- 2 A. **Bill and fiscal impact summary:** *Provide a brief summary of the measure, including description of the provisions having fiscal impact (limited to 300 characters).*

HB 1106 creates the Reinsurance Association of ND, sets up an invisible reinsurance pool for the state's individual health insurance market, and allows companies to take the assessment created by the bill as a premium tax credit. The amendment sets an expiration date for the act.

- B. **Fiscal impact sections:** *Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.*

Section 1 of reengrossed HB 1106 creates a premium tax credit for the amounts assessed to insurers as a result of section 2 of the bill. The credit would reduce premium tax revenue for the year paid, limited by the amount of premium tax due. The amendment provides an expiration date, reducing the fiscal impact to the 2021-2023 biennium. The remaining amount is the result of finishing out the 2021 plan year.

3. **State fiscal effect detail:** *For information shown under state fiscal effect in 1A, please:*

- A. **Revenues:** *Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

The actuarial study done indicated the amounts needed to fund the invisible reinsurance pool. These amounts were allocated in accordance with the bill, in proportion to projected premiums written, and limited to estimated premium tax due.

- B. **Expenditures:** *Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

The bill would have no fiscal impact on expenditures.

- C. **Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, for each agency and fund affected. Explain the relationship between the amounts shown for expenditures and appropriations. Indicate whether the appropriation or a part of the appropriation is included in the executive budget or relates to a continuing appropriation.*

The bill would have no fiscal impact on appropriations.
