STATEMENT OF PURPOSE OF AMENDMENT:

This amendment:

- Changes the state share of oil and gas tax allocations to reduce the allocation to the property tax relief sustainability fund from \$341.79 million to \$300 million. The Senate version reduced the allocation from \$341.79 million to \$250 million. The House version added an allocation of \$712 million to a next biennium K-12 fund and moved the allocation to property tax relief sustainability fund after the second general fund allocation.

- Changes the state share of oil and gas tax allocations to reduce the allocation of remaining revenue to the strategic investment and improvements fund from 100 percent to 70 percent and to provide an allocation of 30 percent to a newly created political subdivision allocation fund, which is the same as the Senate version. The House version did not change current law, which allocates 100 percent of the remaining revenue to the strategic investment and improvements fund.
- Creates a political subdivision allocation fund and provides a continuing appropriation to the State Treasurer to allocate funding to political subdivisions. The allocations from the fund to the political subdivisions are based on oil and gas tax allocations to political subdivisions in the first year of the biennium. The Senate version also created the political subdivision allocation fund, but the House version did not include this new fund.
- Renames the property tax relief sustainability fund the tax relief fund and repeals two sections of North Dakota Century Code related to the property tax relief sustainability fund, since those sections are no longer needed. Neither the House nor the Senate versions included these changes.
- Provides an expiration date for the changes to the allocations of the state's share of oil and gas tax revenue. This change was not made by either the House or the Senate.
- Provides for a legislative management study of uniform truck permitting. This study was not included in the House or the Senate versions.
- Provides for a moratorium on additional fees for use of county roads assessed by counties and other local authorities. This change was not made by either the House or the Senate.
