Sixty-fifth Legislative Assembly of North Dakota

HOUSE BILL NO. 1324

Introduced by

Representatives Owens, Monson, Nathe, Sanford, Schreiber-Beck

Senators Rust, Schaible

- 1 A BILL for an Act to amend and reenact sections 15.1-27-03.1 and 15.1-27-04.1 of the North
- 2 Dakota Century Code, relating to the determination of state aid payable to school districts.

3 BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

4 SECTION 1. AMENDMENT. Section 15.1-27-03.1 of the North Dakota Century Code is

5 amended and reenacted as follows:

15.1-27-03.1. (Effective through June 30, 2017) Weighted average daily membership Determination.

8	1.	For	each school district, the superintendent of public instruction shall multiply by:
9		a.	1.00 the number of full-time equivalent students enrolled in an extended
10			educational program in accordance with section 15.1-32-17;
11		b.	0.60 the number of full-time equivalent students enrolled in a summer education-
12			program, including a migrant summer education program;
13		C.	0.33 the number of full-time equivalent students who:
14			(1) On a test of English language proficiency approved by the superintendent of
15			public instruction are determined to be least proficient and placed in the first-
16			of six categories of proficiency; and
17			(2) Are enrolled in a program of instruction for English language learners;
18		d.	0.25 the number of full-time equivalent students under the age of twenty-one-
19			enrolled in grades nine through twelve in an alternative high school;
20		e.	0.22 the number of full-time equivalent students who:
21			(1) On a test of English language proficiency approved by the superintendent of
22			public instruction are determined to be more proficient than students placed
23			in the first of six categories of proficiency and therefore placed in the second-
24			of six categories of proficiency; and

1		(2) Are enrolled in a program of instruction for English language learners;
2	f.	0.20 the number of full-time equivalent students enrolled in a home-based
3		education program and monitored by the school district under chapter 15.1-23;
4	g.	0.17 the number of full-time equivalent students enrolled in an early childhood-
5		special education program;
6	h.	0.15 the number of full-time equivalent students in grades six through eight-
7		enrolled in an alternative education program for at least an average of fifteen
8		hours per week;
9	i.	0.10 the number of students enrolled in average daily membership, if the district
10		has fewer than one hundred students enrolled in average daily membership and
11		the district consists of an area greater than two hundred seventy-five square
12		miles [19424.9 hectares], provided that any school district consisting of an area
13		greater than six hundred square miles [155399 hectares] and enrolling fewer than
14		fifty students in average daily membership must be deemed to have an
15		enrollment equal to fifty students in average daily membership;
16	j .	0.082 the number of students enrolled in average daily membership, in order to
17		support the provision of special education services;
18	k.	0.07 the number of full-time equivalent students who:
19		(1) On a test of English language proficiency approved by the superintendent of
20		public instruction are determined to be more proficient than students placed
21		in the second of six categories of proficiency and therefore placed in the
22		third of six categories of proficiency;
23		(2) Are enrolled in a program of instruction for English language learners; and
24		(3) Have not been in the third of six categories of proficiency for more than
25		three years;
26	H.	0.025 the number of students representing that percentage of the total number of
27		students in average daily membership which is equivalent to the three-year-
28		average percentage of students in grades three through eight who are eligible for-
29		free or reduced lunches under the Richard B. Russell National School Lunch Act
30		[42 U.S.C. 1751 et seq.];
31	and	

