2 A. **Bill and fiscal impact summary:** Provide a brief summary of the measure, including description of the provisions having fiscal impact (limited to 300 characters).

Eng. SB 2288 deals with tax levies, notice requirements, and due dates for property tax purposes.

B. **Fiscal impact sections:** Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.

Section 15 of the bill changes the penalty for failure to provide required information to the Tax Commissioner for use in determining the value of centrally assessed property. The provisions of the bill increase the allowable penalty from ten to twenty percent of the assessed value of the property affected by the failure to provided required information. While this increase in penalty may result in additional centrally assessed property valuation, the property tax associated with this potential increase cannot be computed, as it is dependent upon the local mill levies in the taxing districts where the centrally assessed property is located. The potential increase in property valuation, the associated mill levies, and the potential additional property tax are all unknown.

- 3. State fiscal effect detail: For information shown under state fiscal effect in 1A, please:
 - A. **Revenues:** Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.
 - B. **Expenditures:** Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.

C. **Appropriations:** Explain the appropriation amounts. Provide detail, when appropriate, for each agency and fund affected. Explain the relationship between the amounts shown for expenditures and appropriations. Indicate whether the appropriation or a part of the appropriation is included in the executive budget or relates to a continuing appropriation.
