House Version

Section 17 provides an exemption for discretionary funds to continue any unexpended 2019-21 biennium funds in the discretionary funds line item into the 2021-23 biennium. A total of \$2.15 million was appropriated from the general fund to the department for this purpose for the 2019-21 biennium.

Section 18 provides for the Legislative Management to consider studying data storage by state entities. The study must include input from the Information Technology Department, North Dakota University System, and K-12 Education Coordinating Council. The study must consider data security, geographical locations of storage, geographical location of corporate contractors, state and federal laws that may affect North Dakota data, ownership and control of data storage, and current and estimated data storage costs related to cloud-based, out-of-state data storage of North Dakota state and local government data.

Section 19 provides for the Legislative Management to consider studying the feasibility and desirability of developing a roadmap for the implementation of hydrogen energy. The study must include a critical examination of the existing resource base, from production through end-use. The study must include the estimated cost and timeline of building out the necessary additional infrastructure, as well as potential public-private partnerships that could accelerate the build out.

Section 20 declares this Act to be an emergency.
