An action may not be filed under this subsection against the federal government, the state, a local government, or any officer or employee acting in the employee's or officer's official capacity.  - A copy of the complaint and written disclosure of substantially all material evidence and information the person possesses must be served on the attorney general in accordance with title 28 and the North Dakota Rules of Civil Procedure. Any complaint filed in the state must remain under seal for at least sixty days and may not be served on the defendant until the court so orders. The seal may not preclude the attorney general, a local government, or the qui tam plaintiff from serving the complaint, any other pleadings, or the written disclosure of substantially all material evidence and information possessed by the person bringing the action on relevant state or local government agencies, or on law enforcement authorities of the state, a local government, or other jurisdictions, so that the actions may be investigated or prosecuted, except that the seal applies to other parties in the action.

If the allegations in the complaint involve damages to a city with a population of one hundred thousand or more or only to the state and the city, the attorney general shall provide the complaint and written disclosure to the counsel of the city within thirty days. The state may elect to supersede or intervene and

ı		proc	eea w	ith the action, or to authorize a local government that may have
2		sust	ained	damages to supersede or intervene, within sixty days after the state

4		allegations in the complaint involve damages to a city with a population of one		
5		hundred thousand or more, the attorney general may not supersede or intervene		
6		in th	e acti	on without the consent of the counsel of the city. The attorney general
7		may, for good cause shown, move the court for extensions of the time during		
8		which the complaint remains under seal under this subdivision. Any motions may		
9		be supported by affidavits or other submissions.		
10	<u>d.</u>	Befo	ore the	expiration of the sixty-day period or any extensions obtained under

13			local	government, be substituted as the plaintiff in the action, and convert
14			the a	ction in all respects from a qui tam civil action brought by a private
15			pers	on into a civil enforcement action by the attorney general under this
16			<u>secti</u>	<u>on;</u>
17		<u>(2)</u>	Inter	ds to intervene in the action, as of right, so as to aid and assist the

20			gran	the local government permission to:
21			<u>(a)</u>	File and serve a complaint against the defendant, and be substituted
22				as the plaintiff in the action and convert the action in all respects from
23				a qui tam civil action brought by a private person into a civil
24				enforcement action by the local government under this section; or
25			<u>(b)</u>	Intervene in such action, as of right, so as to aid and assist the plaintiff
26				in the action. The attorney general shall provide the local government
27				with a copy of the notification at the same time the court is notified.
28	<u>e.</u>	If the state notifies the court of an intention to file a complaint against the		
29		defendant and be substituted as the plaintiff in the action, or to permit a local		
30		gove	<u>ernme</u>	nt to do so, the complaint, whether filed separately or as an
31		<u>ame</u>	<u>endme</u>	nt to the qui tam plaintiff's complaint, must be filed within thirty days

- after the notification to the court. For statute of limitations purposes, any
 complaint filed by the state or a local government must relate back to the filing
 date of the complaint of the qui tam plaintiff, to the extent the cause of action of
 the state or local government arises out of the conduct, transactions, or
 occurrences set forth, or attempted to be set forth, in the complaint of the qui tam
 plaintiff.
 - f. If the state notifies the court of an intention to intervene in the action, or to permit a local government to do so, then the motion to intervene, whether filed separately or as an amendment to the qui tam plaintiff's complaint, must be filed within thirty days after the notification to the court. For statute of limitations purposes, any complaint filed by the state or a local government, whether filed separately or as an amendment to the qui tam plaintiff's complaint, must relate back to the filing date of the complaint of the qui tam plaintiff, to the extent the cause of action of the state or local government arises out of the conduct, transactions, or occurrences set forth, or attempted to be set forth, in the complaint of the qui tam plaintiff.
 - g. If the state declines to participate in the action or to authorize participation by a local government, the qui tam action may proceed subject to judicial review under this section and the North Dakota Rules of Civil Procedure. The qui tam plaintiff shall provide the state or any applicable local government with a copy of any document filed with the court on or about the date the document is filed, or any order issued by the court on or about the date the order is issued. A qui tam plaintiff shall notify the state or any applicable local government within five business days of any decision, order, or verdict resulting in judgment in favor of the state or local government.
 - 3. If the state decides to participate in a qui tam action or to authorize the participation of a local government, the court shall order that the qui tam complaint be unsealed and served at the time of the filing of the complaint or intervention motion by the state or local government. After the complaint is unsealed, or if a complaint is filed by the state or a local government pursuant to subsection 1, the defendant must be served with the complaint and summons pursuant to title 28. A copy of any complaint that alleges

