¹ Funding of \$8,622 is added for 2019-21 biennium salary increases of 2 percent with a minimum monthly increase of \$120 and a maximum monthly increase of \$200 on July 1, 2019, and 2.5 percent on July 1, 2020, to provide total salary increases of \$1,415,465, of which \$1,052,155 is from the general fund and \$363,310 is from other funds. The Senate approved salary increases of 2 percent on July 1, 2019, and 3 percent on July 1, 2020, to provide total salary increases of \$1,406,843, of which \$1,033,650 was from the general fund and \$373,193 was from other funds.

This amendment also reduces funding of \$17,848, of which \$1,338 is from the general fund and \$16,510 is from other funds, for health insurance premiums related to the House removing 3 FTE Medicaid Fraud Control Unit positions and 1 FTE Deputy Fire Marshal position previously authorized by the Senate.

² Funding of \$770,524, of which \$77,053 is from the general fund and \$693,471 is from federal funds, is reduced for the Medicaid Fraud Control Unit program, to provide total funding of \$1,046,802 for the program, of which \$104,680 is from the general fund and \$942,122 is from federal funds. The Senate approved a total of \$1,817,326 for the program, of which \$181,733 was from the general fund and \$1,635,593 was from federal funds. The

reduction includes the removal of 3 FTE positions, including 1 attorney, 1 auditor, and 1 administrative assistant. The Senate approved 7 FTE positions for the program, including 2 attorneys, 2 auditors, 2 criminal investigators, and 1 administrative assistant.

³ Funding of \$381,943, of which \$270,177 is from the general fund, \$74,510 is from federal funds, and \$37,256 is from special funds, is transferred from the Adjutant General to the Attorney General, including 2 Criminal Justice Information Sharing FTE positions.

⁴ Funding of \$169,924 from the Attorney General's operating fund is removed for 1 FTE Deputy Fire Marshal position. The Senate authorized funding of \$169,924 for the position. The position was unfunded during the 2017-19 biennium.

⁵ Funding of \$625,000 from the general fund is reduced for the human trafficking victims grant program, to provide a total of \$1 million from the general fund for the program. The Senate approved a total of \$1,625,000 from the general fund for the program.

⁶ One-time funding from the general fund is reduced by \$150,000 for the replacement of Bureau of Criminal Investigation undercover vehicles to provide a total appropriation of \$150,000 from the general fund. The Senate approved total one-time funding of \$300,000 from the general fund for the replacement of 12 undercover vehicles.

⁷ One-time funding of \$250,000 included in the Senate version is removed by the House for additional federal or other funds received during the 2019-21 biennium. This amount was appropriated by the Senate in a separate section of the bill. This amendment removes that section.

This amendment also:

- Amends a section related to the Attorney General's salary for the 2019-21 biennium.
- Amends a section related to the human trafficking victims grant program to provide a total appropriation of \$1 million from the general fund for the program compared to the Senate version of \$1,625,000 for the program.
- Adds a section identifying \$150,000 in the operating expenses line item for prosecution witness fees, which includes a reallocation of funding in the operating expenses line item to increase prosecution witness fees from \$95,000 to \$150,000 and to decrease other operating expenses by \$55,000. The section provides legislative intent that if the funding provided for prosecution witness fees is insufficient, the Attorney General further reduce other operating expenses to the extent necessary to provide adequate funding for prosecution witness fees for the 2019-21 biennium. The Attorney General is required to report to the appropriations committees of the 67th Legislative Assembly regarding the use of this funding.

MESSAGE TO THE SENATE FROM THE HOUSE (BUELL J. REICH, CHIEF CLERK)

¹ Funding is adjusted to provide for employee salary increases of 2 percent on July 1, 2019, with a minimum monthly increase of \$120 and a maximum monthly increase of \$200, and an

increase of 2.5 percent on July 1, 2020. The Senate provided funding for salary increases of 2 percent on July 1, 2019, and 3 percent on July 1, 2020.

² Funding is added for a Pre K-12 Education Vision Steering Committee to support the facilitation of stakeholder groups to continue developing education initiatives.

³ Funding is added for an increase in the continuous improvement for schools contract with AdvancEd.

⁴ Funding for operating expenses is increased to correct an error in the department's budget request relating to its base budget adjustments.

⁵ Funding for special education contract grants is reduced to provide a total of \$24 million from the general fund, \$4.7 million more than the 2017-19 biennium. The Senate provided \$25 million from the general fund for special education contract grants.

⁶ Funding for integrated formula payments is reduced for the following changes to the state school aid formula in Senate Bill No. 2265:

	<u>General Fund</u>
Reduces funding to provide a 2 percent increase in the integrated formula payment rate each year of the biennium. The Senate provided a 2 percent increase in the 1st year and 3 percent in the 2nd year.	(\$10,615,923)
Increases funding for a state school aid formula baseline reset .	15,106,628
	12,335,458
Adds funding to reduce the deduction of in lieu of revenue relative to sinking and interest mill levies .	
Reduces funding provided to transition to on-time funding . The House provided a .50 weighted student unit. The Senate provided 1.0 weighted student unit.	(19,289,658)
Reduces funding for changes to funding for new students in certain school districts.	(7,683,575)
Reduces funding due to an increase in the contribution from property tax related to the phase in of a 60 mill contribution for all schools districts.	(2,032,062)
Increases funding for other changes to the formula, including tuition deductions and adjustment to formula minimums .	4,135,507
Total integrated formula payment reduction	(\$8,043,625)

⁷ Increases funding from the general fund and decreases funding from the state tuition fund to provide a total of \$377,764,000 from the state tuition fund for state school aid. Funding from the state tuition fund is reduced due to lower than estimated fines being deposited in the fund.

