

PROPOSED AMENDMENTS TO HOUSE BILL NO. 1151

Page 5, line 15, remove "The commission may not require any person controlling or operating any well, or a"

Page 5, remove lines 16 through 18

Page 5, line 19, replace "fewer barrels of fluid" with "A person controlling or operating a well, pipeline, receiving tank, storage tank, treating plant, or other receptacle or production facility associated with oil and gas, or with water production, injection, processing, or well servicing, shall report to the commission any leak, spill, or release of fluid. A report to the commission is not required if the leak, spill, or release is crude oil, produced water, or natural gas liquids in a quantity of less than ten barrels cumulative over a fifteen-day time period and remains on the facility or site and the facility or site has impermeable base material and containment.

3. Any written violation notice issued by the commission regarding the notification of a fire, leak, spill, blowout, or leak and spill cleanup must be placed in the well file or facility file and the files must be available for review by the surface owner"

Renumber accordingly
