2 Century Code, relating to creation of the corporate headquarters relocation program within the  
3 department of commerce; to provide an appropriation; to provide an exemption; and to provide  
4 an expiration date.

5 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

6 **SECTION 1.** A new section to chapter 54-60 of the North Dakota Century Code is created  
7 and enacted as follows:

8 **Corporate headquarters relocation program.**

- 9 1. The commissioner shall establish and implement a corporate headquarters relocation  
10 program to provide grants to qualified businesses that locate or relocate the  
11 businesses' headquarters to the state. The grants awarded by the department under  
12 this section may not exceed the biennial appropriation for the grant program.  
13 2. In order to qualify for receipt of a grant under the program:  
14 a. An applicant must be an out-of-state, energy-related business that is locating or  
15 relocating its headquarters in this state;  
16 b. The applicant must have at least ten employees who are located and working in  
17 North Dakota on a full-time, permanent basis; and  
18 c. The applicant's business may not be a professional services company.  
19 3. The department shall award a qualified grant recipient a grant that is distributed in  
20 three equal annual grant payments. The department may not distribute an annual  
21 grant payment unless the recipient establishes the business maintained its  
22 qualifications for the preceding twelve months. If a grant recipient fails to maintain its  
23 qualifications for any year, the recipient is disqualified from receiving any remaining  
24 grant payments related to the award under this section.

1       4. The department shall calculate the amount of a grant recipient's grant award under  
2       this section by determining the number of the business's qualified employees. In order  
3       to qualify as an employee under this subsection, the employee must be located in  
4       North Dakota and working in the business's North Dakota headquarters on a full-time,  
5       permanent basis. A grant award is calculated as follows:

6       a. One hundred thousand dollars per qualified employee with an annual salary of at  
7       least four hundred percent of the statewide average annual wage; and

8       b. Fifty thousand dollars per qualified employee with an annual salary of at least two  
9       hundred and fifty percent and less than four hundred percent of the statewide  
10      average annual wage.

11      5. Although a qualified business may apply for more than one grant award under this  
12      section, a qualified employee under subsection 4 may not be counted in more than  
13      one grant application.

14      **SECTION 2. APPROPRIATION.** There is appropriated out of any moneys in the general  
15      fund in the state treasury, not otherwise appropriated, the sum of \$2,500,000, or so much of the  
16      sum as may be necessary, to the department of commerce for the purpose of funding the  
17      corporate headquarters relocation program, for the biennium beginning July 1, 2013, and  
18      ending June 30, 2015.

19      **SECTION 3. EXEMPTION.** The amount appropriated for the corporate headquarters  
20      relocation program in section 2 of this Act is not subject to section 54-44.1-11 and any  
21      unexpended funds from this appropriation are available for payment of grants that were  
22      awarded during the 2013-15 biennium.

23      **SECTION 4. EXPIRATION DATE.** Section 1 of this Act is effective through July 30, 2015,  
24      and after that date is ineffective.
