- 2 A. **Bill and fiscal impact summary:** *Provide a brief summary of the measure, including description of the provisions having fiscal impact (limited to 300 characters).*

HB 1032 requires the department to biennially adjust the sliding fee schedule for services received through the Service Payments for Elderly and Disabled Program (SPED).

- B. **Fiscal impact sections:** *Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.*

Section 1 requires the Department to biennially adjust the SPED sliding fee schedule. For the 2019-2021 biennium the Department would increase the sliding fee schedule approximately 10%, which aligns with the Executive Budget Request. Thereafter, as defined by HB 1032 the Department would biennially adjust the sliding fee schedule. The Department will adjust by social security inflation. To determine the amount to increase the fee schedule the Department will compound any increase from all social security inflation adjustments that were previously not adjusted with prior fee schedule adjustments. Social Security inflation is adjusted annually.

3. **State fiscal effect detail:** *For information shown under state fiscal effect in 1A, please:*

- A. **Revenues:** *Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

- B. **Expenditures:** *Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

The Grants-Medical Assistance line item would increase by \$499,933, of which all is general fund, for the 2019-2021 biennium. The Department estimates that 62 more people will receive services by the end of the biennium.

The Grants-Medical Assistance line item would increase by \$1,165,326, of which all is general fund, for the 2021-2023 biennium. The Department estimates that 27 more people will receive services by the end of the biennium in addition to the 62.

- C. **Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, for each agency and fund affected. Explain the relationship between the amounts shown for expenditures and appropriations. Indicate whether the appropriation or a part of the appropriation is included in the executive budget or relates to a continuing appropriation.*

For the 19-21 biennium the Department of Human Services would need an appropriation increase, in the Grants-Medical Assistance line item, of \$499,933, of which all would be general fund, to the base level budget in SB2012.

For the 21-23 biennium the Department of Human Services would need appropriation authority of \$1,165,326, of which all would be general fund.
