- 2 A. **Bill and fiscal impact summary:** *Provide a brief summary of the measure, including description of the provisions having fiscal impact (limited to 300 characters).*

This bill requires NDDOT, upon application, to issue a color photo military hunter ID to a nonresident who is active military and previously resided in ND. The ID may be used only to identify a person eligible for a military hunting license under subdivision g of subsection 12 of section 20.1-02-05.

- B. **Fiscal impact sections:** *Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.*

The fiscal impact of this bill cannot be determined because the number of qualifying applicants for a color photo military hunter identification card cannot be determined.

We do know that we would incur estimated one-time computer programming costs of \$15,000 and the cost to produce ID cards is about \$3.10 for each card. We have no way to determine the amount of staff time that would be involved to process each hunter identification.

3. **State fiscal effect detail:** *For information shown under state fiscal effect in 1A, please:*

- A. **Revenues:** *Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

- B. **Expenditures:** *Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

- C. **Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, for each agency and fund affected. Explain the relationship between the amounts shown for expenditures and appropriations. Indicate whether the appropriation or a part of the appropriation is included in the executive budget or relates to a continuing appropriation.*
