

JOURNAL OF THE HOUSE**Sixty-third Legislative Assembly**

* * * * *

Bismarck, April 12, 2013

The House convened at 8:00 a.m., with Speaker Devlin presiding.

The prayer was offered by Representative Diane Larson.

The roll was called and all members were present except Representative Hawken.

A quorum was declared by the Speaker.

COMMUNICATION FROM GOVERNOR JACK DALRYMPLE

Pursuant to Article V, Section 9, of the North Dakota Constitution, I have vetoed House Bill 1209 and returned it to the House.

I hereby veto House Bill 1209 because the enhanced salary reimbursement proposed in the measure is not currently in the budget for the Department of Human Services, and there is no indication that it will be funded by either the House or the Senate. The proposal itself, which would allow reimbursement for higher compensation for top management personnel of a basic care facility, is a reasonable proposal, considering the difficulty of retaining good managers in our current economy. However, it is essential that any spending proposal have an identified source of funds. There is still time during this legislative session to amend the necessary language and the required funding of \$435,481 in the budget bill for the Department of Human Services. That decision remains with the legislature.

Therefore, I am vetoing House Bill 1209.

"SECTION 4. APPROPRIATION - TRANSFER - STATE PENITENTIARY LAND FUND - LEGISLATIVE INTENT. There is appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$12,000,000, which the office of management and budget shall transfer on July 1, 2013, to the state penitentiary land fund established in section 54-23.3-04. The funds transferred and interest earned on the moneys transferred must be used for costs of relocating the Missouri River correctional center. It is the intent of the legislative assembly that if the sixty-fourth legislative assembly does not approve the relocation of the Missouri River correctional center, the funds transferred be returned to the general fund.

SECTION 5. DEPARTMENT OF CORRECTIONS AND REHABILITATION - REPORT TO THE LEGISLATIVE MANAGEMENT. There is included in section 1 of this Act, the sum of \$200,000, or so much of the sum as may be necessary, that the department of corrections and rehabilitation shall use for developing a plan for relocating the Missouri River correctional center, for the biennium beginning July 1, 2013, and ending June 30, 2015. The plan must include a determination of facilities, services, and activities that may be shared by the Missouri River correctional center and the youth correctional center. The department must present the plan to the legislative management by July 1, 2014.

SECTION 6. LEGISLATIVE INTENT - MISSOURI RIVER CORRECTIONAL CENTER LAND - REPORTS TO THE LEGISLATIVE MANAGEMENT. It is the intent of the sixty-third legislative assembly that once the Missouri River correctional center is relocated to the youth correctional center site, all remaining land be transferred to the parks and recreation department for recreational purposes and not for residential, business, or industrial purposes. The parks and recreation department shall develop a ten-year plan for the property to be used for recreational purposes. The parks and recreation department shall report on the plan and progress to implement the plan periodically to a committee designated by the legislative management.

SECTION 7. LEGISLATIVE MANAGEMENT STUDY OF JAMES RIVER CORRECTIONAL CENTER AND STATE HOSPITAL PROPERTY. During the 2013-14 interim, the legislative management shall consider studying the use of the structures and property of the James River correctional center and the state hospital to determine the best and most efficient use of the properties. The legislative management shall reports its findings and recommendations, together with any legislation required to implement the recommendations, to the sixty-fourth legislative assembly.

SECTION 8. REFUSAL OF ADMISSION OF INMATES - REPORT TO LEGISLATIVE MANAGEMENT. The department of corrections and rehabilitation may refuse to admit inmates sentenced to the physical custody of the department when the admission of inmates will exceed the maximum operational capacity of the penitentiary and its affiliated facilities and result in the department exceeding its authorized legislative appropriation for contracting for housing inmates in other correctional facilities. For purposes of this section, maximum operational capacity of the department means the total number of inmates that may be imprisoned at the same time in the penitentiary and its affiliated facilities. The department shall develop a prison population management plan to prioritize admissions based on sentences and the availability of space in the penitentiary and its affiliated facilities. The department shall report annually to the budget section of the legislative management on the prison population management plan and inmate admissions and the number of inmates the department has not admitted after sentencing.

SECTION 9. AMENDMENT. Subsection 2 of section 12.1-32-07 of the North Dakota Century Code is amended and reenacted as follows:

2. The conditions of probation must be such as the court in its discretion deems reasonably necessary to ensure that the defendant will lead a law-abiding life or to assist the defendant to do so. The court shall provide as an explicit condition of every probation that the defendant not commit another offense during the period for which the probation remains subject to revocation. The court shall order supervision costs and fees of not less than ~~forty-five~~^{fifty-five} dollars per month unless the court makes a specific finding on record that the imposition of fees will result in an undue hardship. If the offender has not paid the full amount of supervision fees and costs before completion or termination of probation, the court may issue an order, after opportunity for hearing, to determine the amount of supervision fees and costs that are unpaid. The order may be filed, transcribed, and enforced by the department of corrections and rehabilitation in the same manner as civil judgments rendered by a district court of this state."
