"SECTION 3. APPROPRIATION - DEPARTMENT OF TRANSPORTATION - NON-OIL-PRODUCING COUNTIES - EXEMPTION - REPORT TO BUDGET SECTION. There is appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$112,000,000, or so much of the sum as may be necessary, to the department of transportation for the purpose of distributions to non-oil-producing counties, for the biennium beginning July 1, 2015, and ending June 30, 2017. The distributions must be based on county major collector roadway miles as defined by the department of transportation. The distribution to each non-oil-producing county must be proportional to each non-oil-producing county's total county major collector roadway miles relative to the combined total of county major collector roadway miles of all the eligible non-oil-producing counties under this section. For purposes of this section, "non-oil-producing counties" means the forty-three counties that received no allocation of funding or a total allocation under subsection 2 of section 57-51-15 of less than \$5,000,000 for the period beginning September 1, 2013, and ending August 31, 2014. The amounts available under this section must be distributed on or after February 1, 2016.

1. a. Each county requesting funding under this section for county road and bridge projects shall submit the request in accordance with criteria developed by the department of transportation. The request must include a proposed plan for funding projects that rehabilitate or reconstruct paved and unpaved roads and bridges within the county which are needed to support economic activity in the state. The plan must meet the following criteria:
 - (1) Roadways and bridges must provide continuity and connectivity to efficiently integrate and improve major paved

and unpaved corridors within the county and across county borders.

- (2) Projects must be consistent with the upper great plains transportation institute's estimated road and bridge investment needs for the years 2015 to 2034 and other planning studies.
 - (3) Upon completion of a major roadway construction or reconstruction project, the roadway segment must be posted at a legal load limit of 105,500 pounds [47853.995 kilograms].
 - (4) Design speed on the roadway must be at least 55 miles per hour [88.51 kilometers per hour], unless the department of transportation provides an exemption.
 - (5) Projects must comply with the American association of state highway transportation officials pavement design procedures and standards developed by the department of transportation in conjunction with the local jurisdiction.
 - (6) Bridges must be designed to meet an HL 93 loading.
- b. The department of transportation, in consultation with the county, may approve the plan or approve the plan with amendments. Upon approval of the plan, the department of transportation shall transfer to the county the approved funding for engineering and plan development costs. Upon execution of a construction contract by the county, the department of transportation shall transfer to the county the approved funding for county and township rehabilitation and reconstruction projects. Counties shall report to the department of transportation upon awarding of each contract and upon completion of each project in a manner prescribed by the department.
 - c. Funding provided under this section may be used for construction, engineering, and plan development costs, but may not be used for routine maintenance. Funding provided under this section may be applied to engineering, design, and construction costs incurred on related projects as of January 1, 2016. Section 54-44.1-11 does not apply to funding under this section. Any funds not spent by June 30, 2017, must be continued into the biennium beginning July 1, 2017, and ending June 30, 2019, and may be expended only for the purposes authorized by this section. The funding provided in this section is considered a one-time funding item.
2. The department of transportation shall report to the budget section and to the appropriations committees of the sixty-fifth legislative assembly on the use of this one-time funding, including the amounts distributed to each county, the amounts spent to date, and the amounts anticipated to be continued into the 2017-19 biennium."

Page 20, line 1, after "FUND" insert "- **GRANT RECOMMENDATIONS - EXEMPTION - REPORT TO BUDGET SECTION**"

Page 20, line 3, replace "\$139,000,000" with "\$139,626,588"

Page 20, line 6, after the period insert "The commissioner of the board of university and school lands shall report to the budget section and to the appropriations committees of the sixty-fifth legislative assembly on the use of the funding provided in this section, including the amounts awarded to taxing districts, the amounts spent to date, and the amounts anticipated to be continued into the 2017-2019 biennium. During the biennium beginning July 1, 2015, and ending June 30, 2017, the energy infrastructure and impact office director shall include in recommendations to the board of university and school lands on grants to eligible entities in oil and gas development impact areas:

1. \$10,000,000, or so much of the sum as may be necessary, for grants to airports impacted by oil and gas development. The director of the energy infrastructure and impact office shall adopt grant procedures and requirements necessary for the distribution of grants under this subsection, which must include cost-share requirements. Cost-share requirements must consider the availability of local funds to support the project. Grant funds must be distributed giving priority to projects that have been awarded or are eligible to receive federal funding.
2. \$10,000,000, or so much of the sum as may be necessary, for grants to hub cities. A hub city is a city that received an allocation under subdivision a of subsection 1 of section 57-51-15 in state fiscal year 2014. A hub city is eligible to receive grants from the oil and gas impact grant fund only to the extent provided for under this subsection. Of the funding provided in this subsection, a hub city may receive no more than \$4,000,000.
3. \$20,000,000, or so much of the sum as may be necessary, for grants to school districts impacted by oil and gas development. Grant funds may be used only for purposes relating to renovation and improvement projects. A school district is eligible to receive grants from the oil and gas impact grant fund only to the extent that the amount awarded does not bring the total amount of grants awarded from the oil and gas impact grant fund to the school district for the period beginning July 1, 2011, and ending June 30, 2017, to more than \$10,000,000.
4. \$500,000, or so much of the sum as may be necessary, to each eligible city. For purposes of this subsection, an "eligible city" means a city in an area impacted by oil and gas development with a population of more than 1,084, but fewer than 1,097 according to the last official decennial federal census.
5. \$200,000 or so much of the sum as may be necessary, to each eligible city. For purposes of this subsection, an "eligible city" means a city in an area impacted by oil and gas development with a population of more than 445, but fewer than 475 according to the last official decennial federal census.
6. \$100,000 or so much of the sum as may be necessary, to each eligible city. For purposes of this subsection, an "eligible city" means a city in an area impacted by oil and gas development with a population of more than 1,019, but fewer than 1,070 according to the last official decennial federal census."