Sixty-fifth Legislative Assembly

1		m.	0.00	02 the number of students enrolled in average daily membership in a school-
2			disti	rict that is a participating member of a regional education association meeting-
3			the	requirements of chapter 15.1-09.1.
4	2.	The	supe	erintendent of public instruction shall determine each school district's weighted
5		ave	rage	daily membership by adding the products derived under subsection 1 to the
6		dist	rict's a	average daily membership.
7	(Ef f	iectiv	e afte	e r June 30, 2017) Weighted average daily membership - Determination.
8	1.	For	each	school district, the superintendent of public instruction shall multiply by:
9		a.	1.00) the number of full-time equivalent students enrolled in an extended
10			edu	cational program in accordance with section 15.1-32-17;
11		b.	0.60) the number of full-time equivalent students enrolled in a summer education
12			prog	gram, including a migrant summer education program;
13		C.	0.40) the number of full-time equivalent students who:
14			(1)	On a test of English language proficiency approved by the superintendent of
15				public instruction are determined to be least proficient and placed in the first
16				of six categories of proficiency; and
17			(2)	Are enrolled in a program of instruction for English language learners;
18		d.	0.28	3 the number of full-time equivalent students who:
19			(1)	On a test of English language proficiency approved by the superintendent of
20				public instruction are determined to be more proficient than students placed
21				in the first of six categories of proficiency and therefore placed in the second
22				of six categories of proficiency; and
23			(2)	Are enrolled in a program of instruction for English language learners;
24		e.	0.25	5 the number of full-time equivalent students under the age of twenty-one
25			enro	blled in grades nine through twelve in an alternative high school;
26		f.	0.20) the number of full-time equivalent students enrolled in a home-based
27			edu	cation program and monitored by the school district under chapter 15.1-23;
28		g.	0.17	the number of full-time equivalent students enrolled in an early childhood
29			spe	cial education program;

Sixty-fifth Legislative Assembly

1		h.	0.15 the number of full-time equivalent students in grades six through eight					
2			enrolled in an alternative education program for at least an average of fifteen					
3			hours per week;					
4		i.	0.10 the number of students enrolled in average daily membership, if the district					
5			has fewer than one hundred students enrolled in average daily membership and					
6			the district consists of an area greater than two hundred seventy-five square					
7			miles [19424.9 hectares], provided that any school district consisting of an area					
8			greater than six hundred square miles [155399 hectares] and enrolling fewer than					
9			fifty students in average daily membership must be deemed to have an					
10			enrollment equal to fifty students in average daily membership;					
11		j.	0.082 the number of students enrolled in average daily membership, in order to					
12			support the provision of special education services;					
13		k.	0.07 the number of full-time equivalent students who:					
14			(1) On a test of English language proficiency approved by the superintendent of					
15			public instruction are determined to be more proficient than students placed					
16			in the second of six categories of proficiency and therefore placed in the					
17			third of six categories of proficiency;					
18			(2) Are enrolled in a program of instruction for English language learners; and					
19			(3) Have not been in the third of six categories of proficiency for more than					
20			three years;					
21		I.	0.025 the number of students representing that percentage of the total number of					
22			students in average daily membership which is equivalent to the three-year					
23			average percentage of students in grades three through eight who are eligible for					
24			free or reduced lunches under the Richard B. Russell National School Lunch Act					
25			[42 U.S.C. 1751 et seq.]; and					
26		m.	0.002 the number of students enrolled in average daily membership in a school					
27			district that is a participating member of a regional education association meeting					
28			the requirements of chapter 15.1-09.1.					
29	2.	The	superintendent of public instruction shall determine each school district's weighted					
30		ave	rage daily membership by adding the products derived under subsection 1 to the					
31		distr	district's average daily membership.					

