MR. SPEAKER: Your procedural **Rules Committee (Rep. Carlson, Chairman)** recommends that the House Rules as adopted on December 3, 2014, be amended as follows:

SECTION 1. AMENDMENT. House Rule 319 is amended as follows:

319. Division of question.

1. If a question before the House contains more than one proposal, any member may have the question divided, except a question on the adoption of a conference committee report or on the second reading and final passage of a measure resulting from the adoption of a conference committee report may not be divided.
2. A proposal to divide a question must be submitted in writing to the Speaker in advance of the floor session at which the measure is placed on the calendar for consideration.

3. A question containing more than one proposal may be divided only if each resulting division is so distinct and separate it can stand as a complete proposition without being rewritten.
- 3.4. Each division of a divided question requires the same vote for adoption that the division would require if it stood alone.
- 4.5. After voting on all divisions, the approved divisions comprise the question before the House.

SECTION 2. AMENDMENT. House Rule 603 is amended as follows:

603. Division of report. Whenever the report of any committee, except a conference committee, contains several amendments, any member may have the amendments divided into separate divisions. A proposal to have amendments divided must be submitted in writing to the Speaker in advance of the floor session at which the measure is placed on the calendar for consideration. The question of adoption must be taken separately on each amendment. All approved divisions comprise the report that is to be adopted.
