North Dakota Legislature
67th Legislative Assembly

Chairman Luick, Vice- Chair Myrdal, and Members of the Committee, I am the Secretary-Treasurer for the Richland County Water Resource District. A position I have held for the past twenty-five years, which has included assisting with completion of applications for Subsurface Water Management System permits as well as the processing of all applications.

Having been a member of the group who crafted the Subsurface Water Management bill, HB 1437, which is before you today, I would welcome the opportunity to address any questions you may have regarding this bill.

I respectfully urge a "Do Pass" on HB 1437 and thank you for your time and consideration of this bill.
