SECTION 6. STATE STUDENT INTERNSHIP PROGRAM. The human resources division of the office of management and budget may transfer to each eligible agency appropriated general fund spending authority from the state student internship program line item contained in section 1 of this Act.

SECTION 7. OFFICE OF MANAGEMENT AND BUDGET - TEMPORARY EMPLOYEE

HEALTH INSURANCE POOL. The office of management and budget may transfer to each eligible agency appropriation authority from the health insurance pool - temporary employees line item contained in section 1 of this Act. Transfers may be made for the purpose of providing temporary employee health insurance adjustments for state employees, including institutions of higher education, determined to be full-time based on guidelines developed by the office of management and budget in accordance with the shared responsibility provisions of the Affordable Care Act for the biennium beginning July 1, 2013, and ending June 30, 2015.

SECTION 7. FUNDING TRANSFERS - EXCEPTION - AUTHORIZATION. Notwithstanding section 54-16-04, agencies may transfer appropriation authority between line items, as it relates to compensation increases authorized in section 98 of this Act, for the biennium beginning July 1, 2013, and ending June 30, 2015. However, agencies may not transfer appropriation authority from the accrued leave payments line item under authority granted in this section. The agencies shall notify the office of management and budget of any transfer made pursuant to this section.

SECTION 8. STATE EMPLOYEE COMPENSATION ADJUSTMENTS - GUIDELINES. It is the intent of the sixty-third legislative assembly that 2013-15 biennium compensation adjustments for classified state employees are to be in a range of one to four percent for employees below the market policy point and in a range of three to five percent based on documented performance. Increases for classified state employees are not to be the same percentage increase for each employee. The market and performance increases are to be given beginning with the month of July 2013, to be paid in August 2013, and beginning with the month of July 2014.

Probationary employees are not entitled to the market and performance increases.

However, probationary employees may be given all or a portion of the increases effective in

- 1 July, paid in August, or upon completion of probation, at the discretion of the appointing 2 authority.
- 3 The office of management and budget shall develop guidelines for use by state agencies for providing compensation adjustments for regular classified employees. The guidelines must follow section 54-44.3-01.2, compensation philosophy statement, and the compensation system initiatives included in House Bill No. 1031, as approved by the sixty-second legislative 7 assembly.

Compensation adjustments for regular nonclassified state employees are to be in a range of three to five percent based on market and documented performance and are not to be the same percentage increase for each employee.

Employees whose overall documented performance level does not meet standards are not eligible for any salary increase.

SECTION 9. ACCRUED LEAVE PAYMENTS LINE ITEM - LINE ITEM TRANSFERS -

EMERGENCY COMMISSION APPROVAL. The accrued leave payments line item included in agency appropriation bills, as approved by the sixty-third legislative assembly, includes funding for paying accrued annual leave and sick leave for eligible employees resigning, retiring, or otherwise discontinuing employment with the agency. The emergency commission may approve agency requests for line item transfers from the accrued leave payments line item to the salaries and wages line item or other line item that includes salaries and wages funding subject to the agency providing documentation justifying the need for the funding transfer for the biennium beginning July 1, 2013, and ending June 30, 2015.

SECTION 10. AMENDMENT. Section 15.1-27-25 of the North Dakota Century Code is amended and reenacted as follows:

15.1-27-25. Royalties available under federal law - Distribution to counties and school districts - Continuing appropriation.

Any money paid to the state by the secretary of the treasury of the United States under the provisions of an Act of Congress entitled "An Act to promote the mining of coal, phosphate, oil, oil shale, gas, and sodium on the public domain" [Pub. L. 66-146; 41 Stat. 437; 30 U.S.C. 181 et seg.] must be credited to the state general fund and the federal mineral royalties distribution fund and must be distributed only pursuant to the terms of this section.