⁸ Funding for transportation grants is increased to provide a total of \$56.5 million from the general fund. This increase of \$1.1 million from the prior biennium will allow reimbursement rates to remain the same as the 2017-19 biennium. The Senate provided \$55.9 million from the general fund for transportation grants.

⁹ Funding for the program grant pool is reduced by \$636,711, to provide a total of \$1.5 million from the general fund for the following programs:

- Leveraging the senior year;
- Leadership program;
- Continuing education grants;
- Preschool continuing education grants;
- Curriculum alignment grants;
- Teacher and principal evaluation system grants;
- Family engagement initiatives; and
- Transportation efficiency.

¹⁰ Funding is added to implement a leadership professional development program.

¹¹ Funding is removed for early childhood education grants transferred to the Superintendent of Public Instruction from the Department of Commerce. The House did not approve transferring the early childhood service provider grant program from the Department of Commerce to the Superintendent of Public Instruction in Senate Bill No. 2250.

¹² Funding for passthrough grants is adjusted as follows:

	General Fund Increase (Decrease)	Total General Fund
Rural art outreach projects	(\$10,000)	\$350,000
North Central Council for Education Media Services	14,424	238,000
Mentoring program	0	2,125,764
North Dakota Young Entrepreneur education program	(30,000)	0
"We the People" program	0	50,000
National writing projects	10,000	50,000
Governor's School program	(20,000)	0
Cultural heritage and artist in residence grants	50,000	50,000
Total	\$14,424	\$2,863,764

¹³ One-time funding is added from the foundation aid stabilization fund to rewrite the state automated reporting system (STARS) application.

This amendment also:

- Amends the section related to funding provided from the state tuition fund to reduce the funding made available from the fund to \$377,764,000;
- Amends the section related to funding provided from the foundation aid stabilization fund to increase the funding made available from the fund to \$111.2 million;
- Adds a section to allow the department to continue \$3 million of funding, remaining in the integrated formula payments line item at the end of the 2017-19 biennium, to the 2019-21 biennium for the purpose of one-time funding of computer science training for teachers;
- Adds a section to allow the department to continue \$600,000 of funding, remaining in the integrated formula payments line item at the end of the 2017-19 biennium, to the 2019-21 biennium for the purpose of advanced placement examinations, advanced placement teacher training, and the college ready English and mathematics program;
- Amends the section related to the distribution of transportation grants to update transportation rates to reflect additional funding;
- Amends the section related to the program grant pool to adjust the total provided;
- Amends the section related to passthrough grants to require grantees to receive one-half of the passthrough grant each year of the biennium and require grantees, as a condition of receiving the grant, to establish performance measures to be reviewed by the Superintendent of Public Instruction. Grantees must report to the Superintendent of Public Instruction regarding performance based on the measures each year of the biennium, with the report for the 1st year of the biennium required before receiving funding for the 2nd year of the biennium;
- Removes the section amending North Dakota Century Code Section 15-10-38 to transfer the teacher loan forgiveness program from the State Board of Higher Education to the Superintendent of Public Instruction. This transfer was included in House Bill No. 1429;
- Amends the section related to the salary of the Superintendent of Public Instruction to provide increases consistent with state employee salary increases;
- Removes the sections amending Sections 15.1-37-05, 15.1-37-06, and 15.1-37-08 to transfer the early childhood education grant program from the Department of Commerce to the Superintendent of Public Instruction due to the defeat of Senate Bill No. 2250 by the House; and
- Adds a section to provide for a study of school district transportation during the 2019-20 interim.

"SECTION 5. CONDITION ON FARGO AREA FLOOD CONTROL LINE

ITEM. The \$66,500,000 appropriated to the state water commission for Fargo area flood control including the Fargo Moorhead diversion in section 1 of this Act for the period beginning with the effective date of this Act, and ending June 30, 2021, may be used only for Fargo area flood control projects including the Fargo Moorhead area diversion, and the appropriation of those funds is conditioned on having no other funds appropriated in section 1 being expended on Fargo area flood control including the Fargo Moorhead diversion. This condition does not prohibit the use of funds appropriated for project carryover in section 1 of this Act for Fargo area flood control projects, subject to section 7 of this Act.

SECTION 6. CONDITION ON OTHER SECTION 1 LINE ITEMS.

The \$593,320,273 appropriated to the state water commission for salaries and wages, operating expenses, capital assets, water supply - grants, rural water supply - grants, Mouse River flood control, flood control projects other than Fargo area flood control including the Fargo Moorhead diversion, and general water - grants in section 1 of this Act for the period beginning with the effective date of this Act, and ending June 30, 2021, may be used only for salaries and wages, operating expenses, capital assets, water supply - grants, rural water supply - grants, Mouse River flood control, flood control projects other than Fargo area flood control including the Fargo Moorhead diversion, and general water - grants, respectively, and the appropriation

of those funds is conditioned on the funds not being expended on Fargo area flood control projects including the Fargo Moorhead diversion.

SECTION 7. CONDITION ON PROJECT CARRYOVER FUNDS. The \$308,333,818 appropriated to the state water commission for project carryover in section 1 of this Act for the period beginning with the effective date of this Act, and ending June 30, 2021, may be used only for project carryover, and the appropriation of those funds is conditioned on having no more than the amount the state water commission approved for Fargo area flood control including the Fargo Moorhead diversion by April 1, 2019, expended from the project carryover funds on Fargo area flood control including the Fargo Moorhead diversion.

