SECTION 15. CAMPUS CAPITAL PROJECTS - PROJECT REQUESTS - LEGISLATIVE INTENT.

- 1. The state board of higher education may not include requests for any state funds for capital projects in its budget request submitted to the sixty-ninth legislative assembly. The state board of higher education may request other funds appropriation authority from the sixty-ninth legislative assembly for projects funded from local funds, gifts, grants, donations, the institution's allocation in the university system capital building fund, or revenue bonds.
- 2. It is the intent of the sixty-eighth legislative assembly that this Act includes all capital projects to be appropriated funding from the state, excluding projects that receive funding solely from local funds, gifts, grants,

- donations, the institution's allocation in the university system capital building fund, or revenue bonds, during the period beginning July 1, 2023, and ending June 30, 2027.
- 3. An institution must have possession of local matching funds allocated to a project prior to expending any funding from the strategic investment and improvements fund for the project.
- 4. If an institution is unable to provide the appropriated amount of matching funds for a capital project provided for in this Act, the institution may only spend a proportional amount of funding from the strategic investment and improvements fund for the project. If an institution is unable to provide necessary matching funds by June 30, 2027, to complete the project in whole or in part, the appropriation from the strategic investment and improvements fund must be canceled.
- 5. Any inflationary or other costs associated with previously approved projects must be paid from the institution's local funds or the institution's allocation in the university system capital building fund.

SECTION 16. CAMPUS CAPITAL PROJECTS - PROJECT MANAGEMENT.During the biennium beginning July 1, 2023, and ending June 30, 2025, each capital project authorized by the state board of higher education must have adequate project management oversight by either an institution official or a representative of an external entity. An institution may seek assistance from the university system office for project management oversight of a capital project.

SECTION 17. UNIVERSITY OF NORTH DAKOTA - SCHOOL OF MEDICINE AND HEALTH SCIENCES - OPERATIONS. The operations line items in subdivision 5 and 13 of section 1 of this Act include a funding allocation from the higher education per student credit-hour funding formula attributable to inflation during the biennium beginning July 1, 2023, and ending June 30, 2025. Based on the recommendation of the commissioner of higher education a portion of the allocation may be transferred by the state board of higher education between the university of North Dakota school of medicine and health sciences and the university of North Dakota.

SECTION 18. A new section to chapter 15-10 of the North Dakota Century Code is created and enacted as follows:

<u>State commissioner of higher education - Higher education trends - Report to budget section.</u>

The state commissioner of higher education shall provide an annual report to the budget section regarding trends in higher education, including state and regional student enrollment, North Dakota university system institution reserves, state and regional tuition rates, state and regional student financial assistance, and the North Dakota university system's response to the trends and changes, including new or expanded educational programs, closed programs, and future budget requests.

SECTION 19. A new section to chapter 15-10 of the North Dakota Century Code is created and enacted as follows:

<u>Severance agreements - Funding - Emergency commission and budget section approval.</u>

The cost of any severance agreement approved by the state board of higher education must be paid from the North Dakota university system office budget. The North Dakota university system office may not assess institutions under the control of the state board of higher education to recover the cost of any severance agreement. Emergency commission and budget section approval is required before the board may expend any funds pursuant to this section. When considering the request, the budget section shall consider the amount obligated to the individual named in the severance agreement pursuant to the individual's employment contract with the board or institution under the control of the board, the cost of the severance agreement, and the justification for the severance agreement provided by the board.

SECTION 20. A new section to chapter 15-10 of the North Dakota Century Code is created and enacted as follows:

Academic program approval.

The state board of higher education shall approve or deny a request from an institution under its control for a new or expanded academic program within thirty days of the institution submitting its request for the program to the commissioner of higher education.

SECTION 21. A new section to chapter 15-10 of the North Dakota Century Code is created and enacted as follows:

Disclosure of financial condition.

The state board of higher education shall provide a disclosure of the financial condition of an institution to the qualified applicants designated as finalists pursuant to section 44-04-18.27 for the position of president of an institution. The disclosure of financial condition must identify the institution's reserves, recent audit findings, anticipated future funding changes pursuant to chapter 15-18.2, and the institution's composite financial index ratio. The state board of higher education may require the qualified applicants to sign a nondisclosure agreement prior to receiving the disclosure of financial condition.

