RE: Testimony IN FAVOR of HCR 3021

Dear Committee Members,

I am writing this testimony in support of House Concurrent Resolution 3021. The shortage of ammunition and firearms is impacting the rights of the citizens of North Dakota. The North Dakota Constitution Article 1 Section 1, "...to keep and bear arms for the defense of their person, family, property, and the state, and for lawful hunting, recreational, and other lawful purposes...". The right to hunt and recreationally shoot is so much a part of being a North Dakotan that it is listed first in our state rights. That is why I encourage you to vote DO PASS on HCR 3021.

Sincerely,

-Kord