- Within three months following the calendar quarters ending in March, June,
 September, and December, the state auditor shall certify to the state treasurer the
 amount of money the state received during the preceding calendar quarter for royalties
 under the Act of Congress cited in subsection 1.
 - 3. The state treasurer shall allocate the percentage of the total moneys received as required by this section among the counties in which the minerals were produced based on the proportion each county's mineral royalty revenue bears to the total mineral royalty revenue received by the state for that calendar quarter. The state treasurer shall pay the amount calculated to each county.
 - 4. The counties may use any money received under this section only for the planning, construction, and maintenance of public facilities and the provision of public services. As used in this section, public facilities include any facility used primarily for public use as determined by the board of county commissioners whether located on public or private property.
 - 5. The percentage of money received by the state under the Act of Congress cited in subsection 1 which must be allocated and paid to the counties under this section is tenpercent for collections in 2000, twenty percent for collections in 2001, thirty percent for collections in 2002, forty percent for collections in 2003, and fifty percent for collections in 2004 and thereafter.
 - 6. Any remaining money received by the state under the Act of Congress cited in subsection 1 must be distributed to school districts as provided for in this chapter. Any moneys distributed under this subsection are deemed the first moneys withdrawn or expended from the general fund for the purpose of state aid to school districts.
 - 7. A reserve for distributions to counties pursuant to this section is created as a special fund in the state treasury known as the federal mineral royalties distribution fund. The state treasurer shall deposit in the fund fifty percent of amounts received pursuant to this section.
 - 8. The funds needed to make the distribution to counties, as provided for in this section, are hereby appropriated on a continuing basis.
- **SECTION 11. EMERGENCY.** Section 3 of this Act is declared to be an emergency measure.

available.

SECTION 11. A new subsection to section 54-44.1-18 of the North Dakota Century Code is created and enacted as follows:

The governing body of each political subdivision may submit the annual budget

adopted by the governing body to the director of the budget for inclusion in the state

internet link on which the annual budget adopted by the participating governing body is

budget database website. The director of the budget shall include in the budget database website any information submitted by any participating governing body of a political subdivision. The official who submits the annual budget to the director of the budget may not submit any information that is confidential under state or federal law. In lieu of submitting the annual budget adopted by the governing body to the director, any participating governing body may provide to the director a publicly accessible.

SECTION 12. LEGISLATIVE MANAGEMENT STUDY - STATE AGENCY FACILITY

NEEDS. During the 2013-14 interim, the legislative management shall study the facility needs of state agencies located in the Bismarck area, including an evaluation of current and projected facility needs of state agencies, facilities on the capitol grounds currently being used by state agencies, and facilities owned or leased by state agencies that are not located on the capitol grounds. As part of the study, the legislative management shall determine if additional facilities are needed for the operations of state agencies. If it is determined that additional space is needed, the legislative management shall review the most economical options for increasing the amount of facilities space available, including options for renovating or expanding existing buildings on the capitol grounds, options for constructing new buildings on the capitol grounds, and options for building or leasing facilities that are not located on the capitol grounds. The legislative management shall report its findings and recommendations, together with any legislation required to implement the recommendations, to the sixty-fourth legislative assembly.

SECTION 13. LEGISLATIVE MANAGEMENT STUDY - SALARIES AND WAGES

APPROPRIATIONS - CLASSIFICATION SYSTEM. The legislative management shall consider studying, during the 2013-14 interim, the process of appropriating funds for salaries and wages and the state's classification system. The study, if conducted, must consider the feasibility and desirability of appropriating a lump sum amount to each agency for salaries and wages, without identifying specific purposes for the funding and allowing the agency head the flexibility to use

the funding as necessary to accomplish the duties and responsibilities of the agency. The study
must also include the effect of this change on the state's classification and benefits system and
on the process of reporting by the agency on its use of the funds to the legislative assembly.
The legislative management shall report its findings and recommendations, together with any
legislation required to implement the recommendations, to the sixty-fourth legislative assembly.
SECTION 14. LEGISLATIVE MANAGEMENT STUDY - STATE EMPLOYEE HEALTH
INSURANCE PREMIUMS. The legislative management shall consider studying, during the
2013-14 interim, the feasibility and desirability of establishing a maximum state contribution to
the cost of state employee health insurance premiums. The legislative management shall report
its findings and recommendations, together with any legislation required to implement the
recommendations, to the sixty-fourth legislative assembly.
SECTION 15. EFFECTIVE DATE. Section 11 of this Act becomes effective on January 1,
2014.