SECTION 22. A new section to chapter 15-10 of the North Dakota Century Code is created and enacted as follows:

Campus policies and procedures.

The president of an institution under the control of the state board of higher education may adopt policies, procedures, and directives for the institution, with input but no authoritative control from faculty and others through shared governance. The commissioner of higher education and the state board of higher education may overturn or amend the president's policies, procedures, and directives.

SECTION 23. AMENDMENT. Section 15-10-38.1 of the North Dakota Century Code is amended and reenacted as follows:

- There is created in the state treasury the skilled workforce student loan repayment program fund. The fund consists of moneys transferred into the fund by the legislative assembly, matching funds received, and loan repayments. Moneys in the fund are appropriated to the state board of higher education on a continuing basis for the purpose of distributing student loan repayment grants directly to the Bank of North Dakota or other participating lender to repay outstanding student loan principal balances for eligible applicants. The state board of higher education may transfer money between this fund and the skilled workforce scholarship fund established in section 15-10-38.2.
- 2. The state board of higher education shall adopt policies and procedures to develop, implement, promote, and administer a skilled workforce student loan repayment program in cooperation with the Bank of North Dakota and the North Dakota workforce development council with the intent of attracting and retaining individuals for professional or technical skills in high demand in this state.
- 3. The North Dakota workforce development council in cooperation with job service North Dakota shall use available labor market information to determine annually the eligible high-demand professional and technical skills and emerging occupations in this state.
- 4. Graduates of degree or certificate programs from institutions or entities in any state may apply for the skilled workforce student loan repayment program. To be eligible to receive student loan repayment grants under the program, the applicant:
 - a. Must have successfully completed an educational program from an institution of higher education;
 - b. Must have a student loan with the Bank of North Dakota or other participating lender;
 - Following completion of an educational program, must reside and work in this state in an eligible high-demand or emerging occupation; and
 - d. Must have met and shall continue to meet any requirements established in applicable state board of higher education procedures.
- 5. The state board of higher education shall adopt procedures to ensure compliance with residency and occupation requirements after completion of the educational program.
- 6. The state board of higher education shall distribute student loan repayment grants from the skilled workforce student loan repayment program fund directly to the Bank of North Dakota or other participating lender to repay outstanding student loan principal balances for eligible applicants. The maximum annual student loan repayment grant amount for which an applicant may qualify is five thousand six hundred sixty-seven dollars, or

- one-third of the applicant's outstanding student loan principal balance upon initial application for the program, whichever is less. The maximum total student loan repayment grant amount for which any applicant may qualify is seventeen thousand dollars.
- 7. If an individual is receiving loan forgiveness under any other state program, the individual may not receive a student loan repayment grant under this section during the same application year. An individual who received a skilled workforce scholarship under section 15-10-38.2 is not eligible for loan forgiveness under this section.
- 8. An individual may receive a combined total of no more than seventeen thousand dollars under this section and the skilled workforce scholarship program under section 15-10-38.2.
- 9. The skilled workforce student loan repayment program must be a joint-public and private effort. The state board of higher education shall provide one dollar of funding for each one dollar of fundingfunds raised from the private sector or other public sources. Any matching funds received must be deposited in the skilled workforce student loan repayment program fund.
- 10. The state board of higher education shall provide a biennial program report to the legislative management by September first of each even-numbered year. The report must include information regarding:
 - The eligible high-demand professional and technical skills and emerging occupations;
 - b. The number of applicants, eligible applicants, and applicants receiving awards:
 - c. The amount of private fundingmatching funds raised; and
 - d. The average and total amounts awarded under the program.