SECTION 8. CONDITION ON APPROPRIATIONS. The \$66,500,000 appropriated to the state water commission for Fargo area flood control including the Fargo Moorhead diversion in section 1 of this Act and the amount the state water commission approved for Fargo area flood control including the Fargo Moorhead diversion by April 1, 2019, which amount is included in project carryover funds appropriated in section 1 of this Act, may not be used for any work under Plan B for the Fargo Moorhead diversion project; except for constructing or repairing levees and dikes and purchasing land, easements, and options or rights of first refusal to purchase land, necessary for flood control; until:

1. The federal court injunction on Plan B is modified to allow construction of Plan B to continue;
2. The Congress of the United States appropriates federal funds for construction of Plan B;
3. The state engineer approves the mitigation plan for Plan B;
4. The office of state engineer issues all necessary permits the state engineer requires for Plan B; and
5. The Minnesota state legislature appropriates funds for construction of Plan B."

Page 3, replace lines 7 through 16 with:

"SECTION 10. FARGO FLOOD CONTROL PROJECT DOWNSTREAM IMPACT MITIGATION. The Fargo Moorhead metropolitan flood risk management project operations may not cause a downstream federal emergency management agency accredited flood protection system in North Dakota to lose its accreditation. The metropolitan flood diversion authority shall take reasonable measures to mitigate downstream impacts to accredited flood protection systems, existing as of April 1, 2019, located in North Dakota bordering the Red River resulting from the operations of the Fargo Moorhead diversion. For purposes of this section, negative downstream impacts to accredited flood protection systems are caused when the water surface profile passing through such systems is raised by more than one-tenth of one foot for the one hundred year event or when the ability of the accredited flood protection system to protect against a two hundred year or five hundred year event is compromised. The metropolitan flood diversion authority shall collaborate with the state engineer and accredited flood protection systems in North Dakota to implement this requirement.

SECTION 11. LEGISLATIVE INTENT - MOUSE RIVER FLOOD CONTROL PROJECT FUNDING. Except for funding provided during bienniums prior to the 2017-19 biennium, it is the intent of the sixty-sixth legislative assembly that the state provide no more than \$193,000,000 of state funding for Mouse River flood control projects within the city limits of Minot. It is the intent of the sixty-sixth legislative assembly that the \$193,000,000 be made available during the 2017-19, 2019-21, 2021-23, and 2023-25 bienniums. It is the intent of the sixty-sixth legislative assembly that of the \$193,000,000, the state provide \$57,713,284 during the 2017-19 biennium and that the \$135,286,716 yet to be designated by the state for the Mouse River flood control projects, within the city limits of Minot, be provided during the 2019-21, 2021-23, and 2023-25 bienniums.

**SECTION 12. LEGISLATIVE INTENT - RED RIVER VALLEY WATER
SUPPLY PROJECT - REPORT TO LEGISLATIVE MANAGEMENT -**

APPLICATION. It is the intent of the sixty-sixth legislative assembly that the state water commission provide, in the form of a grant, up to \$13,000,000, to the Garrison Diversion Conservancy District for the Red River valley water supply project, to initiate construction of phase one prioritized project features identified in accordance with subsections 2 and 3 of section 14 of this Act, for the period beginning with the effective date of this Act, and ending June 30, 2021. The Garrison Diversion Conservancy District shall report on a regular basis to the legislative management's water topics overview committee during the 2019-20 interim regarding the progress of the Red River valley water supply project. The provisions of section 13 of this Act do not apply to the funding referenced in this section.

**SECTION 13. LEGISLATIVE INTENT - RED RIVER VALLEY WATER
SUPPLY PROJECT.** It is the intent of the sixty-sixth legislative assembly that the state water commission provide no more than \$30,000,000 to the Garrison Diversion Conservancy District for the Red River valley water supply project during the 2019-21 biennium and 2021-23 biennium and that the state funding be provided at a sixty percent state cost-share."

¹ Funding is added to provide for employee salary increases of 2 percent on July 1, 2019, with a minimum monthly increase of \$120 and a maximum monthly increase of \$200, and an increase of 2.5 percent on July 1, 2020. The Senate provided funding for salary increases of 2 percent on July 1, 2019, and 3 percent on July 1, 2020.

² The House increased capital assets by \$33 million to provide additional funding for state-owned water projects within the capital assets line item to provide total capital assets funding of \$180,938,758. The Senate version included capital assets of \$147,938,758.

³ The House increased water supply - grants by \$13 million to provide additional funding for municipal water supply projects to provide a total of \$128 million in the water supply - grants line item. The Senate version included capital assets of \$115 million.

⁴ The House increased rural water supply - grants by \$7.2 million to provide additional funding for rural water supply projects to provide a total of \$37.2 million in the rural water supply - grants line item. The Senate version included capital assets of \$30 million.

⁵ The House removed the flood control - grants line item to specifically identify funding for flood control projects. The Senate version included \$145 million in the flood control - grants line item.

⁶ The House identified \$66.5 million in funding for the Fargo area flood control, including the Fargo Moorhead diversion. The Senate version included funding for Fargo area flood control

in the flood control - grants line item.

⁷ The House identified \$82.5 million in funding for the Mouse River flood control project. The Senate version included funding for Mouse River flood control in the flood control - grants line item.

⁸ The House identified \$48 million in funding for flood control projects other than Fargo area flood control, including the Fargo Moorhead diversion. The Senate version included funding for other flood control projects in the flood control - grants line item.

⁹ The House identified \$27,093,776 in funding for general water projects. The Senate version included \$35,255,000 of funding for the general water - grants line item.

¹⁰ The House provided one-time funding of \$25,900,000 in the operating expenses line item to pay off outstanding debt of the State Water Commission. The Senate version did not include this item.

