taxpayer is entitled to a credit against tax liability as determined under  
10 section 57-38-30.3 in the amount of ten percent of the amount of the earned income  
11 credit allowed against that taxpayer's federal income tax liability under section 32 of  
12 the Internal Revenue Code for the taxable year in which the credit was claimed  
13 against the taxpayer's federal income tax liability. The credit under this section must be  
14 allowed against the taxes imposed by this chapter for the taxable year reduced by the  
15 credits permitted by this chapter. If the amount of the credit allowed by this section  
16 exceeds the taxpayer's income tax liability under this chapter, the excess amount must  
17 be refunded to the taxpayer.

18 2. For a part-time resident taxpayer, the credit under this section must be allowed against  
19 the taxes determined under this chapter. However, the credit must be multiplied by a  
20 fraction, the numerator of which is federal adjusted gross income for the period of  
21 residence and the denominator of which is federal adjusted gross income for the  
22 taxable year.

23 ~~3. On an annual basis, the tax commissioner shall alert those resident taxpayers who~~  
24 ~~may be eligible to receive the credit provided under this section as to the taxpayer's~~

~~potential eligibility. In making the determination of whether a taxpayer may be eligible for the credit, the tax commissioner shall use such data as may be appropriate and available, including data available from the United States department of the treasury, the internal revenue service, and state income tax returns. The tax commissioner shall include in the notification to potentially eligible taxpayers an application that the eligible taxpayer may use to determine eligibility and apply for the earned income credit under this section. The tax commissioner may require the eligible taxpayer to file a state income tax return to qualify for the earned income credit.~~

4.3. On an annual basis a date agreed to by the tax commissioner and the department of human services, the tax commissioner shall provide to the department of human services information regarding the expenditures from the state general fund for the refundable portion of the credit under this section. The department of human services may apply the determined expenditures from the state general fund under this section to count as temporary assistance for needy families block grant maintenance of effort requirement to the extent permitted by federal law.
