SANFORD TRUE INDIVIDUAL NORTH DAKOTA AND SOUTH DAKOTA

Plan Profile: Sanford TRUE plans are offered to individuals in approved counties of the Dakotas. These plans are a great option for the self-employed, those between jobs, early-retired, families or those no longer eligible for health insurance coverage under their parent's plan. The Sanford TRUE plans are qualified health plans that offer a variety of cost-sharing options.

Provider Network: Consists of 2,200 providers, including access to our large care system of Sanford Health providers and facilities, plus some additional independent providers across the Dakotas, Minnesota and Iowa. You can choose to see any licensed Sanford Health provider for covered services without a referral for in-network coverage. This plan does not have out-of-network coverage, except for urgent and emergent situations.

9 plan options available – also available on the Exchange at healthcare.gov
