<sup>1</sup> Funding is added to provide for employee salary increases of 2 percent on July 1, 2019, with a minimum monthly increase of \$120 and a maximum monthly increase of \$200, and an increase of 2.5 percent on July 1, 2020. The House provided funding for a salary increase of 2 percent on July 1, 2019, and a 2 percent increase on July 1, 2020.

<sup>2</sup> Funding is added for health insurance increases related to an information technology unification FTE position not removed and the 2 FTE positions related to the supremacy of federal programs.

<sup>3</sup> Two of the contingent FTE positions provided by the House and related funding for salaries and wages are added in the 1st year of the biennium for the supremacy of federal programs. The House provided contingent funding and 10 FTE positions in the 2nd year of the biennium for the supremacy of federal programs.

<sup>4</sup> Two of the contingent 10 FTE positions provided by the House in the 2nd year of the biennium for the supremacy of federal programs and related funding for salaries and wages are removed because they are added in the 1st year of the biennium by the Senate, to provide 8 FTE positions in the 2nd year of the biennium.

<sup>5</sup> Funding provided for the boiler inspection program, including funding for salaries and wages of \$793,249 and operating expenses of \$89,000, is provided from the general fund instead of the state fire and tornado fund.

This amendment also:

- Removes a section identifying funding from the state fire and tornado fund for the boiler inspection program because funding for the program is provided from the general fund;
- Adds a section to identify funding from the petroleum release compensation fund for expenses related to the petroleum release program;
- Adjusts the contingent appropriation from the general fund for federal program supremacy to reduce total funding and FTE added in the 2nd year of the biennium;
- Adds a section to provide for petroleum tank fees to be assessed until the Department of Environmental Quality adopts rules regarding fees;
- Amends the section created to transfer the boiler inspection program to the Department of Environmental Quality to require fees collected under the section are deposited in the general fund, which will result in an estimated increase in general fund revenues of \$600,000;
- Adds a section to require that the Department of Environmental Quality review the boiler inspection program during the 2019-20 interim, develop a plan for program fees to meet program expenses, and report to the Legislative Management regarding the plan before June 30, 2020; and
- Adds a section to provide for a contingent expiration date for the section which provides for petroleum tank fees to be assessed until the Department of Environmental Quality adopts rules regarding fees.