Sixty-fifth Legislative Assembly

1	SECTION 2. AMENDMENT. Section 15.1-27-04.1 of the North Dakota Century Code is						
2	amended and reenacted as follows:						
3	15.1-27-0	4.1. Baseline funding - Establishment - Determination of state aid.					
4	1. In or	n order to To determine the amount of state aid payable to each district, the					
5	supe	erintendent of public instruction shall establish each district's baseline funding. A					
6	distr	ict's baseline funding consists of:					
7	a.	All state aid received by the district in accordance with chapter 15.1-27 during the					
8		2012-13 school year;					
9	b.	The district's 2012-13 mill levy reduction grant, as determined in accordance with					
10		chapter 57-64, as it existed on June 30, 2013;					
11	С.	An amount equal to that raised by the district's 2012 general fund levy or that					
12		raised by one hundred ten mills of the district's 2012 general fund levy, whichever					
13		is less;					
14	d.	An amount equal to that raised by the district's 2012 long-distance learning and					
15		educational technology levy;					
16	e.	An amount equal to that raised by the district's 2012 alternative education					
17		program levy; and					
18	f.	An amount equal to:					
19		(1) Seventy-five percent of all revenue received by the school district and					
20		reported under code 2000 of the North Dakota school district financial					
21		accounting and reporting manual, as developed by the superintendent of					
22		public instruction in accordance with section 15.1-02-08;					
23		(2) Seventy-five percent of all mineral revenue received by the school district					
24		through direct allocation from the state treasurer and not reported under					
25		code 2000 of the North Dakota school district financial accounting and					
26		reporting manual, as developed by the superintendent of public instruction					
27		in accordance with section 15.1-02-08;					
28		(3) Seventy-five percent of all tuition received by the school district and					
29		reported under code 1300 of the North Dakota school district financial					
30		accounting and reporting manual, as developed by the superintendent of					
31		public instruction in accordance with section 15.1-02-08, with the exception					

