- Notwithstanding section 24-01-12, the department shall establish a logo sign program
  for the purpose of providing on the right of way of the state highway system specific
  information on gas, food, camping, and lodging for the benefit of the motoring public.
  The department may erect and maintain signs under the logo sign program or, by
  public negotiation or bid, contract with a qualified business to erect and maintain the
  signs.
  - 2. The department shall adopt rules for the program which conform with federal standards adopted under 23 U.S.C. 131(f),(q) and the manual of uniform traffic-control devices adopted under section 39-13-06. The rules must include sign standards and requirements relating to the qualifying distance of the signs to the services, sign placement, and logo placement and spacing. The department may not take any action under this section which may result in the loss to the state of any federal highway construction funds.
- 3. All costs incurred under the program must be paid under an agreement negotiated
  between the department and an advertiser, or the business and an advertiser, unless
  the contract between the department and the business provides otherwise.
- 4. If the department contracts with a business to erect and maintain the signs, the
  contract must require the business to obtain liability insurance in an amount the