This amendment also:

- Applies conditions on the Fargo area flood control, including the Fargo Moorhead diversion line item, to identify the \$66.5 million appropriated to the State Water Commission in the Fargo area flood control including the Fargo Moorhead diversion line item of the bill, is to be used only for Fargo area flood control, including the Fargo Moorhead diversion, and the appropriation of those funds is conditioned on having no other funds appropriated in Section 1 of the bill being expended on Fargo area flood control, including the Fargo Moorhead diversion. The condition does not prohibit the use of funds appropriated for project carryover for Fargo area flood control projects. The Senate version did not include this section.
- Applies conditions on other Section 1 line items to identify \$593,320,273 appropriated to the State Water Commission for salaries and wages, operating expenses, capital assets, water supply - grants, rural water supply - grants, Mouse River flood control, flood control projects other than Fargo area flood control including the Fargo Moorhead diversion, and general water - grants, may be used only for these purposes, and the appropriation of these funds are conditioned on the funds not being expended on Fargo area flood control projects including the Fargo Moorhead diversion. The Senate version did not include this section.
- Applies conditions on project carryover funds to identify \$308,333,818 appropriated to the State Water Commission for project carryover and provides that the funds may be used only for project carryover. The appropriation of these funds is conditioned on having no more than the amount the State Water Commission approved for Fargo area flood control including the Fargo Moorhead diversion by April 1, 2019, expended from the project carryover funds on Fargo area flood control including the Fargo Moorhead diversion. The Senate version did not include this section.
- Applies conditions on the Fargo area flood control, including the Fargo Moorhead diversion line item and funds within the project carryover line item, to limit the use of funds allocated to the Fargo Moorhead flood control project until the project has received a federal appropriation, an appropriation from the state of Minnesota, necessary permits from the State Engineer's office, and federal courts have approved construction on plan B of the project.
- Provides that the Fargo flood control project must not cause a downstream Federal Emergency Management Agency certified flood protection system in North Dakota to lose certification and requires the Fargo Moorhead Diversion Authority to take reasonable measures to mitigate downstream impacts to currently certified flood protection systems in North Dakota bordering the Red River resulting from the operations of the Fargo flood control project.
- Provides legislative intent that the state provide no more than \$193 million of state funding for Mouse River flood control projects within the city limits of Minot during the 2017-19, 2019-21, 2021-23, and 2023-25 bienniums and that the state provided \$57,713,284 during the 2017-19 biennium, and the remaining to be designated over the 2019-21, 2021-23, and 2023-25 bienniums. The Senate version did not include this section.

- Provides legislative intent that the State Water Commission provide, in the form of a grant, up to \$13 million to the Garrison Diversion Conservancy District for the Red River Valley Water Supply Project, to initiate construction of Phase I prioritized project features, to the Garrison Diversion Conservancy District for the Red River Valley Water Supply Project during the 2019-21 biennium. The Senate version did not include this section.
- Provides legislative intent that the State Water Commission provide, in the form of a grant, up to \$30 million to the Garrison Diversion Conservancy District for the Red River Valley Water Supply Project during the 2019-21 biennium and that the State Water Commission provide state funding at a 60 percent state cost-share after June 30, 2021. The Senate version provided for a grant up to \$50 million to the Garrison Diversion Conservancy District for the Red River Valley Water Supply Project during the 2019-21 biennium and that the State Water Commission provide state funding at an 80 percent state cost-share after June 30, 2021.
- Declares the bill to be an emergency measure. The Senate version did not include this section.

"SECTION 7. AMENDMENT. Section 15-10-48 of the North Dakota Century Code is amended and reenacted as follows:

15-10-48. Advancement of academics - Matching grants - University of North Dakota and North Dakota state university.

1. a. Subject to legislative appropriations, each biennium during the period beginning July first of each odd-numbered year and ending December thirty-first of each even-numbered year, the state board of higher education shall award one dollar in matching grants for every two dollars raised by the institutional foundations of the university of North Dakota and North Dakota state university for projects dedicated exclusively to the advancement of academics.
- b. To be eligible for a matching grant, an institution must demonstrate that:
 - (1) Its foundation has raised at least fifty thousand dollars in cash or monetary pledges for a qualifying project; and
 - (2) The project has been approved by the grant review committee established in section 15-10-51.
- c. The board may award up to two ~~hundred thousand~~million dollars in matching grants to each institution.
- d. Projects at the university of North Dakota school of medicine and health sciences are not eligible to receive a grant under this section.
2. a. If any available dollars have not been awarded by the board before January first of each odd-numbered year, in accordance with subsection 1, either the university of North Dakota or North Dakota state university may apply for an additional matching grant.
- b. An application submitted under this subsection must meet the same criteria as an original application.
- c. The board shall consider each application submitted under this subsection in chronological order.

- d. If the remaining dollars are insufficient to provide a matching grant in the amount of one dollar for every two dollars raised by the institutional foundation, the board shall award a lesser amount.
- 3. The state board of higher education shall retain up to one-quarter of one percent of any grant awarded under this section to assist with administrative expenses incurred in the grant review process.

SECTION 8. Section 15-10-48.1 of the North Dakota Century Code is created and enacted as follows:

15-10-48.1. Clinical legal education, including indigent legal services, and faculty recruitment and retention - Matching grants - University of North Dakota school of law.

- 1. a. Subject to legislative appropriations, each biennium the state board of higher education shall award one dollar in matching grants for every two dollars raised by the institutional foundation of the university of North Dakota for projects dedicated exclusively to clinical legal education, including indigent legal services, or the recruitment and retention of faculty at the school of law.
- b. To be eligible for a matching grant, the institution must demonstrate:
 - (1) Its foundation has raised at least twenty-five thousand dollars in cash or monetary pledges for a qualifying project; and
 - (2) The project has been approved by the grant review committee established in section 15-10-51.
- c. The board may award up to two hundred fifty thousand dollars in matching grants under this section.
- d. If the remaining dollars are insufficient to provide a matching grant in the amount of one dollar for every two dollars raised by the institutional foundation, the board shall award a lesser amount.