2 provided at a residential treatment facility and tuition received for the 3 provision of an adult farm management program; 4 (4) Seventy-five percent of all revenue received by the school district from 5 payments in lieu of taxes on the distribution and transmission of electric 6 power; 7 (5) Seventy-five percent of all revenue received by the school district from 8 payments in lieu of taxes on electricity generated from sources other than 9 coal; 10 (6) All revenue received by the school district from the 12 leasing of land acquired by the United States for which compensation is 13 allocated to the state under 33 U.S.C. 701(c)(3); 14 (8) All revenue received by the school district from payments in lieu of taxes 15 (9) All revenue received by the school district from payments in lieu of taxes 18 2. The superintendent shall divide the district's total baseline funding by the district's 2012-13 weighted student units in-order to determine the district's baseline funding per weighted student unit. 3. 21 3. a. In 2045-462017-18, the superintendent shall multiply the district's weighted 22 tay is percent of: (a) One hundred sixeight perc	1					of re	venue received specifically for the operation of an educational program
4 (4) Seventy-five percent of all revenue received by the school district from payments in lieu of taxes on the distribution and transmission of electric power; 7 (5) Seventy-five percent of all revenue received by the school district from payments in lieu of taxes on electricity generated from sources other than coal; 10 (6) All revenue received by the school district from mobile home taxes; 11 (7) Seventy-five percent of all revenue received by the school district from the leasing of land acquired by the United States for which compensation is allocated to the state under 33 U.S.C. 701(c)(3); 14 (8) All telecommunications tax revenue received by the school district; and 15 (9) All revenue received by the school district from payments in lieu of taxes and state reimbursement of the homestead credit and disabled veterans credit. 18 2. The superintendent shall divide the district's total baseline funding by the district's 2012-13 weighted student units in-order to determine the district's weighted student unit. 21 3. a. In 2015-162017-18, the superintendent shall multiply the district's weighted student units by nine thousand threesix hundred sixty-fiveforty-six dollars. 23 (1) The superintendent shall adjust the product to ensure that the product is at least equal to the greater of: 24 least equal to the greater of: (a) One hundred sizeight percent of the d	2					prov	ided at a residential treatment facility and tuition received for the
5 payments in lieu of taxes on the distribution and transmission of electric 6 power; 7 (5) Seventy-five percent of all revenue received by the school district from 8 payments in lieu of taxes on electricity generated from sources other than 9 coal; 10 (6) All revenue received by the school district from mobile home taxes; 11 (7) Seventy-five percent of all revenue received by the school district from the 12 leasing of land acquired by the United States for which compensation is 13 allocated to the state under 33 U.S.C. 701(c)(3); 14 (8) All telecommunications tax revenue received by the school district; and 15 (9) All revenue received by the school district from payments in lieu of taxes 16 and state reimbursement of the homestead credit and disabled veterans 17 credit. 18 2. The superintendent shall divide the district's total baseline funding by the district's 2012-13 weighted student units in order to determine the district's weighted 21 3. 23 (1) The superintendent shall adjust the product to ensure that the product is at 24 least equal to the greater of: 25 (a) One hundred sixeight percent of the district's ba	3					prov	ision of an adult farm management program;
6 power; 7 (5) Seventy-five percent of all revenue received by the school district from payments in lieu of taxes on electricity generated from sources other than coal; 10 (6) All revenue received by the school district from mobile home taxes; 11 (7) Seventy-five percent of all revenue received by the school district from the leasing of land acquired by the United States for which compensation is allocated to the state under 33 U.S.C. 701(c)(3); 14 (8) All telecommunications tax revenue received by the school district; and 15 (9) All revenue received by the school district from payments in lieu of taxes and state reimbursement of the homestead credit and disabled veterans credit. 18 2. The superintendent shall divide the district's total baseline funding by the district's 2012-13 weighted student units in-order to determine the district's weighted student unit. 21 3. a. In 2915-162017-18, the superintendent shall multiply the district's weighted student unit. 21 3. a. In 2915-162017-18, the superintendent shall adjust the product to ensure that the product is at least equal to the greater of: 23 (1) The superintendent shall adjust the product to ensure that the product is at least equal to the greater of: 25 (a) One hundred sixeight percent of the district's baseline funding per weighted student unit, as esta	4				(4)	Seve	enty-five percent of all revenue received by the school district from
7 (5) Seventy-five percent of all revenue received by the school district from payments in lieu of taxes on electricity generated from sources other than coal; 10 (6) All revenue received by the school district from mobile home taxes; 11 (7) Seventy-five percent of all revenue received by the school district from the leasing of land acquired by the United States for which compensation is allocated to the state under 33 U.S.C. 701(c)(3); 14 (8) All telecommunications tax revenue received by the school district; and 15 (9) All revenue received by the school district from payments in lieu of taxes and state reimbursement of the homestead credit and disabled veterans credit. 18 2. The superintendent shall divide the district's total baseline funding by the district's 2012-13 weighted student units in order to determine the district's baseline funding per weighted student unit. 21 3. a. In 2045-462017-18, the superintendent shall multiply the district's weighted student unit. 23 (1) The superintendent shall adjust the product to ensure that the product is at least equal to the greater of: 25 (a) One hundred sixeight percent of the district's baseline funding per weighted student unit, as established in subsection 2, multiplied by the district's 2013-14 weighted student units; or 23 (b) One hundred percent of the district's baseline funding as established in subsection 1. 24 (b) One hundred percent of the district's baseline funding as established in subsection 1. <td>5</td> <td></td> <td></td> <td></td> <td></td> <td>payn</td> <td>nents in lieu of taxes on the distribution and transmission of electric</td>	5					payn	nents in lieu of taxes on the distribution and transmission of electric
