2. Unless as otherwise provided in section 39-08-01.2, an individual who operates a motor vehicle on a highway or on public or private areas to which the public has a right of access for vehicular use in this state who refuses to subject to a chemical test, or tests, required under section 39-06.2-10.2, 39-20-01, or 39-20-14, is guilty of an offense under this section.

The court may make an exception to this subsection, on an individual basis, to avoid undue hardship to an individual who is completely dependent on the motor vehicle for the necessities of life, including a family member of the convicted individual and a coowner of the motor vehicle, but not including or if the offender is participating in the twenty-four seven sobriety program.
- 4-5. A person convicted of violating this section, or an equivalent ordinance, must be sentenced in accordance with this subsection. For purposes of this subsection, unless the context otherwise requires, "drug court

The notice must contain a statement of the test performed and the results of that test; or if the minor refuses to submit to the testing, a statement notifying of that fact. For ninety-one days if the person's driving record shows that, within the ~~five~~seven years preceding the date of the arrest, the person has not previously violated section 39-08-01 or equivalent ordinance or the person's operator's license has not previously been suspended or revoked under this chapter and the violation was for an alcohol concentration of at least eight one-hundredths of one percent by weight or, with respect to a person under twenty-one years of age, an alcohol concentration of at least two one-hundredths of one percent by weight, and under eighteen one-hundredths of one percent by weight.
 - b. For one hundred eighty days if the operator's record shows the person has not violated section 39-08-01 or equivalent ordinance within ~~five~~the seven years preceding the last violation and the last violation was for an alcohol concentration of at least eighteen one-hundredths of one percent by weight.
 - c. For three hundred sixty-five days if the person's driving record shows that, within the ~~five~~seven years preceding the date of the arrest, the person has once previously violated section 39-08-01 or equivalent ordinance or the person's operator's license has once previously been suspended or revoked under this chapter with the last violation or suspension for an alcohol concentration under eighteen one-hundredths of one percent by weight.
 - d. For two years if the person's driving record shows that within the ~~five~~seven years preceding the date of the arrest, the person's operator's license has once been suspended, revoked, or issuance denied under this chapter, or for a violation of section 39-08-01 or equivalent ordinance, with the last violation or suspension for an alcohol concentration of at least eighteen one-hundredths of one percent by weight or if the person's driving record shows that within the ~~five~~seven years preceding the date of arrest, the person's operator's license has at least twice previously been suspended, revoked, or issuance denied under this chapter, or for a violation of section 39-08-01 or equivalent ordinance, or any combination thereof, and the suspensions, revocations, or denials resulted from at least two separate arrests with the last violation or suspension for an alcohol concentration of under eighteen one-hundredths of one percent by weight.
 - e. For three years if the operator's record shows that within ~~five~~the seven years preceding the date of the arrest, the person's operator's license has at least twice previously been suspended, revoked, or issuance denied under this chapter, or for a violation of section

2. In the suspension of the person's operator's license the director shall give credit for the time the person was without an operator's license after the day of the offense, except that the director may not give credit for the time the person retained driving privileges through a temporary operator's permit issued under section 39-20-03.1 or 39-20-03.2.

SECTION 16. AMENDMENT. Section 39-20-05 of the North Dakota Century Code is amended and reenacted as follows:

39-20-05. Administrative hearing on request - Election to participate in the twenty-four seven sobriety program.

1. Before issuing an order of suspension, revocation, or denial under section 39-20-04 or 39-20-04.1, the director shall afford that person an opportunity for a hearing if the person mails or communicates by other means authorized by the director a request for the hearing to the director within ten days after the date of issuance of the temporary operator's permit. Upon completion of the hearing, an individual may elect to participate in the twenty-four seven sobriety program under chapter 54-12. The hearing must be held within thirty days after the date of issuance of the temporary operator's permit. If no hearing is requested within the time limits in this section, and no affidavit is submitted within the time limits under subsection 2 of section 39-20-04, and if the individual has not provided the director with written notice of election to participate in the twenty-four seven sobriety program under chapter 54-12, the expiration of the temporary operator's permit serves as the director's official notification to the person of the revocation, suspension, or denial of driving privileges in this state.
2. If the issue to be determined by the hearing concerns license suspension for operating a motor vehicle while having an alcohol concentration of at least eight one-hundredths of one percent by weight or, with respect to an individual under twenty-one years of age, an alcohol concentration of at least two one-hundredths of one percent by weight, the hearing must be before a hearing officer assigned by the director and at a time and place designated by the director. The hearing must be recorded and its scope may cover only the issues of whether the arresting officer had reasonable grounds to believe the individual had been driving or was in actual physical control of a vehicle in violation of section 39-08-01 or equivalent ordinance or, with respect to an individual under twenty-one years of age, the individual had been driving or was in actual physical control of a vehicle while having an alcohol concentration of at least two one-hundredths of one percent by weight; whether the individual was placed under arrest, unless the individual was under twenty-one years of age and the alcohol concentration was less than eight one-hundredths of one percent by weight, then arrest is not required and is not an issue under any provision of this chapter; whether the individual was tested in accordance with section 39-20-01 or 39-20-03 and, if applicable, section 39-20-02; and whether the test results show the individual had an alcohol concentration of at least eight one-hundredths of one percent by weight or, with respect to an individual under twenty-one years of age, an alcohol concentration of at least two one-hundredths of one percent by weight. For purposes of this section, a copy of a certified copy of an analytical report of a blood or urine sample from the director of the state crime laboratory or the director's designee, or electronically posted by the director of the state crime laboratory or the director's designee on the crime laboratory information management system and certified by a law enforcement officer or individual who has authorized access to the crime laboratory management system through the criminal justice data

