2 A. **Bill and fiscal impact summary:** Provide a brief summary of the measure, including description of the provisions having fiscal impact (limited to 300 characters).

Engrossed SB 2330 changes the income tax law governing the payment of estimated income tax to increase the minimum threshold at which individuals are required to pay estimated income tax.

B. **Fiscal impact sections**: Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.

Engrossed SB 2330 increases the minimum threshold at which an individual is required to pay estimated income tax from \$500 to \$1,000. This change will affect approximately 2,800 individuals, relieving them of the requirement to pay estimated income tax. This change in the threshold will result in a timing difference in the receipt of income tax revenue that will have no effect on state general fund revenues for the 2013-15 biennium. This change will reduce the amount of interest charged for underpayment of estimated income tax with respect to the affected individuals.

- 3. State fiscal effect detail: For information shown under state fiscal effect in 1A, please:
  - A. **Revenues:** Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.

If enacted, engrossed SB 2330 is expected to reduce state general fund revenues by an estimated \$30,000 for the 2013-15 biennium.

B. **Expenditures:** Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.

C. **Appropriations:** Explain the appropriation amounts. Provide detail, when appropriate, for each agency and fund affected. Explain the relationship between the amounts shown for expenditures and appropriations. Indicate whether the appropriation is also included in the executive budget or relates to a continuing appropriation.