8 payments in lieu of taxes on electricity generated from sources other than 9 coal; 10 (6) All revenue received by the school district from mobile home taxes; 11 (7) Seventy-five percent of all revenue received by the school district from the 12 leasing of land acquired by the United States for which compensation is 13 allocated to the state under 33 U.S.C. 701(c)(3); 14 (8) All telecommunications tax revenue received by the school district; and 15 (9) All revenue received by the school district from payments in lieu of taxes 16 and state reimbursement of the homestead credit and disabled veterans 17 credit. 18 2. The superintendent shall divide the district's total baseline funding by the district's 2012-13 weighted student units in order to determine the district's baseline funding per 20 weighted student unit. 21 3. a. In 2045-462017-18, the superintendent shall multiply the district's weighted 22 student units by nine thousand threesix hundred sixty fiveforty-six dollars. 23 (1) The superintendent shall adjust the product to ensure that the product is at 24 least equal to the greater of: 25 (a) One hundred sixeight percent of the district's bas	6					powe	er;
9 coal; 10 (6) All revenue received by the school district from mobile home taxes; 11 (7) Seventy-five percent of all revenue received by the school district from the 12 leasing of land acquired by the United States for which compensation is 13 allocated to the state under 33 U.S.C. 701(c)(3); 14 (8) All telecommunications tax revenue received by the school district; and 15 (9) All revenue received by the school district from payments in lieu of taxes 16 and state reimbursement of the homestead credit and disabled veterans 17 credit. 18 2. The superintendent shall divide the district's total baseline funding by the district's 19 2012-13 weighted student units in-order to determine the district's baseline funding per 20 weighted student unit. 21 3. a. In 2015-162017-18, the superintendent shall multiply the district's weighted 22 student units by nine thousand threesix hundred sixty-fiveforty-six dollars. 23 (1) The superintendent shall adjust the product to ensure that the product is at 24 least equal to the greater of: 25 (a) One hundred sixeight percent of the district's baseline funding per 26 weighted student unit, as established	7				(5)	Seve	enty-five percent of all revenue received by the school district from
 (6) All revenue received by the school district from mobile home taxes; (7) Seventy-five percent of all revenue received by the school district from the leasing of land acquired by the United States for which compensation is allocated to the state under 33 U.S.C. 701(c)(3); (8) All telecommunications tax revenue received by the school district; and (9) All revenue received by the school district from payments in lieu of taxes and state reimbursement of the homestead credit and disabled veterans credit. 2. The superintendent shall divide the district's total baseline funding by the district's 2012-13 weighted student units in order to determine the district's baseline funding per weighted student unit. 3. a. In 2015-162017-18, the superintendent shall multiply the district's weighted student units by nine thousand threesix hundred sixty fiveforty-six dollars. (1) The superintendent shall adjust the product to ensure that the product is at least equal to the greater of: (a) One hundred sixeight percent of the district's baseline funding per weighted student unit, as established in subsection 2, multiplied by the district's 2013-14 weighted student units; or (b) One hundred percent of the district's baseline funding as established in subsection 1. (2) The superintendent also shall also adjust the product to ensure that the 	8					payn	nents in lieu of taxes on electricity generated from sources other than
11 (7) Seventy-five percent of all revenue received by the school district from the 12 leasing of land acquired by the United States for which compensation is 13 allocated to the state under 33 U.S.C. 701(c)(3); 14 (8) All telecommunications tax revenue received by the school district; and 15 (9) All revenue received by the school district from payments in lieu of taxes 16 and state reimbursement of the homestead credit and disabled veterans 17 credit. 18 2. The superintendent shall divide the district's total baseline funding by the district's 20 weighted student units in order to determine the district's baseline funding per 20 weighted student unit. 21 3. a. In 2015-162017-18, the superintendent shall multiply the district's weighted 21 3. a. In 2015-162017-18, the superintendent shall multiply the district's weighted 22 student unit. 3. 23 (1) The superintendent shall adjust the product to ensure that the product is at 24 least equal to the greater of: 25 (a) One hundred sixeight percent of the district's baseline funding per 26 weighted student unit, as established in subsection 2, multiplied by 27 t	9					coal;	
