- B. **Fiscal impact sections:** *Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.*

This bill has no fiscal impact.

- Modifying the number of applicants from three to the number supported by the availability of funding requires the number of applicants selected to remain within the funding provided.
- The last payment under the dental new practice grants program was made in SFY 2014 and no additional applications have been received.
- Eliminating language for a loan repayment program specific to those serving in a public health or nonprofit clinic and incorporating these participants as a priority in the selection process when considering all dental applicants will not have a fiscal impact as the number selected to participate in the loan repayment program is subject to availability of funding.
