POINT OF PERSONAL PRIVILEGE

REP. MAGRUM rose on a point of personal privilege.

REMARKS OF REPRESENTATIVE MAGRUM

MR. SPEAKER: Apparently I was fat-fingered on the button yesterday and didn't look up at the board which was unusual for me until after the key was closed. I realized I voted wrong on HB 1040. A friend of mine once asked me if I learn from my mistakes? I replied, "Yes". She said, "Then why are you so afraid of making one?" So I did learn that if one makes a mistake when voting and wants to be on record for voting wrong, you can request to go on the Fourth order and declare the mistake and it will be recorded in the House journal. The reason I believe I voted wrong is because my political philosophy is to try to keep taxes low for everyone. For example, when I served as county commissioner we had an entity ask for tax credits which we didn't grant. Another competing county offered them tax credits, but our county was chosen because we were more economical to operate in even without any credits. Whenever one sector gets a tax credit another sector has to pay more, throwing everything off balance. There was a speaker here a short while back who was a former Florida state senator. She had done an in-depth study of these types of tax credits and has proven, by following the money, that they are not a benefit to a state government and its people. Tax credits such as these are a burden in the long term. Now I know most of you are courteous golfers and when a person hits a golf ball way off course usually that person gets a mulligan. Mr. Speaker and members of the assembly, I respectfully ask for a mulligan, so to speak, and apologize for accidentally voting against Republican principles.

MOTION

REP. LOUSER MOVED that the remarks of Rep. Magrum be printed in the Journal, which motion prevailed on a voice vote.

Salaries and wages	\$2,381	(\$37)		\$2,344

Total all funds	\$2,381	(\$37)	\$35,000	\$37,344

General fund	\$2,381	(\$37)	\$0	\$2,344

¹ Funding is adjusted to provide employee salary increases of 2 percent on July 1, 2019, with a minimum monthly increase of \$120 and a maximum monthly increase of \$200, and a 2.5 percent salary increase on July 1, 2020. The Senate provided funding for salary increases of 2 percent on July 1, 2019, and 3 percent on July 1, 2020.

² Funding is adjusted to provide a salary equity increase of \$14,584 to the State Treasurer to align the State Treasurer's salary with the salary of the State Auditor, the same level as the Senate. The \$37 reduction relates to the 2nd year salary increase on the equity increase. The Senate provided a 2nd year salary increase of 3 percent and the Conference Committee

is providing for a 2.5 percent 2nd year increase. The House did not provide a salary equity increase for the State Treasurer's salary.

³ One-time funding of \$35,000 is added from the strategic investment and improvements fund for information technology costs related to changes in the oil and gas tax revenue allocation formulas. The Senate did not include funding for these information technology costs.

This amendment also:

- Adds a section to identify \$35,000 from the strategic investment and improvements fund for information technology costs, the same as the House version. The Senate did not include funding from the strategic investment and improvements fund.
- Includes a section to provide the statutory changes necessary to provide a salary equity increase to the State Treasurer of \$5,889 per year, increasing the current annual salary of \$99,881 to \$105,770 and to increase the salary to \$107,885 (2 percent) in fiscal year 2020 and to \$110,582 (2.5 percent) in fiscal year 2021. The salary equity increase aligns the State Treasurer's salary with the salary of the State Auditor, the same level as the Senate version. The House provided a 2 percent in fiscal year 2020 and a 2.5 percent in fiscal year 2021 without an equity increase.

² Funding is added for health insurance increases related to an information technology unification FTE position not removed and the 2 FTE positions related to the supremacy of federal programs, the same as the Senate version.

The House provided contingent funding and 10 FTE positions in the 2nd year of the biennium for the supremacy of federal programs.