"SECTION 13. A new section to chapter 54-60 of the North Dakota Century Code is created and enacted as follows:

Beyond visual line of sight unmanned aircraft system program - Requirements - Report to legislative management.

The department may establish and administer a beyond visual line of sight unmanned aircraft system program for the design, purchase, implementation, and operating costs of a beyond visual line of sight unmanned aircraft system. The department shall require any entity receiving funding for this program to provide quarterly payments to the state treasurer equal to three percent of the entity's gross income associated with the beyond visual line of sight unmanned aircraft system as reported in the entity's prior year financial statements. The state treasurer shall deposit fifty percent of any payments received in the state general fund and fifty percent in the beyond visual line of sight unmanned aircraft system fund. The department shall provide semi-annual reports to the legislative management regarding the development of the beyond visual line of sight unmanned aircraft systems program and the total amount deposited by the state treasurer in the state general fund and the beyond visual line of sight unmanned aircraft system fund.

SECTION 14. A new section to chapter 54-60 of the North Dakota Century Code is created and enacted as follows:

Beyond visual line of sight unmanned aircraft system fund.

There is created in the state treasury a special fund known as the beyond visual line of sight unmanned aircraft system fund. The fund consists of moneys deposited by the state treasurer from entities receiving funding from the department of commerce for the beyond visual line of sight unmanned aircraft system program. Interest earned on moneys in the fund must be credited to the fund. Moneys in the fund may be used, subject to legislative appropriations, to defray the expenses of the beyond visual line of sight unmanned aircraft system program.

SECTION 15. A new section to chapter 57-38 of the North Dakota Century Code is created and enacted as follows:

Income tax credit for beyond visual line of sight unmanned aircraft system payments.

A taxpayer that received funding under section 12 of this Act is entitled to a credit against tax liability determined under section 57-38-30 or 57-38-30.3 equal to the amount the taxpayer remitted to the state treasurer under section 13 of this Act during the taxable year. The credit under this section may not exceed the taxpayer's liability as determined under this chapter for the taxable year. A passthrough entity entitled to the credit under this section must be considered to be the taxpayer for purposes of this section, and the amount of the credit allowed must be determined at the passthrough entity level. The amount of the credit determined at the passthrough entity level must be passed through to the partners, shareholders, or members in proportion to their respective interests in the passthrough entity.

SECTION 16. A new subdivision to subsection 7 of section 57-38-30.3 of the North Dakota Century Code is created and enacted as follows:

Beyond visual line of sight unmanned aircraft system payment credit under section 15 of this Act."

Page 5, after line 5, insert:

"SECTION 18. LEGISLATIVE MANAGEMENT STUDY - MOTION PICTURE INCENTIVES. During the 2019-20 interim, the legislative management shall consider studying motion picture incentives. The study must include a review of upper Midwest and neighboring states' statutes on motion picture incentives to assess their successes and challenges; an analysis of the economic impact that would benefit communities through food, lodging, supplies, and transportation; an assessment of existing industry infrastructure in the state and opportunities for growth; and an identification of unique geographic, seasonal, regulatory, and topographical assets the state has for the motion picture industry. The legislative management shall report its findings and recommendations, together with any legislation necessary to implement the recommendations, to the sixty-seventh legislative assembly.

SECTION 19. SCULPTURE MAINTENANCE GRANTS - ONE-TIME FUNDING. The grants line item in section 1 of this Act includes \$250,000 from the general fund for the purpose of providing grants, on a reimbursement basis, to maintain the structure and appearance of metal sculptures located adjacent to highways in North Dakota. Grant funds may be awarded only for sculptures with current land leases. Grant funds may be awarded only to the extent that matching funds on a dollar-for-dollar basis are provided from private or other nonstate sources. Matching funds may include in-kind payments for labor and materials. The

department of commerce shall establish guidelines to require a privately funded maintenance plan to be established for future maintenance cost of metal sculptures adjacent to highways in North Dakota. This funding is considered a one-time funding item.

SECTION 20. NONRESIDENT NURSE EMPLOYMENT RECRUITMENT PROGRAM - ONE-TIME FUNDING. The grants line item in section 1 of this Act includes \$800,000 from the general fund for the purpose of establishing a non-resident nurse employment recruitment program. The department of commerce shall provide up to \$4,000 in incentives for each nonresident licensed nurse who signs a written agreement to work at least four years in a North Dakota licensed health care facility. Any licensed health care facility receiving funds from this program must provide two dollars of incentive matching funds for each one dollar provided by the department. This funding is considered a one-time funding item.

SECTION 21. TRANSFER - ESTIMATED INCOME - BEGINNING FARMER REVOLVING LOAN FUND - ONE-TIME FUNDING. As requested by the commissioner of the department of commerce, the Bank of North Dakota shall transfer from the beginning farmer revolving loan fund to the department of commerce the sum of \$1,300,000, or so much of the sum as may be necessary, included in the estimated income line item in section 1 of this Act for paying intermodal container transportation shipping fees in the event intermodal containers are unable to be shipped, resulting in fees for the transport of containers to new locations for the biennium beginning July 1, 2019, and ending June 30, 2021. This funding is considered a one-time funding item.

