Sixty-sixth Legislative Assembly of North Dakota

HOUSE BILL NO. 1524

Introduced by

Representatives Beadle, Bosch, Mock, Toman

Senators Davison, Meyer, Robinson

- 1 A BILL for an Act to create and enact chapter 51-30.1 of the North Dakota Century Code,
- 2 relating to the regulation of data brokers; and to provide a penalty.

3 BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

4 **SECTION 1.** Chapter 51-30.1 of the North Dakota Century Code is created and enacted as

5 follows:

6 <u>51-30.1-01. Definitions.</u>

7 <u>As used in this chapter:</u>

- 8 <u>1.</u> "Biometric data" means data generated from measurements or technical analysis of
 9 human body characteristics used to identify or authenticate the consumer. The term
 10 includes a fingerprint, retina or iris image, or other unique physical representation or
- 11 digital representation of biometric data.
- 12 <u>2.</u> <u>"Consumer" means an individual residing in this state.</u>
- 133."Data broker" means a business, or unit of a business, separately or together, which14knowingly collects and sells or which licenses to third parties the brokered personal
- 15 information of a consumer with whom the business does not have a direct relationship.
- 4. "Encryption" means use of an algorithmic process to transform data into a form in
 which the data is rendered unreadable or unusable without use of a confidential
 process or key.
- 195."Personal information" means one or more of the following computerized data20elements about a consumer, if categorized or organized for dissemination to third
- 21 parties:
- 22 <u>a.</u> <u>Name;</u>
- 23 <u>b.</u> <u>Address;</u>
- 24 <u>c.</u> <u>Date of birth;</u>

Sixty-sixth Legislative Assembly

	-						
1		<u>d.</u>	<u>Plac</u>	ce of birth;			
2		<u>e.</u>	e. Mother's maiden name;				
3		<u>f.</u>	<u>f.</u> <u>Unique biometric data;</u>				
4		<u>g.</u>	<u>Nan</u>	ne or address of a member of the consumer's immediate family or household;			
5		<u>h.</u>	<u>Soc</u>	ial security number or other government-issued identification number; or			
6		<u>i.</u>	<u>Oth</u>	er information that, alone or in combination with the other information sold or			
7			licer	nsed, would allow a reasonable person to identify the consumer with			
8			reas	sonable certainty.			
9	<u>6.</u>	<u>"Se</u>	curity	v breach" means unauthorized acquisition of electronic data, or a reasonable			
10		bel	ief of a	an unauthorized acquisition of electronic data, which compromises the			
11		<u>sec</u>	curity,	confidentiality, or integrity of a consumer's personally identifiable information			
12		<u>ma</u>	intaine	ed by a data collector.			
13	13 <u>51-30.1-02. Registration - Penalty.</u>						
14	<u>1.</u>	<u>Anr</u>	nually,	, before February first following a year in which a person meets the definition			
15		<u>of c</u>	data b	roker, a data broker shall:			
16		<u>a.</u>	<u>Reg</u>	gister with the secretary of state;			
17		<u>b.</u>	<u>Pay</u>	a registration fee of one hundred dollars; and			
18		<u>C.</u>	Prov	vide the following information:			
19			(1)	The name and primary physical, electronic mail, and internet addresses of			
20				the data broker;			
21			<u>(2)</u>	If the data broker permits a consumer to opt-out of the data broker's			
22				collection of personal information, opt-out of the data broker's databases, or			
23				opt out of certain sales of data:			
24				(a) The method for requesting an opt-out:			
25				(b) If the opt-out applies only to certain activities or sales, which activities			
26				or sales; and			
27				(c) Whether the data broker permits a consumer to authorize a third party	-		
28				to perform the opt-out on the consumer's behalf;			
29			<u>(3)</u>	A statement specifying the data collection, database, or sales activity from			
30				which a consumer may not opt-out;			

1		<u>(4</u>)	A statement whether the data broker implements a purchaser credentialing
2			process;
3		<u>(5</u>)	<u>The number of data broker security breaches the data broker has</u>
4			experienced during the previous year, and if known, the total number of
5			consumers affected by the breaches;
6		<u>(6</u>)	If the data broker has actual knowledge the data broker possesses the
7			personal information of minors, a separate statement detailing the data
8			collection practice, database, sales activity, and opt-out policy applicable to
9			the personal information of a minor; and
10		<u>(7</u>)	Any additional information or explanation the data broker chooses to provide
11			concerning the data broker's data collection practices.
12	<u>2.</u>	<u>A data </u>	broker that fails to register under this subsection is subject to a civil penalty of
13		<u>fifty dol</u>	lars for each day, not to exceed a total of ten thousand dollars for each year,
14		the data	a broker fails to register.
15	<u>51-3</u>	<u>0.1-03. (</u>	Comprehensive information security program.
16	<u>1.</u>	<u>A data l</u>	broker shall develop, implement, and maintain a comprehensive information
17		security	y program written in one or more readily accessible parts which contains
18		adminis	strative, technical, and physical safeguards appropriate to the:
19		<u>a. Si</u> z	ze, scope, and type of business of the data broker obligated to safeguard the
20		pe	ersonal information under the comprehensive information security program;
21		<u>b.</u> <u>Ar</u>	mount of resources available to the data broker;
22		<u>c.</u> <u>Ar</u>	mount of stored data; and
23		<u>d. Ne</u>	eed for security and confidentiality of personal information.
24	<u>2.</u>	<u>A data l</u>	broker shall adopt safeguards in the comprehensive security program which
25		are con	sistent with the safeguards for protection of personal information and
26		informa	tion of a similar character set forth in federal regulations applicable to the data
27		broker.	
28	<u>3.</u>	<u>A comp</u>	prehensive information security program must include:
29		<u>a.</u> De	esignation of one or more employees to maintain the program;
30		<u>b.</u> <u>Ide</u>	entification and assessment of reasonably foreseeable internal and external
31		<u>ris</u>	ks to the security, confidentiality, and integrity of any electronic, paper, or other

