Testimony of Terri Thiel

Chair, Travel Alliance Partnership

In support of SB 2093

March 25, 2021

Chairman Kasper and members of the House Government and Veterans
Affairs Committee:

My name is Terri Thiel, and I am the chair of the North Dakota Travel
Alliance Partnership (ND TAP). ND TAP is a coalition of travel industry
stakeholders, including CVBs, state attractions, businesses and other
interested stakeholders, in this viable and growing sector of North Dakota's
economy. On behalf of the tourism industry and its partners, I am writing to
voice support for SB 2093.

SB 2093 removes restrictive language and provides greater flexibility to allow
the North Dakota Parks and Recreation Department to approve operating
concessionaires on property under the management of its director. The bill
allows the director to review, approve or disapprove concessionaire
applications rather than limiting these decisions to 14 events per year on
property leased by the United States Department of the Army, Corps of
Engineers.

Passage of SB 2093 would benefit our state by encouraging additional use of
North Dakota's great outdoors for events and community gatherings and

expand upon reoccurring events, providing further enrichment for our communities, citizens and our state's tourism industry.

ND TAP asks the House Government and Veterans Affairs Committee recommend a do-pass on SB 2093.
