Representatives Holman, Hunskor, Kelsh

- 1 A BILL for an Act amend and reenact subsection 1 of section 57-38-30.3 of the North Dakota
- 2 Century Code, relating to an individual income tax rate reduction; to provide an effective date;
- 3 and to provide an expiration date.

4 BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

- SECTION 1. AMENDMENT. Subsection 1 of section 57-38-30.3 of the North Dakota
 Century Code is amended and reenacted as follows:
 - A tax is hereby imposed for each taxable year upon income earned or received in that taxable year by every resident and nonresident individual, estate, and trust. A taxpayer computing the tax under this section is only eligible for those adjustments or credits that are specifically provided for in this section. Provided, that for purposes of this section, any person required to file a state income tax return under this chapter, but who has not computed a federal taxable income figure, shall compute a federal taxable income figure using a pro forma return in order to determine a federal taxable income figure to be used as a starting point in computing state income tax under this section. The tax for individuals is equal to North Dakota taxable income multiplied by the rates in the applicable rate schedule in subdivisions a through d corresponding to an individual's filing status used for federal income tax purposes. For an estate or trust, the schedule in subdivision e must be used for purposes of this subsection.
 - a. Single, other than head of household or surviving spouse.

If North Dakota taxable income is:

f. For an individual who is not a resident of this state for the entire year, or for a nonresident estate or trust, the tax is equal to the tax otherwise computed under this subsection multiplied by a fraction in which:

1 The numerator is the federal adjusted gross income allocable and (1) 2 apportionable to this state; and 3 (2) The denominator is the federal adjusted gross income from all sources 4 reduced by the net income from the amounts specified in subdivisions a and 5 b of subsection 2. 6 In the case of married individuals filing a joint return, if one spouse is a resident 7 of this state for the entire year and the other spouse is a nonresident for part or 8 all of the tax year, the tax on the joint return must be computed under this 9 subdivision. 10 The tax commissioner shall prescribe new rate schedules that apply in lieu of the g. 11 schedules set forth in subdivisions a through e. The new schedules must be 12 determined by increasing the minimum and maximum dollar amounts for each 13 income bracket for which a tax is imposed by the cost-of-living adjustment for the 14 taxable year as determined by the secretary of the United States treasury for 15 purposes of section 1(f) of the United States Internal Revenue Code of 1954, as 16 amended. For this purpose, the rate applicable to each income bracket may not 17 be changed, and the manner of applying the cost-of-living adjustment must be 18 the same as that used for adjusting the income brackets for federal income tax 19 purposes. 20 The tax commissioner shall prescribe an optional simplified method of computing h. 21 tax under this section that may be used by an individual taxpayer who is not 22 entitled to claim an adjustment under subsection 2 or credit against income tax 23 liability under subsection 7. 24 SECTION 2. EFFECTIVE DATE - EXPIRATION DATE. This Act is effective for the first two 25 taxable years beginning after December 31, 2014, and is thereafter ineffective.