1		records containing personal information, and a process for evaluating and
2		improving, as necessary, the effectiveness of the safeguards for limiting the risks,
3		including:
4		(1) Ongoing employee training, including training for temporary and contract
5		employees;
6		(2) Employee compliance with policies and procedure requirements; and
7		(3) Means for detecting and preventing security system failures;
8	<u>C.</u>	Security policies for employees relating to the storage, access, and transportation
9		of records containing personal information outside business premises;
10	<u>d.</u>	Disciplinary measures for violations of the comprehensive information security
11		program rules;
12	<u>e.</u>	Measures to prevent a terminated employee from accessing records containing
13		personal information;
14	<u>f.</u>	Supervision of service providers, by:
15		(1) Taking reasonable steps to select and retain third-party service providers
16		capable of maintaining appropriate security measures to protect personal
17		information consistent with applicable law; and
18		(2) Requiring third-party service providers, by contract, to implement and
19		maintain appropriate security measures for personal information;
20	<u>g.</u>	Reasonable restrictions on physical access to records containing personal
21		information and storage of the records and data in a locked facility, storage area,
22		or container;
23	<u>h.</u>	Regular monitoring to ensure the comprehensive information security program is
24		operating in a manner reasonably calculated to prevent unauthorized access to
25		or unauthorized use of personal information and upgrading information
26		safeguards as necessary to limit risks;
27	<u>i.</u>	Regular review of the scope of the security measures at least annually or if there
28		is a material change in business practices which may reasonably implicate the
29		security or integrity of records containing personal information; and
30	<u>j.</u>	Documentation of responsive actions taken in connection with any incident
31		involving a breach of security and mandatory post-incident review of events and

Sixty-sixth Legislative Assembly

1			<u>acti</u>	ons ta	ken, if any, to make changes in business practices relating to protection			
2			of personal information.					
3	<u>4.</u>	<u>A c</u>	A comprehensive information security program required by this section must have, at					
4		mir	ninimum and to the extent technically feasible, the following elements:					
5		<u>a.</u>	<u>Sec</u>	ure us	ser authentication protocols, as follows:			
6			<u>(1)</u>	<u>An a</u>	uthentication protocol that has the following features:			
7				<u>(a)</u>	Control of user identifications and other identifiers;			
8				<u>(b)</u>	A reasonably secure method of assigning and selecting passwords or			
9					use of unique identifier technologies, such as biometrics or token			
10					devices:			
11				<u>(c)</u>	Control of data security passwords to ensure the passwords are kept			
12					in a location and format that do not compromise the security of the			
13					data the passwords protect;			
14				<u>(d)</u>	Restricting access to active users and active user accounts only; and			
15				<u>(e)</u>	Blocking access to user identification after multiple unsuccessful			
16					attempts to gain access; or			
17			<u>(2)</u>	<u>An a</u>	uthentication protocol providing a higher level of security than the			
18				featu	ures specified in paragraph 1.			
19		<u>b.</u>	<u>Sec</u>	ure ad	ccess control measures that:			
20			(1)	Rest	trict access to records and files containing personal information to those			
21				<u>who</u>	need the information to perform job duties; and			
22			<u>(2)</u>	<u>Assi</u>	gn to each individual with computer access unique identifications plus			
23				pass	words, which are not vendor-supplied default passwords, which are			
24				reas	onably designed to maintain the integrity of the security of the access			
25				<u>cont</u>	rols, or a protocol that provides a higher degree of security;			
26		<u>C.</u>	<u>Enc</u>	ryptio	n of all transmitted records and files containing personal information			
27			<u>that</u>	will tr	avel across public networks and encryption of all data containing			
28			pers	sonally	y identifiable information to be transmitted wirelessly, or a protocol that			
29			prov	vides a	a higher degree of security;			
30		<u>d.</u>	Rea	asonal	ble monitoring of systems for unauthorized use of or access to personal			
31			info	rmatic	on;			

Sixty-sixth Legislative Assembly

1	<u>e.</u>	Encryption of all personal information stored on a laptop or other portable device,	
2		or a protocol that provides a higher degree of security;	
3	<u>f.</u>	For files containing personal information on a system connected to the internet,	
4		reasonably up-to-date firewall protection and operating system security patches	
5		reasonably designed to maintain the integrity of the personal information, or a	
6		protocol that provides a higher degree of security;	
7	<u>g.</u>	Reasonably up-to-date versions of system security agent software that include	
8		malware protection and reasonably up-to-date patches and virus definitions, or a	
9		version of the software that can be supported with up-to-date patches and virus	
10		definitions and is set to receive the most current security updates on a regular	
11		basis, or a protocol that provides a higher degree of security; and	
12	<u>h.</u>	Education and training of employees on the proper use of the computer security	
13		system and the importance of personal information security.	
14	14 <u>51-30.1-04. Enforcement - Powers - Remedies - Penalties.</u>		
15	The attorney general may enforce this chapter. The attorney general, in enforcing this		
16	chapter, has all the powers provided in chapter 51-15 and may seek all the remedies in chapter		
17	51-15. A violation of this chapter is deemed a violation of chapter 51-15. The remedies, duties,		
18	prohibitions, and penalties of this chapter are not exclusive and are in addition to all other		
19	causes of action, remedies, and penalties under chapter 51-15, or otherwise provided by law.