- information sharing system or a certified copy of the checklist and test records from a certified breath test operator, and a copy of a certified copy of a certificate of the director of the state crime laboratory designating the director's designees. establish prima facie the alcohol concentration or the presence of drugs, or a combination thereof, shown therein. Whether the individual was informed that the privilege to drive might be suspended based on the results of the test is not an issue.
3. If the issue to be determined by the hearing concerns license revocation for refusing to submit to a test under section 39-20-01 or 39-20-14, the hearing must be before a hearing officer assigned by the director at a time and place designated by the director. The hearing must be recorded. The scope of a hearing for refusing to submit to a test under section 39-20-01 may cover only the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a vehicle in violation of section 39-08-01 or equivalent ordinance or, with respect to a person under twenty-one years of age, the person had been driving or was in actual physical control of a vehicle while having an alcohol concentration of at least two one-hundredths of one percent by weight; whether the person was placed under arrest; and whether that person refused to submit to the test or tests. The scope of a hearing for refusing to submit to a test under section 39-20-14 may cover only the issues of whether the law enforcement officer had reason to believe the person committed a moving traffic violation or was involved in a traffic accident as a driver, whether in conjunction with the violation or the accident the officer has, through the officer's observations, formulated an opinion that the person's body contains alcohol and, whether the person refused to submit to the onsite screening test. Whether the person was informed that the privilege to drive would be revoked or denied for refusal to submit to the test or tests is not an issue.
 4. At a hearing under this section, the regularly kept records of the director and state crime laboratory may be introduced. Those records establish prima facie their contents without further foundation. For purposes of this chapter, the following are deemed regularly kept records of the director and state crime laboratory:
 - a. Any copy of a certified copy of an analytical report of a blood or urine sample received by the director from the director of the state crime laboratory or the director's designee or electronically posted by the director of the state crime laboratory or the director's designee on the crime laboratory information management system and certified by, and received from, a law enforcement officer or an individual who has authorized access to the crime laboratory management system through the criminal justice data information sharing system, or a certified copy of the checklist and test records received by the director from a certified breath test operator; and
 - b. Any copy of a certified copy of a certificate of the director of the state crime laboratory or the director's designee relating to approved methods, devices, operators, materials, and checklists used for testing for alcohol concentration or the presence of drugs received by the director from the director of the state crime laboratory or the director's designee, or that have been electronically posted with the state crime laboratory division of the attorney general at the attorney general website; and
 - c. Any copy of a certified copy of a certificate of the director of the state crime laboratory designating the director's designees.
 5. At the close of the hearing, the hearing officer shall notify the person of the hearing officer's findings of fact, conclusions of law, and decision based on the findings and conclusions and shall immediately deliver to the person a copy of the decision. If the hearing officer does not find in

favor of the person, the copy of the decision serves as the director's official notification to the person of the revocation, suspension, or denial of driving privileges in this state. If the hearing officer finds, based on a preponderance of the evidence, that the person refused a test under section 39-20-01 or 39-20-14 or that the person had an alcohol concentration of at least eight one-hundredths of one percent by weight or, with respect to a person under twenty-one years of age, an alcohol concentration of at least two one-hundredths of one percent by weight, the hearing officer shall immediately take possession of the person's temporary operator's permit issued under this chapter. If the hearing officer does not find against the person, the hearing officer shall sign, date, and mark on the person's permit an extension of driving privileges for the next twenty days and shall return the permit to the person. The hearing officer shall report the findings, conclusions, and decisions to the director within ten days of the conclusion of the hearing. If the hearing officer has determined in favor of the person, the director shall return the person's operator's license by regular mail to the address on file with the director under section 39-06-20.

