**SUMMARY OF ACTUARIAL INFORMATION**

**BILL NO: HB 1376**

**BILL DESCRIPTION: Mental-Mental First Responders**

**SUMMARY OF ACTUARIAL INFORMATION:** Workforce Safety & Insurance, together with its actuarial firm, Bickerstaff, Whatley, Ryan & Burkhalter Consulting Actuaries, has reviewed the legislation proposed in this bill in conformance with Section 54-03-25 of the North Dakota Century Code.

The proposed legislation expands the definition of “compensable injury” to include mental injury arising from mental stimulus if the injured employee is a first responder, i.e. a law enforcement officer, a firefighter, or emergency medical services personnel as defined under section 23-27-02.

**FISCAL IMPACT:**

Not quantifiable. We don’t anticipate that the proposed legislation will have a material impact on statewide premium rate levels; however, rates for the specific first responder classifications may increase over time as a result of the expanded coverage. To what extent is unclear as we don’t have access to an appropriate base of historical experience to use in deriving the estimates.