SECTION 22. APPROPRIATION - 2017-19 BIENNIUM - NORTH DAKOTA GORGE GRANT - EXEMPTION. There is appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$750,000, or so much of the sum as may be necessary, to the department of commerce for the purpose of providing grants, on a reimbursement basis, to an organization dedicated to preserving a North Dakota gorge for the period beginning with the effective date of this Act, and ending June 30, 2019. Grant funds may be awarded only for expenditures related to the purchase and maintenance of outdoor recreation equipment, the improvement and maintenance of real property, enhancing public access to natural resources, and addressing public safety hazards in a North Dakota gorge. Grant funds may be awarded only to the extent that matching funds on a dollar-for-dollar basis are provided from private or other non-state sources. Matching funds may include in-kind payments for labor and materials. The funding provided in this section is considered a one-time funding item. The funding provided under this section is not subject to section 54-44.1-11 and any unexpended funds may be continued and are available for the program during the biennium beginning July 1, 2019, and ending June 30, 2021.

SECTION 23. EFFECTIVE DATE. Sections 15 and 16 of this Act are effective for taxable years beginning after December 31, 2018."

¹ Funding of \$51,716, of which \$39,053 is from the general fund and \$12,663 is from other funds, is added for 2019-21 biennium salary increases of 2 percent with a minimum monthly increase of \$120 and a maximum monthly increase of \$200 on July 1, 2019, and 2.5 percent on July 1, 2020. The House approved 2019-21 biennium salary increases of 2 percent each year.

² Funding of \$673,965 is removed from the Agricultural Products Utilization Commission (APUC) fund to transfer the APUC program to the Agriculture Commissioner.

³ Funding of \$2 million is added from the general fund for operating expenses related to state marketing initiatives of the Department of Commerce Division of Tourism to provide a total of \$6,801,678 for operating expenses of the Division of Tourism, of which \$6,259,678 is from the general fund and \$542,000 is from the Department of Tourism fund. The House approved \$4,801,678 for operating expenses of the Division of Tourism, of which \$4,259,678 is from the general fund and \$542,000 is from the Department of Tourism fund.

⁴ Funding of \$1.5 million is restored for the early childhood education grants program, also known as the prekindergarten community grant program. The House transferred funding for this program to the Department of Public Instruction.

⁵ Funding of \$3.2 million is added from the general fund for discretionary funds. The House did not provide funding for discretionary funds. The 2017 Legislative Assembly appropriated \$2.2 million for discretionary funds, of which \$1.2 million was from the general fund and \$1 million was from the Research North Dakota fund.

⁶ One-time funding of \$2,225,000 is added from the general fund for unmanned aircraft system programs, of which \$225,000 is for operating expenses of the Northern Plains Unmanned Aircraft Systems Test Site and \$2 million is for enhanced use lease grants. This results in total one-time appropriations from the general fund of \$2,225,000 for the Northern Plains Unmanned Aircraft Systems Test Site and \$3 million for enhanced use lease grants. The House approved one-time appropriations from the general fund of \$2 million for the Northern Plains Unmanned Aircraft Systems Test Site and \$1 million for enhanced use lease grants.

⁷ One-time funding of \$2,500,000 is added from the strategic investment and improvements fund for the entrepreneurship grants and vouchers program to provide total funding of \$3,448,467, which includes ongoing funding of \$740,956 from the general fund and \$207,511 of ongoing funding from the economic development fund. The House provided \$948,467 of ongoing funding for the program, of which \$740,956 is from the general fund and \$207,511 is from the economic development fund.

⁸ One-time funding of \$250,000 is added from the general fund for base retention grants. The House did not provide funding for this program.

⁹ One-time funding of \$250,000 is added from the general fund for sculpture maintenance grants. The House did not provide funding for sculpture maintenance grants.

¹⁰ One-time funding of \$800,000 is added from the general fund for a nonresident nurse employment recruitment program. The House did not provide funding for this program.

¹¹ One-time funding of \$1.3 million is added from the Bank of North Dakota's beginning farmer revolving loan fund for intermodal container transportation shipping fees for the transportation of containers to new locations. The House did not provide funding for intermodal container transportation shipping fees.

This amendment also:

- Removes a section allowing the Department of Commerce to continue unexpended 2017-19 funding for the Agricultural Products Utilization Commission.
- Adds a section allowing the Department of Commerce to continue unexpended 2017-19 funding for discretionary funds into the 2019-21 biennium.
- Adds a section allowing the Department of Commerce to continue unexpended 2017-19 funding for the early childhood education grant program into the 2019-21 biennium.
- Adds a section allowing the Department of Commerce to continue unexpended 2017-19 funding for Operation Intern into the 2019-21 biennium.
- Adjusts the amounts identified for the entrepreneurship grants and vouchers program.
- Adds a section identifying funding provided for the base retention grant program. The grants must be awarded on a reimbursement basis and the Department of Commerce is required to consult with the North Dakota Commission on Military Promotion and Strategic Sustainment regarding approval of grant awards.
- Amends a section to increase a 2017-19 biennium appropriation to the Department of Commerce for operating expenses of the beyond visual line of sight unmanned aircraft systems program from \$27 million to \$28 million.
- Replaces a section added by the House relating to the beyond visual line of sight unmanned aircraft systems program with a section to create a new section to North Dakota Century Code Chapter 54-60 to establish a beyond visual line of sight unmanned aircraft system program, to require an entity receiving funding under this program to provide quarterly payments to the State Treasurer based on the entity's annual gross income associated with beyond visual line of sight unmanned aircraft systems with 50 percent deposited in the state general fund and 50 percent in a

newly created beyond visual line of sight unmanned aircraft system fund, to provide for reports to the Legislative Management, and to declare the section an emergency measure.