12 leasing of land acquired by the United States for which compensation is 13 allocated to the state under 33 U.S.C. 701(c)(3); 14 (8) All telecommunications tax revenue received by the school district; and 15 (9) All revenue received by the school district from payments in lieu of taxes 16 and state reimbursement of the homestead credit and disabled veterans 17 credit. 18 2. The superintendent shall divide the district's total baseline funding by the district's 2012-13 weighted student units in order to determine the district's baseline funding per 20 weighted student unit. 21 3. a. In 2045-462017-18, the superintendent shall multiply the district's weighted 22 student unit. . 23 (1) The superintendent shall adjust the product to ensure that the product is at 24 least equal to the greater of: 25 (a) One hundred sixeight percent of the district's baseline funding per 26 weighted student unit, as established in subsection 2, multiplied by 27 the district's 2013-14 weighted student units; or 28 (b) One hundred percent of the district's baseline funding as established 29 in subsection 1. 30 <t< td=""><td>10</td><td></td><td></td><td></td><td>(6)</td><td>All re</td><td>evenue received by the school district from mobile home taxes;</td></t<>	10				(6)	All re	evenue received by the school district from mobile home taxes;
 allocated to the state under 33 U.S.C. 701(c)(3); (8) All telecommunications tax revenue received by the school district; and (9) All revenue received by the school district from payments in lieu of taxes and state reimbursement of the homestead credit and disabled veterans credit. 2. The superintendent shall divide the district's total baseline funding by the district's 2012-13 weighted student units in order to determine the district's baseline funding per weighted student unit. 3. a. In 2015-162017-18, the superintendent shall multiply the district's weighted student units by nine thousand threesix hundred sixty-fiveforty-six dollars. (1) The superintendent shall adjust the product to ensure that the product is at least equal to the greater of: (a) One hundred sixeight percent of the district's baseline funding per weighted student unit, as established in subsection 2, multiplied by the district's 2013-14 weighted student units; or (b) One hundred percent of the district's baseline funding as established in subsection 1. (2) The superintendent also shall also adjust the product to ensure that the 	11				(7)	Seve	enty-five percent of all revenue received by the school district from the
 (8) All telecommunications tax revenue received by the school district; and (9) All revenue received by the school district from payments in lieu of taxes and state reimbursement of the homestead credit and disabled veterans credit. 2. The superintendent shall divide the district's total baseline funding by the district's 2012-13 weighted student units in order to determine the district's baseline funding per weighted student unit. 3. a. In 2015-162017-18, the superintendent shall multiply the district's weighted student units by nine thousand threesix hundred sixty fiveforty-six dollars. (1) The superintendent shall adjust the product to ensure that the product is at least equal to the greater of: (a) One hundred sixeight percent of the district's baseline funding per weighted student unit, as established in subsection 2, multiplied by the district's 2013-14 weighted student units; or (b) One hundred percent of the district's baseline funding as established in subsection 1. (2) The superintendent also shall also adjust the product to ensure that the 	12					leasi	ng of land acquired by the United States for which compensation is
 (9) All revenue received by the school district from payments in lieu of taxes and state reimbursement of the homestead credit and disabled veterans credit. 2. The superintendent shall divide the district's total baseline funding by the district's 2012-13 weighted student units in order to determine the district's baseline funding per weighted student unit. 3. a. In 2015-162017-18, the superintendent shall multiply the district's weighted student units by nine thousand threesix hundred sixty fiveforty-six dollars. (1) The superintendent shall adjust the product to ensure that the product is at least equal to the greater of: (a) One hundred sixeight percent of the district's baseline funding per weighted student unit, as established in subsection 2, multiplied by the district's 2013-14 weighted student units; or (b) One hundred percent of the district's baseline funding as established in subsection 1. (2) The superintendent also shall also adjust the product to ensure that the 	13					alloc	ated to the state under 33 U.S.C. 701(c)(3);
16 and state reimbursement of the homestead credit and disabled veterans 17 credit. 18 2. The superintendent shall divide the district's total baseline funding by the district's 19 2012-13 weighted student units in order to determine the district's baseline funding per 20 weighted student unit. 21 3. a. In 2015-162017-18, the superintendent shall multiply the district's weighted 22 student units by nine thousand threesix hundred sixty-fiveforty-six dollars. 23 (1) The superintendent shall adjust the product to ensure that the product is at 24 least equal to the greater of: 25 (a) One hundred sixeight percent of the district's baseline funding per weighted student unit, as established in subsection 2, multiplied by 27 the district's 2013-14 weighted student units; or 28 (b) One hundred percent of the district's baseline funding as established 29 in subsection 1. 30 (2) The superintendent also shall alse adjust the product to ensure that the	14				(8)	All te	elecommunications tax revenue received by the school district; and
17 credit. 18 2. 18 2. 19 2012-13 weighted student units in order to determine the district's baseline funding per weighted student unit. 20 3. 21 3. 23	15				(9)	All re	evenue received by the school district from payments in lieu of taxes
 The superintendent shall divide the district's total baseline funding by the district's 2012-13 weighted student units in order to determine the district's baseline funding per weighted student unit. a. In 2015-162017-18, the superintendent shall multiply the district's weighted student units by nine thousand threesix hundred sixty-fiveforty-six dollars. (1) The superintendent shall adjust the product to ensure that the product is at least equal to the greater of: (a) One hundred sixeight percent of the district's baseline funding per weighted student unit, as established in subsection 2, multiplied by the district's 2013-14 weighted student units; or (b) One hundred percent of the district's baseline funding as established in subsection 1. (c) The superintendent also shall also adjust the product to ensure that the 	16					and	state reimbursement of the homestead credit and disabled veterans
