  - A. **Revenues:** Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.

B. **Expenditures:** Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.

This engrossed bill will result in expenditures of \$18,000 for contractor software development costs associated with enhancing the concealed weapons license system to include Class 1 exempt firearm licenses.

C. **Appropriations:** Explain the appropriation amounts. Provide detail, when appropriate, for each agency and fund affected. Explain the relationship between the amounts shown for expenditures and appropriations. Indicate whether the appropriation or a part of the appropriation is included in the executive budget or relates to a continuing appropriation.

A one-time general fund appropriation for \$18,000 and an emergency clause would be required to complete the project by August 1, 2019 when the law would take effect.
