COMMUNICATION FROM GOVERNOR DOUG BURGUM

This is to inform you that on April 7, 2023, I have signed the following: HB 1095, HB 1139, HB 1155, HB 1228, HB 1268, HB 1360, HB 1459, HB 1494, HB 1502, HB 1506, and HB 1511.

VETO MEASURE

Pursuant to Article V, Section 9 of the North Dakota Constitution, I have vetoed House Bill 1463 and return it to the House.

Governing bodies across North Dakota, including the Legislature, are bound by N.D.C.C. 44-04-21, which states "all votes of whatever kind taken at any public meeting ... must be open, public votes, and all nonprocedural votes must be recorded roll call votes, with the votes of each member being made public at the open meeting."

Floor testimony on House Bill 1463 stated the Legislature currently is in violation of this law because not all amendments receive a recorded roll call vote. However, rather than simply

comply with the law, the Legislature has opted to change the law to suit its current practice.

House Bill 1463 would exclude the Legislature from the legal requirement to hold recorded roll call votes on all nonprocedural votes relating to the consideration of an amendment by a legislative committee or the full legislative assembly during a legislative session.

Existing North Dakota law (N.D.C.C. 44-04-21) states that “ ‘nonprocedural’ should be broadly interpreted and includes all votes that pertain to the merits of the matter before the governing body.”

House Bill 1463 would allow the Legislature to adopt far-reaching amendments affecting the central policy or fiscal impact of a bill without affording the public the accountability of a recorded roll call vote. If enacted, this bill would deny the public the transparency essential to good governance.

For building public trust and confidence in our system of government, the Legislature should embrace and comply with existing North Dakota open meetings law.

For the reasons stated above, House Bill 1463 is vetoed.

MOTION

REP. BOSCH MOVED that the Chief Clerk dispense with the reading of the Governor's objections to HB 1463 and that the objections be printed in the Journal in their entirety, which motion prevailed.