27

28

29

- 1 damages were sustained by a local government must also be served on the local 2 government. The defendant shall respond to the summons and complaint within the 3 time allotted under the North Dakota Rules of Civil Procedure. 4 If a person brings a qui tam action under this section, no person other than the 5 attorney general or a local government attorney acting under this section, may 6 intervene or bring a related civil action based upon the facts underlying the pending 7 action. Nothing in this subsection may be deemed to deny anyone the right, upon 8 leave of court, to file briefs amicus curiae. 9 If the attorney general elects to convert the qui tam civil action into an attorney <u>5.</u> 10 general enforcement action, the state has the primary responsibility for 11 prosecuting the action. 12 <u>b.</u> If the attorney general elects to intervene in the qui tam civil action, the state, the 13 person that commenced the action, and any local government that sustained 14 damages and intervenes in the action, shall share primary responsibility for 15 prosecuting the action. 16 If the attorney general elects to permit a local government to convert the action <u>C.</u> 17 into a civil enforcement action, the local government has primary responsibility for 18 investigating and prosecuting the action. If the action involves damages to a local 19 government but not the state and the local government intervenes in the gui tam 20 civil action, the local government and the person that commenced the action 21 share primary responsibility for prosecuting the action. 22 Under no circumstances may the state or a local government be bound by an act d. 23 of the person bringing the original action. Subject to the limitations set forth in this 24 subsection, the person may continue as a party to the action. 25
 - e. Under no circumstances may the state be bound by the act of a local government that intervenes in an action involving damages to the state.
 - f. If neither the attorney general nor a local government intervenes in the qui tam
 action, the qui tam plaintiff is responsible for prosecuting the action, subject to the
 attorney general's right to intervene at a later date and upon a showing of good
 cause.

- 1 Notwithstanding the objections of the person initiating the action, if the person has 2 been served with the motion to dismiss and the court has provided the person with an 3 opportunity to be heard on the motion, the state may move to dismiss the action. If the 4 action involves damages to both the state and a local government, then the state shall 5 consult with the local government before moving to dismiss the action. 6 Notwithstanding the objections of the person initiating the action, if the person has 7 been served with the motion to dismiss and the court has provided the person with an 8 opportunity to be heard on the motion and the action involves damages sustained by a 9 local government but not the state, the local government may move to dismiss the 10 action. 11 Notwithstanding the objections of the person initiating the action, if the court <u>a.</u> 12 determines, after an opportunity to be heard, that the proposed settlement is fair, 13
 - adequate, and reasonable with respect to all parties under all the circumstances, the state or a local government may settle the action with the defendant.
 - <u>b.</u> Upon a showing by the attorney general or a local government that the original plaintiff's unrestricted participation during the course of the litigation would interfere with or unduly delay the prosecution of the case, would be repetitious or irrelevant, or upon a showing by the defendant that the original qui tam plaintiff's unrestricted participation during the course of the litigation would be for purposes of harassment or would cause the defendant undue burden, the court may, at the court's own discretion, impose limitations on the original plaintiff's participation in the case, by:
 - <u>(1)</u> Limiting the number of witnesses the person may call;
 - Limiting the length of the testimony of such witnesses; (2)
 - (3)Limiting the person's cross-examination of witnesses; or
 - Otherwise limiting the participation by the person in the litigation. <u>(4)</u>
 - Notwithstanding any other provision of law, if the attorney general or a local <u>C.</u> government elects to supersede or intervene in a qui tam civil action, the attorney general and the local government may elect to pursue any remedy available with respect to the criminal or civil prosecution of the presentation of false claims, including any administrative proceeding to determine a civil monetary penalty. - any such alternate civil remedy is pursued in another proceeding, the person
 initiating the action has the same rights in the proceeding as the person would
 have had if the action had continued under this section.
 - d. Notwithstanding any other provision of law, if the attorney general elects to supersede or intervene in a qui tam civil action, or to permit a local government to supersede or intervene in the qui tam civil action, upon a showing by the state or local government that certain actions of discovery by the person initiating the action would interfere with the state's or a local government's investigation or prosecution of a criminal or civil matter arising out of the same facts, the court may stay such discovery for a period of not more than sixty days. The court may extend the period of the stay upon a further showing that the state or a local government has pursued the criminal or civil investigation or proceedings with reasonable diligence and any proposed discovery in the civil action will interfere with the ongoing criminal or civil investigation or proceedings.
 - <u>7.</u> If the attorney general elects to convert the qui tam civil action into an attorney <u>a.</u> general enforcement action or to permit a local government to convert the action into a civil enforcement action by the local government, or if the attorney general or a local government elects to intervene in the gui tam civil action, the person that initiated the qui tam civil action is entitled to receive between fifteen and twenty-five percent of the proceeds recovered in the action or in settlement of the action. The court shall consider the extent to which the plaintiff substantially contributed to the prosecution of the action when determining the percentage of the proceeds to which a person commencing a gui tam civil action is entitled. If the court finds the action was based primarily on disclosures of specific information, other than information provided by the person bringing the action, relating to allegations or transactions in a criminal, civil, or administrative hearing, in a legislative or administrative report, hearing, audit, or investigation, or from the news media, the court may award such sums as the court considers appropriate, but in no case more than fifteen percent of the proceeds, taking into account the significance of the information and the role of the person bringing the

