1		a.	Provide a reimbursement methodology for all medications and dispensing fees
2			which identifies the minimum amount paid to pharmacy providers for each
3			medication. The reimbursement methodology, at a minimum, must:
4			(1) Be available on the department's website; and
5			(2) Encompass all types of pharmacy providers regardless of whether the
6			pharmacy benefits are being paid through the private carrier or contractor or
7			subcontractor of the private carrier under this section.
8		b.	Provide full transparency of all costs and all rebates in aggregate.
9		C.	Allow an individual to obtain medication from a pharmacy that provides mail order
10			service; however, the contract may not require mail order to be the sole method
11			of service and must allow for all contracted pharmacy providers to dispense any
12			and all drugs included in the benefit plan and allowed under the pharmacy
13			provider's license.
14		d.	Ensure that pharmacy services obtained in jurisdictions other than this state and
15			its three contiguous states are subject to prior authorization and reporting to the
16			department for eligibility verification.
17		e.	Ensure the payments to pharmacy providers do not include a required payback
18			amount to the private carrier or one of the private carrier's contractors or
19			subcontractors which is not representative of the amounts allowed under the
20			reimbursement methodology provided in subdivision a.
21	5.	The	contract between the department and the private carrier must provide the
22		depa	artment with full access to provider reimbursement rates. The department shall
23		cons	ider provider reimbursement rate information in selecting a private carrier under
24		this	section. Before August first of each even-numbered year, the department shall
25		subr	nit a report to the legislative management regarding provider reimbursement rates
26		unde	er the medical assistance expansion program. This report may provide cumulative
27		data	and trend data but may not disclose identifiable provider reimbursement rates.
28	6.	Pro	ider reimbursement rate information received by the department under this
29		sect	on and any information provided to the department of human services or any
30		audi	t firm by a pharmacy benefit manager under this section is confidential, except the
