

House Concurrent Resolution 3021 Testimony

Our right to arms in North Dakota is engrained into our history. It is so fundamental that it is listed first in The ND State Constitution Article 1 Section 1. "All individuals are by nature equally free and independent and have certain inalienable rights, among which are those of enjoying and defending life and liberty; acquiring, possessing and protecting property and reputation; pursuing and obtaining safety and happiness; and to keep and bear arms for the defense of their person, family, property, and the state, and for lawful hunting, recreational, and other lawful purposes, which shall not be infringed." The security of being able to obtain arms and ammunition is paramount to the preservation of our freedoms. I urge a do pass on House Concurrent Resolution 3021.