- action in advancing the case to litigation. The person also shall receive an
 amount for reasonable expenses including reasonable attorney's fees.
 - b. If the attorney general or a local government does not elect to intervene or convert the action and the action is successful, the person who initiated the qui tam action is entitled to receive between twenty-five and thirty percent of the proceeds recovered in the action or settlement of the action. The court shall consider the extent to which the plaintiff substantially contributed to the prosecution of the action when determining the percentage of the proceeds to which a person commencing a qui tam civil action is entitled. The person also shall receive an amount for reasonable expenses including attorney's fees.
 - c. With the exception of a court award of costs, expenses, or attorney's fees, any payment to a person under this section must be made from the proceeds.
 - d. If the attorney general or a local government does not proceed with the action and the person bringing the action conducts the action, the court may award to the defendant reasonable attorney's fees and expenses if the defendant prevails in the action and the court finds the claim of the person bringing the action was clearly frivolous, clearly vexatious, or brought primarily for purposes of harassment.

32-48-04. Costs, expenses, disbursements, and attorney's fees.

In any action brought pursuant to this chapter, the court may award a local government that participates as a party in the action an amount for reasonable expenses the court finds to have been necessarily incurred plus reasonable attorney's fees. All such expenses, fees, and costs must be awarded directly against the defendant and may not be charged from the proceeds, but may be awarded only if a local government prevails in the action.

32-48-05. Exclusion from recovery.

If the court finds the qui tam civil action was brought by a person that planned or initiated the violation of this chapter upon which the action was brought, then the court may, to the extent the court considers appropriate, reduce the share of the proceeds of the action which the person would otherwise be entitled to receive under this chapter. The court may consider the role of the person in advancing the case to litigation and any relevant circumstances pertaining to the violation. If the person bringing the qui tam civil action is convicted of criminal conduct

32-48-06. Certain actions barred.

 the state or a local government or an agent of the state is a party;
 - b. In a federal, state, or local government report, hearing, audit, or investigation that is made on the public record or disseminated broadly to the general public, provided that the information may not be deemed as publicly disclosed in a report or investigation because the information was disclosed or in the possession of public officials or public agencies;
 - c. In the news media, provided that the allegations or transactions are not publicly disclosed in the news media merely because information of allegations or transactions have been posted on the internet or on a computer network.

1 <u>32-48-07. Liability.</u>

- 2 The state or a local government may not be liable for any expenses incurred by a person
- 3 <u>bringing a qui tam civil action under this chapter.</u>
- 4 <u>32-48-08. Report to legislative management.</u>
- 5 The attorney general shall provide an annual report to the legislative management of any

- 1. Any current or former employee, contractor, or agent of any private or public employer who is discharged, demoted, suspended, threatened, harassed, or in any other manner discriminated against in the terms and conditions of employment, or otherwise harmed or penalized by an employer, or a prospective employer, because of lawful acts done by the employee, contractor, agent, or associated others in furtherance of an action brought under this chapter or other efforts to stop one or more violations of this chapter, is entitled to all relief necessary to make the employee, contractor, or agent whole. Relief under this section includes:
 - a. An injunction to restrain continued discrimination;
- b. Hiring, contracting, or reinstatement to the position the person would have had,
 but for the discrimination, or to an equivalent position;
 - c. Reinstatement of full fringe benefits and seniority rights;
 - d. Payment of two times back pay, plus interest; and

Nothing in this subsection may be interpreted to prevent a law enforcement authority from bringing a civil or criminal action against a person for violating a provision of law.

An employee, contractor, or agent described in this section may bring an action in the
 appropriate venue for the relief provided in this section.

3 32-48-10. Limitation of actions - Burden of proof.

- 8 In the pleading of an action brought under this chapter, the gui tam plaintiff may not be <u>2.</u> 9 required to identify specific claims that result from an alleged course of misconduct, or 10 any specific records or statements used, if the facts alleged in the complaint, if 11 ultimately proven true, would provide a reasonable indication that one or more 12 violations of this chapter are likely to have occurred and if the allegations in the 13 pleading provide adequate notice of the specific nature of the alleged misconduct to 14 permit the state or a local government to effectively investigate and defendants to 15 fairly defend the allegations.
 - 3. In an action brought under this chapter, the state or a local government that participates as a party in the action, or the person bringing the qui tam civil action, shall prove by a preponderance of the evidence all essential elements of the cause of action, including damages.

32-48-11. Law enforcement authority - Duties.

21 This chapter does not:

16

17

18

19

- Preempt the authority or relieve the duty of other law enforcement agencies to
 investigate and prosecute suspected violations of law;
- 24 2. Prevent or prohibit a person from voluntarily disclosing information concerning a
 25 violation of this chapter to a law enforcement agency; or
- 26 3. Limit any of the powers granted elsewhere in this chapter and other laws to the
 27 attorney general, state agencies, or local governments to investigate and take
 28 appropriate action relating to possible violations of this chapter.
- 29 **32-48-12. Rules.**