SECTION 24. AMENDMENT. Section 15-10-38.2 of the North Dakota Century Code is amended and reenacted as follows:

15-10-38.2. Skilled workforce scholarship program - Skilled workforce scholarship fund - Continuing appropriation - Report. (Repealed effective July 1, 2023)

1. There is created in the state treasury the skilled workforce scholarship fund. The fund consists of moneys transferred into the fund by the legislative assembly, matching funds received, and scholarship repayments. Moneys in the fund are appropriated to the state board of higher education on a continuing basis for the purpose of providing grants to institutions of higher education related to skilled workforce scholarships. Institutions of higher education include institutions under the control of the state board of higher education, North Dakota nonpublic accredited institutions of higher education, tribally controlled community colleges, state-approved educator training programs, and North Dakota institutions approved to operate by the North Dakota board of career and technical education. The state board of higher education may transfer money

- between this fund and the skilled workforce student loan repayment program fund established in section 15-10-38.1.
- 2. The state board of higher education shall adopt policies and procedures to develop, implement, promote, and administer a skilled workforce scholarship program in cooperation with the Bank of North Dakota and the North Dakota workforce development council with the intent of attracting and retaining individuals for professional or technical skills in high demand in this state.
- 3. The North Dakota workforce development council in cooperation with job service North Dakota shall use available labor market information to determine annually the eligible high-demand professional and technical skills and emerging occupations in this state.
- 4. The state board of higher education and the workforce development council shall compile a list of qualifying educational programs annually. A qualifying educational program is a program resulting in attainment of an associate's degree or lower credential upon successful completion or a program that may be completed within four semesters or six quarters, or the final two years of a baccalaureate program. A qualifying educational program also must pertain to the professional and technical skills and emerging occupations in high demand in this state, as determined under subsection 3. Qualifying educational programs may include degree or certificate programs.
- 5. Individuals enrolled in a qualifying educational program in this state may apply for a scholarship under this section. Scholarships are limited to the amount charged each quarter, semester, or term by the educational institution for the tuition, fees, books, and supplies required for the qualifying educational program. The scholarships are intended to supplement any other scholarship or financial aid grant received by a student to assist the student with the costs of the qualifying educational program. An individual may not receive a combined total exceeding seventeen thousand dollars under this section and the skilled workforce loan repayment program under section 15-10-38.1.
- 6. To be eligible for a scholarship and payment under this section, a student must be enrolled full time in an eligible program and have at least a 2.5 cumulative grade point average, based on a 4.0 grading system, or maintain academic progress in the program according to program requirements. A student may not receive scholarships under this section for more than the equivalent of four semesters of full-time enrollment or six quarters of full-time enrollment.
- 7. Upon completion of a qualifying educational program, a student who received a scholarship under this section must reside and work in this state in an eligible high-demand or emerging occupation for a minimum of three years.
- 8. An individual shall repay the scholarship pursuant to the terms in the individual's scholarship award agreement if the individual fails to maintain either a 2.5 cumulative grade point average or academic progress according to program requirements while enrolled, withdraws voluntarily or

involuntarily before the completion of the program for which a scholarship has been received, or fails to reside and work in this state in an eligible high-demand or emerging occupation for at least three years following degree or certificate completion.

- The state board of higher education, in conjunction with the Bank of North Dakota, may allow an individual who received payment under this section to delay or cancel repayment under this section due to financial difficulty, military service, death, or total disability.
- Each quarter, semester, or term, the state board of higher education shall distribute grants to institutions of higher education to provide the amounts necessary for the scholarships awarded to the students enrolled in each institution.
- 11. The skilled workforce scholarship program must be a joint public and private effort. The state board of higher education may distribute grants only to the extent that the private sector has provided one dollar of matching funds for each dollar of funding provided by the state. The state board of higher education shall provide one dollar of funding for each one dollar raised from the private sector or other public sources. Any matching funds received must be deposited in the skilled workforce scholarship fund.
- 12. The state board of higher education shall provide a biennial program report to the legislative management by September first of each even-numbered year. The report must include information regarding:
 - a. The eligible high-demand professional and technical skills and emerging occupations;
 - b. The qualifying educational programs;
 - c. The number of applicants, eligible applicants, and applicants receiving awards:
 - d. The amount of private fundingmatching funds raised; and
 - e. The average and total amounts awarded under the program.