- Adds a section to Chapter 54-60 to create a beyond visual line of sight unmanned aircraft system fund. This section is declared to be an emergency measure.
- Adds a section to Chapter 57-38 to create a new income tax credit for entities that have received funding from the Department of Commerce for the beyond visual line of sight unmanned aircraft system program effective for taxable years beginning after December 31, 2018. This section is declared to be an emergency measure.
- Adds a subdivision to subsection 7 of Section 57-38-30.3 authorizing a taxpayer to claim the beyond visual line of sight unmanned aircraft system payment credit effective for taxable years beginning after December 31, 2018. This section is declared to be an emergency measure.
- Adds a section to provide for a Legislative Management study of motion picture incentives.
- Adds a section identifying one-time funding from the general fund for providing sculpture maintenance grants.
- Adds a section identifying one-time funding from the general fund for a nonresident nurse employment recruitment program.
- Adds a section authorizing the transfer of up to \$1.3 million to the Department of Commerce from the Bank of North Dakota's beginning farmer revolving loan fund and appropriates the funds for intermodal container transportation shipping fees for the transportation of containers to new locations.
- Adds a section providing a 2017-19 biennium general fund appropriation of \$750,000 for North Dakota gorge preservation grants.

"SECTION 3. EXCEPTION - LINE ITEM TRANSFERS. Notwithstanding section 54-16-04, the director of the office of management and budget shall make transfers of funds between line items in section 1 of this Act for the information technology department as may be requested by the chief information officer as determined necessary for the development and implementation of information technology projects. The department shall notify the legislative council of any transfers made pursuant to this section.

SECTION 4. ESTIMATED INCOME - STRATEGIC INVESTMENT AND IMPROVEMENTS FUND - INFORMATION TECHNOLOGY PROJECTS. The estimated income line item in section 1 of this Act includes the sum of \$3,150,000 from the strategic investment and improvements fund for information technology projects, of which \$2,000,000 is for a legacy lift project and \$1,150,000 is for a geographic information system statewide land parcel project.

SECTION 5. EXEMPTION. The sum of \$43,555,133 of federal and other funds appropriated to the information technology department for the development of the health information network and care coordination project in chapter 46 of the 2017 Session Laws is not subject to the provisions of section 54-44.1-11. Any unexpended funds from this appropriation are available for the completion of the health information network and care coordination project during the biennium beginning July 1, 2019, and ending June 30, 2021.

SECTION 6. LEGISLATIVE MANAGEMENT STUDY - DEVELOPMENT OF A LAND ACCESS DATABASE. During the 2019-20 interim, the legislative management shall consider studying access to land for hunting and trapping and the development of a land access database. If selected by the legislative management, the study must be conducted by a new committee established by the legislative management to study access to public and private lands for hunting, trapping, and related issues, including the development of a hunters access database with the capability for landowners to provide electronic information regarding the availability of the landowner's property for hunters and trappers. The voting members of the committee must consist of the following, who must be appointed by the legislative management:

1. Two members representing agriculture organizations;
2. Two members representing sportsmen organizations; and
3. Five members of the legislative assembly, one of whom must be selected by the committee as chairman of the committee, including:
 - a. One member of the majority party in the house of representatives;
 - b. One member of the minority party in the house of representatives;
 - c. One member of the majority party in the senate;
 - d. One member of the minority party in the senate; and
 - e. One member from either party in either chamber.

The nonvoting members of the committee are:

1. A representative of the North Dakota association of counties;

2. The agriculture commissioner or the commissioner's designee;
3. The director of the game and fish department or the director's designee;
and
4. The chief information officer or the officer's designee.

A member of the committee who is not a state employee is entitled to reimbursement for mileage and expenses as provided by law for state officers and employees, to be paid by the legislative council. A state employee who is a member of the committee is entitled to receive that employee's regular salary and is entitled to reimbursement for mileage and expenses to be paid by the employing agency. A member of the committee who is a member of the legislative assembly is entitled to receive per diem compensation at the rate provided under section 54-35-10 for each day performing official duties of the committee. The legislative council shall pay the per diem compensation and reimbursement for travel and expenses as provided by law for any member of the committee who is a member of the legislative assembly. The committee may establish a prototype hunters access database in select counties prior to August 1, 2020. The legislative management shall report its findings and recommendations, together with any legislation required to implement the recommendations, to the sixty-seventh legislative assembly."

¹ Funding of \$1,082,258, of which \$9,223 is from the general fund and \$1,073,035 is from other funds, is added for 2019-21 biennium salary increases of 2 percent with a minimum monthly increase of \$120 and a maximum monthly increase of \$200 on July 1, 2019, and 2.5 percent on July 1, 2020. Of the amount added from other funds, \$328,977 of special funds relates to increases in health insurance premiums for FTE included in the information technology unification initiative.

² Funding of \$871,005 is added from the general fund for 3 FTE cybersecurity positions, of which \$740,415 is for salaries and wages and \$130,590 is for operating expenses to provide a total of 8 FTE cybersecurity positions. The House approved 5 cybersecurity positions.

³ Funding of \$1,215,501 from the general fund is restored for salaries and wages removed by the House relating to underfunding salaries and wages.

⁴ Funding of \$27,646,350 of special funds and 96.00 FTE positions are transferred from the Department of Trust Lands (2 FTE), Department of Human Services (48 FTE), Adjutant General - Department of Emergency Services (4 FTE), Parks and Recreation Department (1 FTE), and Department of Transportation (41 FTE) to the Information Technology Department for the information technology unification initiative. Of the \$27,646,350, \$18,266,327 is for the FTE positions, \$544,896 is for temporary salaries, and \$8,835,127 is for related operating expenses.

