

**Sixty-third Legislative Assembly of North Dakota
In Regular Session Commencing Tuesday, January 8, 2013**

HOUSE CONCURRENT RESOLUTION NO. 3021
(Representatives Amerman, J. Kelsh, Wall)
(Senators Dotzenrod, Luick)

A concurrent resolution directing the Legislative Management to study the feasibility and desirability of providing assistance to obtain rural water for households with arsenic and other harmful substances in the well water.

WHEREAS, water is essential for human life and production agriculture; and

WHEREAS, harmful substances in drinking water especially affect children; and

WHEREAS, there are wells that provide water to families in this state which have unsafe levels of arsenic in the present water supply; and

WHEREAS, the federal government has stopped funding to provide rural water to those households;

NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF NORTH DAKOTA, THE SENATE CONCURRING THEREIN:

That Legislative Management study the feasibility and desirability of providing assistance to obtain rural water for households with arsenic and other harmful substances in the well water; and

BE IT FURTHER RESOLVED, that the Legislative Management report its findings and recommendations, together with any legislation required to implement the recommendations, to the Sixty-fourth Legislative Assembly.