6. If the person who requested a hearing under this section fails to appear at the hearing without justification, the right to the hearing is waived, and the hearing officer's determination on license revocation, suspension, or denial will be based on the written request for hearing, law enforcement officer's report, and other evidence as may be available. The hearing officer shall, on the date for which the hearing is scheduled, mail to the person, by regular mail, at the address on file with the director under section 39-06-20, or at any other address for the person or the person's legal representative supplied in the request for hearing, a copy of the decision which serves as the director's official notification to the person of the revocation, suspension, or denial of driving privileges in this state. Even if the person for whom the hearing is scheduled fails to appear at the hearing, the hearing is deemed to have been held on the date for which it is scheduled for purposes of appeal under section 39-20-06.

The director of the state crime laboratory or the director's designee may appoint, train, certify, and supervise field inspectors of breath testing equipment and its operation, and the inspectors shall report the findings of any inspection to the director of the state crime laboratory or the director's designee for appropriate action. Upon approval of the methods or devices, or both, required to perform the tests and the individuals qualified to administer them, the director of the state crime laboratory or the director's designee shall prepare, certify, and electronically post a written record of the approval with the state crime laboratory division of the attorney general at the attorney general website, and shall include in the record:

The certified records electronically posted under this section may be supplemented when the director of the state crime laboratory or the director's designee determines it to be necessary, and any certified supplemental records have the same force and effect as the records that are supplemented.
- e-f. The state crime laboratory shall make the certified records required by this section available for download in a printable format on the attorney general website.

SECTION 18. AMENDMENT. Subsection 9 of section 39-20-07 of the North Dakota Century Code is amended and reenacted as follows:

- 9. Notwithstanding any statute or rule to the contrary, a defendant who has been found to be indigent by the court in the criminal proceeding at issue may subpoena, without cost to the defendant, the individual who conducted the chemical analysis referred to in this section to testify at the trial on the issue of the amount of alcohol concentration or presence of other drugs, or a combination thereof in the defendant's blood, breath, or urine at the time of the alleged act. If the ~~state toxicologist, the director of the state crime laboratory, or any employee of either, or designee~~ is subpoenaed to testify by a defendant who is not indigent and the defendant does not call the witness to establish relevant evidence, the court shall order the defendant to pay costs to the witness as provided in section 31-01-16. ~~An indigent defendant may also subpoena the individual who withdrew the defendant's blood by following the same procedure.~~

SECTION 19. AMENDMENT. Subsection 10 of section 39-20-07 of the North Dakota Century Code is amended and reenacted as follows:

- 10. ~~A signed statement from the individual medically qualified to draw the blood sample for testing as set forth in subsection 5 is prima facie evidence that the blood sample was properly drawn and no further foundation for the admission of this evidence may be required. A law enforcement officer who has witnessed an individual who is medically qualified to draw the blood sample for testing may sign a verified statement that the law enforcement officer witnessed the individual draw the blood sample and the individual followed the approved methods of the state toxicologist. Further foundation is not required to establish that the blood sample was drawn according to the approved method of the state toxicologist.~~

39-20-14. Screening tests.

- 1. Any individual who operates a motor vehicle upon the public highways of this state is deemed to have given consent to submit to an onsite screening test or tests of the individual's breath for the purpose of estimating the alcohol concentration in the individual's breath upon the request of a law enforcement officer who has reason to believe that the individual committed a moving traffic violation or was involved in a traffic accident as a driver, and in conjunction with the violation or the accident the officer has, through the officer's observations, formulated an opinion that the individual's body contains alcohol.
- 2. An individual may not be required to submit to a screening test or tests of breath while at a hospital as a patient if the medical practitioner in immediate charge of the individual's case is not first notified of the proposal to make the requirement, or objects to the test or tests on the ground that such would be prejudicial to the proper care or treatment of the patient.

3. The screening test or tests must be performed by an enforcement officer certified as a chemical test operator by the director of the state crime laboratory or the director's designee and according to methods and with devices approved by the director of the state crime laboratory or the director's designee. The results of such screening test must be used only for determining whether or not a further test shall be given under the provisions of section 39-20-01. The officer shall inform the individual that North Dakota law requires the individual to take the screening test to determine whether the individual is under the influence of alcohol, that refusal to take the screening test is a crime, and that refusal of the individual to submit to a screening test will may result in a revocation for at least one hundred eighty days and up to fourthree years of that individual's driving privileges. If such individual refuses to submit to such screening test or tests, none may be given, but such refusal is sufficient cause to revoke such individual's license or permit to drive in the same manner as provided in section 39-20-04, and a hearing as provided in section 39-20-05 and a judicial review as provided in section 39-20-06 must be available. ~~However, the~~