⁵ One-time funding of \$3,300,000 is added from the general fund for cybersecurity operating expenses to provide a total one-time appropriation of \$11,400,000 from the general fund. The House approved a one-time appropriation of \$8,400,000.

⁶ One-time funding of \$3,150,000 is added from the strategic investment and improvements fund for a legacy lift project (\$2,000,000) and a geographic information system statewide land parcel project (\$1,150,000). The House did not provide funding for these projects.

This amendment also:

- Adds a section to allow the Office of Management and Budget to transfer funds between line items in Section 1 as requested by the Chief Information Officer.
- Adds a section identifying \$3,150,000 of one-time funding from the strategic investment and improvements fund for information technology projects, of which \$2,000,000 is for a legacy lift project and \$1,150,000 is for a geographic information system statewide land parcel project.
- Adds a section providing an exemption for the \$43,555,133 of federal and other funds appropriated to the Information Technology Department by the 2017 Legislative Assembly for the development of the health information network and care coordination project.
- Adds a section to provide for a Legislative Management study regarding access to lands for hunting and trapping and the development of a land access database.

"SECTION 4. AMENDMENT. Section 61-33-01 of the North Dakota Century Code is amended and reenacted as follows:

61-33-01. Definitions.

As used in this chapter, unless the context otherwise requires:

1. "Board" means the sovereign lands advisory board.
2. "Board of university and school lands" means that entity created by section 15-01-01.
3. "Navigable waters" means waters that were in fact navigable at the time of statehood, and that are used, were used, or were susceptible of being used in their ordinary condition as highways for commerce over which trade and travel were or may have been conducted in the customary modes of trade on water.
4. "Sovereign lands" means those areas, including beds and islands, lying within the ordinary high water mark of navigable lakes and streams. Lands established to be riparian accretion or reliction lands pursuant to section 47-06-05 are considered to be above the ordinary high water mark and are not sovereign lands.
- 4.5. "State engineer" means the person appointed by the state water commission pursuant to section 61-03-01.

SECTION 5. A new section to chapter 61-33 of the North Dakota Century Code is created and enacted as follows:

Navigability determinations.

1. Before making a determination that a body of water or portion of a body of water is navigable, the state engineer shall:
 - a. Develop and deliver to the state water commission a preliminary finding regarding the navigability of the body of water or portion of a body of water and the legal rationale for the preliminary finding; and
 - b. Consult with the state water commission in an open meeting and demonstrate the public need and purpose for the determination to be made.
2. After completing the requirements of subsection 1, the state engineer may proceed with making a final determination of navigability by:

- a. Providing reasonable public notice of the preliminary finding, legal rationale for the preliminary finding, and opportunity for the public to provide comments for no less than sixty days. The notice must:
 - (1) Include the address and electronic mail address to which public comments may be sent and the deadline by which public comments must be received;
 - (2) Clearly identify the specific body of water or portion of a body of water for which the finding of navigability is sought;
 - (3) State the state engineer will hold a public hearing regarding the preliminary finding before a final determination of navigability is made, and provide the date, time, and location of the public hearing;
 - (4) Be provided to the governing body of each soil conservation district, water resource district, and county adjacent to the body of water or portion of a body of water for which the preliminary finding was made;
 - (5) Be published in the official county newspaper for each county adjacent to the body of water or portion of a body of water for which the preliminary finding was made; and
 - (6) Briefly state the purpose of the hearing and describe the impact or effect a determination of navigability will have on the property rights of persons who own property adjacent to the body of water or portion of a body of water for which the determination of navigability may be made; and
 - b. Holding a public hearing regarding the preliminary finding.
3. After completing the requirements of subsection 2 and making a determination of navigability, the state engineer shall prepare a report regarding the determination, including summaries of the information provided to the state water commission, the public hearings held, and the public comments received. The state engineer shall provide the report to the state water commission, send the report by certified mail to any person that appeared at the public hearing required under subsection 2 or provided written comments by the deadline, make the report available to the public, including on the website for the office of the secretary of state, and provide public notice of the report's availability. The report is final on the date it is provided to the state water commission.
 4. A determination of navigability may be appealed directly to a court of competent jurisdiction in accordance with sections 28-32-42 through 28-32-46 and sections 28-32-50 and 28-32-51.

SECTION 6. AMENDMENT. Subdivision e of subsection 3 of section 61-33.1-03 of the North Dakota Century Code is amended and reenacted as follows:

- e. ~~Subsection 3 of section~~Section 61-33-01 and section 47-06-05, which provide all accretions are presumed to be above the ordinary high water mark and are not sovereign lands. Accreted lands may be determined to be within the ordinary high water mark of the historical Missouri riverbed channel based on clear and convincing evidence. Areas of low-lying and flat lands where the ordinary high water mark may be impracticable to determine due to inconclusive aerial photography or inconclusive vegetation analysis must be presumed to be above the ordinary high water mark and owned by the riparian landowner."

"SECTION 8. REVIEWS OF NAVIGABILITY DETERMINATIONS DURING 2019-20 INTERIM. During the 2019-20 interim, the state engineer may review any determinations of navigability of a body of water or portion of a body of water made solely by the state engineer before the effective date of this Act. However, if a court of competent jurisdiction has determined a body of water or portion of a body of water is navigable or non-navigable, the state engineer does not need to review any state agency determination regarding the body of water or portion of a body of water. If the state engineer elects not to review any determinations of navigability of a body of water or portion of a body of water made solely by the state engineer before the effective date of this Act during the 2019-20 interim, those determinations must be vacated without prejudice to a subsequent determination of navigability under section 5 of this Act. In conducting the reviews under this section, the state engineer shall comply with the requirements in section 5 of this Act."
