- 2 A. **Bill and fiscal impact summary:** *Provide a brief summary of the measure, including description of the provisions having fiscal impact (limited to 300 characters).*

The bill requires all statements of interest filed with the secretary of state and county and city auditors to be made available on the internet.

- B. **Fiscal impact sections:** *Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.*

The bill does not prescribe the format in which the information is to be made available to the public on the internet by the filing offices listed in line 7 (secretary of state, county and city auditors). Without knowing the format and not knowing what the cost would be for fifty-three counties and 294 city governments to comply, this agency is unable to estimate a cost.

3. **State fiscal effect detail:** *For information shown under state fiscal effect in 1A, please:*

- A. **Revenues:** *Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

There would be none since the filing of statement of interests does not have a fee.

- B. **Expenditures:** *Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

See 2B

- C. **Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, for each agency and fund affected. Explain the relationship between the amounts shown for expenditures and appropriations. Indicate whether the appropriation or a part of the appropriation is included in the executive budget or relates to a continuing appropriation.*

Unknown as to what would be needed by the various entities to comply with this request.