19 2012-13 weighted student units in order to determine the district's baseline funding per 20 weighted student unit. 21 3. a. In 2015-162017-18, the superintendent shall multiply the district's weighted 22 student units by nine thousand threesix hundred sixty fiveforty-six dollars. 23 (1) The superintendent shall adjust the product to ensure that the product is at 24 least equal to the greater of: 25 (a) One hundred sixeight percent of the district's baseline funding per 26 weighted student unit, as established in subsection 2, multiplied by 27 the district's 2013-14 weighted student units; or 28 (b) One hundred percent of the district's baseline funding as established 29 in subsection 1. . 30 (2) The superintendent also shall also adjust the product to ensure that the	17					cred	it.
20weighted student unit.213.a.In 2015-162017-18, the superintendent shall multiply the district's weighted22student units by nine thousand threesix hundred sixty fiveforty-six dollars.23(1)The superintendent shall adjust the product to ensure that the product is at24least equal to the greater of:25(a)One hundred sixeight percent of the district's baseline funding per26weighted student unit, as established in subsection 2, multiplied by27the district's 2013-14 weighted student units; or28(b)One hundred percent of the district's baseline funding as established29in subsection 1.30(2)The superintendent also shall also adjust the product to ensure that the	18	2	2.	The	e supe	erinten	dent shall divide the district's total baseline funding by the district's
213.a.In 2015-162017-18, the superintendent shall multiply the district's weighted22student units by nine thousand threesix hundred sixty-fiveforty-six dollars.23(1)The superintendent shall adjust the product to ensure that the product is at24least equal to the greater of:25(a)One hundred sixeight percent of the district's baseline funding per26weighted student unit, as established in subsection 2, multiplied by27the district's 2013-14 weighted student units; or28(b)One hundred percent of the district's baseline funding as established29in subsection 1.30(2)The superintendent also shall also adjust the product to ensure that the	19			201	2-13	weigh	ted student units in order to determine the district's baseline funding per
22student units by nine thousand threesix hundred sixty-fiveforty-six dollars.23(1) The superintendent shall adjust the product to ensure that the product is at24least equal to the greater of:25(a) One hundred sixeight percent of the district's baseline funding per26weighted student unit, as established in subsection 2, multiplied by27the district's 2013-14 weighted student units; or28(b) One hundred percent of the district's baseline funding as established29in subsection 1.30(2) The superintendent also shall also adjust the product to ensure that the	20			wei	ghted	l stude	ent unit.
 (1) The superintendent shall adjust the product to ensure that the product is at least equal to the greater of: (a) One hundred sixeight percent of the district's baseline funding per weighted student unit, as established in subsection 2, multiplied by the district's 2013-14 weighted student units; or (b) One hundred percent of the district's baseline funding as established in subsection 1. (2) The superintendent also shall also adjust the product to ensure that the 	21	3	3.	a.	In 2	015-1	62017-18, the superintendent shall multiply the district's weighted
 least equal to the greater of: (a) One hundred sixeight percent of the district's baseline funding per weighted student unit, as established in subsection 2, multiplied by the district's 2013-14 weighted student units; or (b) One hundred percent of the district's baseline funding as established in subsection 1. (2) The superintendent also shall also adjust the product to ensure that the 	22				stuc	dent ur	nits by nine thousand three<u>six</u> hundred <u>sixty-fiveforty-six</u> dollars.
 (a) One hundred sixeight percent of the district's baseline funding per weighted student unit, as established in subsection 2, multiplied by the district's 2013-14 weighted student units; or (b) One hundred percent of the district's baseline funding as established in subsection 1. (2) The superintendent also shall also adjust the product to ensure that the 	23				(1)	The	superintendent shall adjust the product to ensure that the product is at
 weighted student unit, as established in subsection 2, multiplied by the district's 2013-14 weighted student units; or (b) One hundred percent of the district's baseline funding as established in subsection 1. (2) The superintendent <u>also</u> shall also adjust the product to ensure that the 	24					least	equal to the greater of:
 27 the district's 2013-14 weighted student units; or 28 (b) One hundred percent of the district's baseline funding as established 29 in subsection 1. 30 (2) The superintendent <u>also</u> shall also adjust the product to ensure that the 	25					(a)	One hundred sixeight percent of the district's baseline funding per
 (b) One hundred percent of the district's baseline funding as established in subsection 1. (2) The superintendent <u>also</u> shall also adjust the product to ensure that the 	26						weighted student unit, as established in subsection 2, multiplied by
 in subsection 1. (2) The superintendent <u>also</u> shall also adjust the product to ensure that the 	27						the district's 2013-14 weighted student units; or
30 (2) The superintendent <u>also</u> shall also adjust the product to ensure that the	28					(b)	One hundred percent of the district's baseline funding as established
	29						in subsection 1.
31 product does not exceed one hundred thirtyforty percent of the district's	30				(2)	The	superintendent <u>also</u> shall also adjust the product to ensure that the
	31					prod	uct does not exceed one hundred thirtyforty percent of the district's

1			ł	paseline funding per weighted student unit multiplied by the district's	
2				2013-14 weighted student units, as established in subsection 2.	
3		b.	In 201	16-172018-19, the superintendent shall multiply the district's weighted	
4			stude	nt units by nine thousand six hundred forty-six dollars.	
5			(1)	The superintendent shall adjust the product to ensure that the product is at	
6			I	east equal to the greater of:	
7			((a) One hundred eight percent of the district's baseline funding per	
8				weighted student unit, as established in subsection 2, multiplied by	
9				the district's 2014-15 weighted student units; or	
10			((b) One hundred percent of the district's baseline funding as established	
11				in subsection 1.	
12			(2)	The superintendent <u>also</u> shall also adjust the product to ensure that the	
13			F	product does not exceed one hundred forty percent of the district's baseline	
14			f	funding per weighted student unit, as established in subsection 2, multiplied	
15			ł	by the district's 2014-15 weighted student units.	
16	4.	Afte	er deter	mining the product in accordance with subsection 3, the superintendent of	
17		pub	public instruction shall:		
18		a.	Subtra	act an amount equal to sixty mills multiplied by the taxable valuation of the	
19			schoo	l district, provided that after 2013,<u>except</u> the amount in dollars subtracted	
20			for pu	rposes of this subdivision may not exceed the previous year's amount in	
21			dollar	s subtracted for purposes of this subdivision by more than twelve percent;	
22			and		
23		b.	Subtra	act an amount equal to seventy-five percent of all revenues listed in	
24			parag	raphs 1 through 5, and 7 of subdivision f of subsection 1 and one hundred	
25			perce	nt of all revenues listed in paragraphs 6, 8, and 9 of subdivision f of	
26			subse	ection 1.	
27	5.	The	e amour	nt remaining after the computation required under subsection 4 is the	
28		am	ount of	state aid to which a school district is entitled, subject to any other statutory	
29		req	uiremer	nts or limitations.
